rainforest rescue
Protect Rainforests Forever

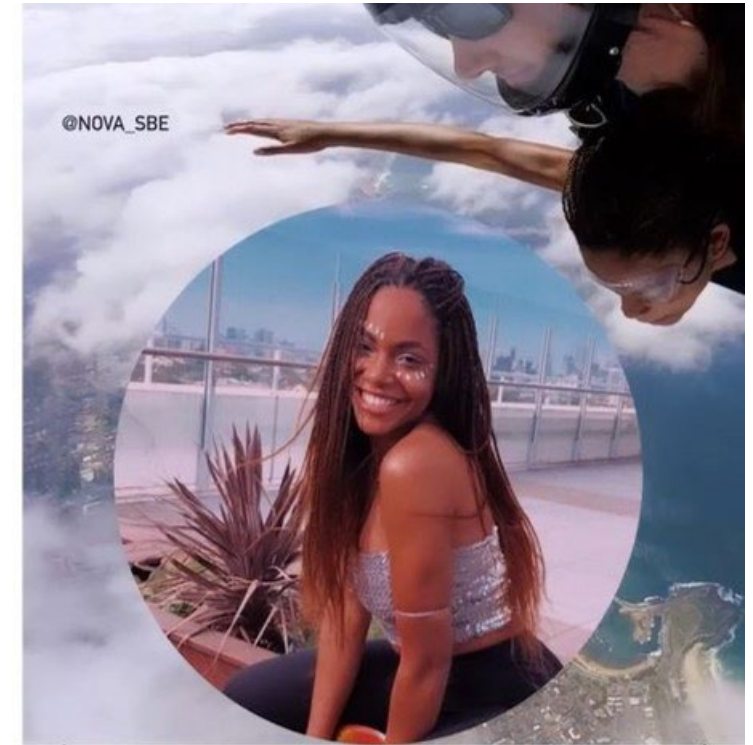

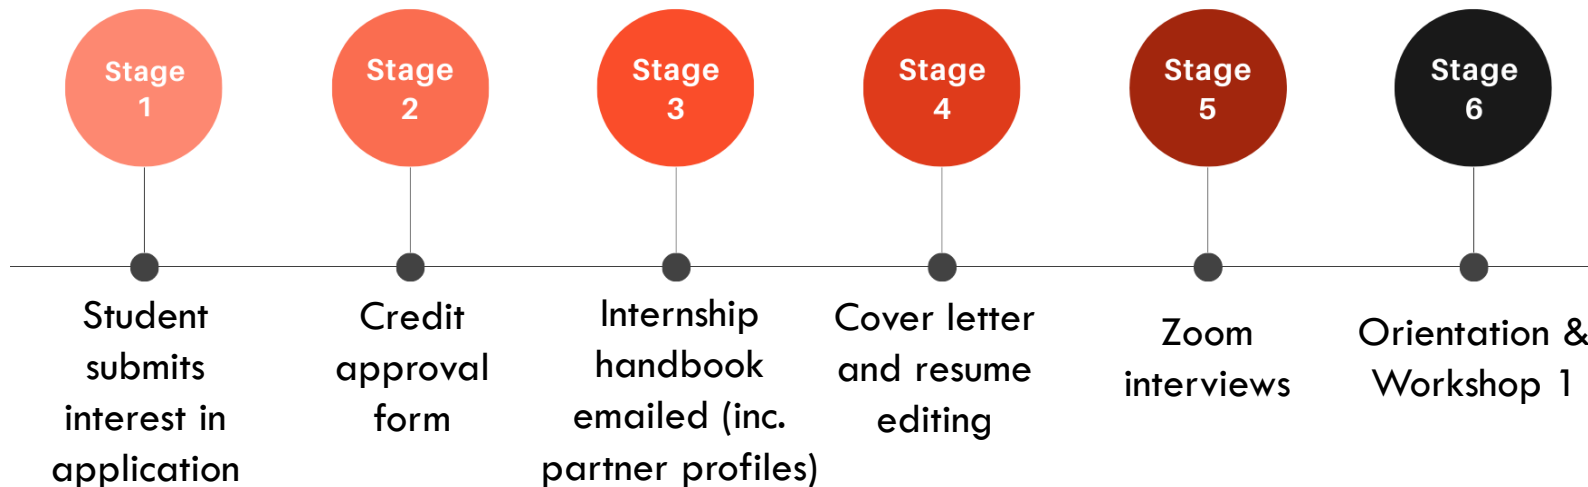

Internship (ARTS2600)

Students undertake 5 professional development workshops on topics like:

- Australian business culture and workplace practices
- Communication styles
- Conflict resolution
- Articulating your overseas internship experience in interviews
- Writing an effective resume and responding to selection criteria
- Social media for professional networking

The Placement Process

MEET SUYALA

@SUYALA MONTEIRO

Suyala is from Portugal and is studying **Bachelor of Economics** at Universidade Nova de Lisboa. She studied abroad at USYD in Semester 1 2020.

"Studying abroad at Sydney gave me another perspective on life. I was able to do the ARTS2600 internship, network with people around the world and explore Sydney."
