

THE UNIVERSITY OF
SYDNEY

Sydney Sustainability Program

Extracurricular program open to all students for a **digital badge**

Can be taken alongside several sustainability-centred **units of study**

Structured around five of the **United Nations' Sustainable Development Goals (SDG)**

Recognition of achievement includes participation certificate, plus:

- Tier 1 = Digital badge
- Tier 2 = Digital badge + sustainability pack
- Tier 3 = Digital badge + sustainability pack + LinkedIn Review

Plus exclusive activities including:

- A free guide on sustainable living during your program in Sydney
- Hear from renowned USYD academics in our clean energy speaker series
- Take part in events like 'Clean up Australia' day by the water
- Learn from indigenous and political activists on grassroots climate action
- See urban agriculture through Sydney City Farm or amazing biodiversity in Sydney Botanical Gardens
