The perfect place to study

We offer one of the best campus experiences in the world in a location renowned for its relaxed and safe lifestyle, subtropical climate and vibrant and diverse culture.

BRISBANE

Brisbane, the home of UQ's St Lucia and Herston campuses, is the capital city of the state of Queensland and its economic and cultural hub. Innovative and progressive, the city is a thriving global centre in Asia-Pacific for business, investment, technology, major events, and education. It is also home to over 200 nationalities and 220 languages. As one of Australia's fastest-growing capital cities, Brisbane has unstoppable momentum and is embracing opportunity.

Entertainment and events

Brisbane has a thriving live music scene that can be discovered in Fortitude Valley and West End. It is also home to BIGSOUND, the southern hemisphere's biggest new music festival and industry gathering. For comedy, live theatre and dance, head to the Brisbane Powerhouse and the Queensland Performing Arts Centre (QPAC). The expansive Queensland Art Gallery and Gallery of Modern

Art (QAGOMA) consistently ranks among the most visited Australian art museums and keep an eye out for the Brisbane Festival that attracts artists from across the globe. The city also hosts a calendar of seasonal events that celebrate our cultural diversity, such as BrisAsia Festival, Holi Festival of Colours, Paniyiri and more.

Sport

Brisbane's amazing weather and top-tier sporting facilities make physical activity a must.

Kayak along the Brisbane River, rock climb your way to the top of the Kangaroo Point Cliffs, ride along kilometres of scenic riverside cycle paths or participate in the extensive social sport opportunities available across Brisbane. If you prefer to spectate, cheer for your team with crowds up to 50,000 strong at a rugby union, rugby league, cricket, 'Aussie Rules' football, tennis, or soccer match at one of our world-famous sporting stadiums.

Food

With a third of Brisbane's population born overseas, you can find cuisine from almost every culture. From affordable lunchtime and 'Cheap Tuesday' offers, to reasonably priced cafes, pubs, and farmers' markets, to award-winning fine dining restaurants - there is a lot to choose from and plenty of new culinary experiences to be had. Coffee culture in Australia is renowned for its quality and you won't be disappointed with how Brisbane's cafes serve up your morning brew. If you want to enjoy alfresco dining on a budget, you can always enjoy a picnic with friends and use the city's free barbecue facilities in one of our scenic parks by the river.

Getting around

One of the best views of Brisbane is from a CityCat - a ferry service that runs along the river from UQ's St Lucia campus to the city and the riverside suburb of Hamilton. Brisbane also has an extensive bus and train network

that makes it easy to get around. A 'go card' will allow you to travel on all Brisbane public transport at discounted student prices.

Around Brisbane

When you want to head out of the city, there is plenty to discover. Go south for the famous golden sands of the Gold Coast and Byron Bay; north for the unspoilt beaches of the Sunshine Coast, the world's oldest rainforest, and the majestic Great Barrier Reef; west for charming outback towns; or east for the spectacular Mulgumpin (Moreton Island), Minjerribah (Stradbroke Island) and K'gari (Fraser Island). Sydney, Cairns and Melbourne are all short flights away. There is so much to explore on your doorstep.

GATTON

Gatton, the largest town in South-East Queensland's Lockyer Valley, is the home of the UQ Gatton campus. Bordered by scenic mountain ranges and located only one hour's drive from Brisbane, Gatton has a culturally diverse population of approximately 6000 people. UQ Gatton students enjoy a laidback, country lifestyle in a close-knit community.

FURTHER STUDY AT UQ

Postgraduate study

After completing your undergraduate degree you can return to UQ for your postgraduate studies, joining former UQ Study Abroad and Exchange student luminaries such as Professor Bernard Degnan. Cost of living

Brisbane is an affordable city, offering a lower cost of living than Sydney, Melbourne, Perth or Canberra. To make the most of your time in Australia, we recommend you plan and budget for your study and holiday time.

Yearly costs

How much it will cost you to live in Brisbane will depend partly on your lifestyle preferences. For example, if you live in a share house off-campus, your yearly budget will be in the range of \$12,960 – \$33,060.

In addition to this amount, you'll also need to consider establishment costs such as buying furniture, paying a rental bond and setting up electricity, gas and mobile phone accounts, as well as other expenses such as visa and medical fees, tuition fees, return airfares, and Overseas Student Health Cover (OSHC). Remember that exchange rate variations may also affect your budget.

Monthly expenses

The table below estimates monthly expenses for studying at UQ. These estimates are a guide only and prices vary according to your lifestyle. UQ tuition fees, textbooks and study materials, clothing, entertainment, printing, and healthcare costs are in addition to the figures below.

Monthly cost of living

	STUDENT LIVING IN ON-CAMPUS COLLEGE [^]	STUDENT LIVING OFF-CAMPUS / STUDENT ACCOMMODATION [*]
Rent	\$2000–\$2800*	\$720–\$2240
Utilities (gas, electricity, water)	included in rent	\$150–\$175**
Food	included in rent [^]	\$560–\$1120
Mobile phone / internet	\$60–\$120	\$60–\$120
Public transport	\$120	\$120
TOTAL	\$2180–\$3040	\$1610–\$3755

[^] Catered meals are included at UQ Residential colleges. UQ RES (Kev Carmody House and Walcott Street) does not include catered meals.

^{*} On-campus and off-campus accommodation costs are usually lower in Gatton. The monthly cost for a standard resident room in the Halls of Residence in Gatton is approximately \$1190.

^{**} Many student accommodation providers include electricity, gas and internet costs in rent; however, check with your provider to be sure.

This table should be taken as a guide only. For the most accurate costs of living, visit: study.uq.edu.au/university-life/living-in-brisbane/cost-living

Working while studying

If you have a student visa you can work up to 48 hours per fortnight (2-week period) during university semesters (effective 1 July 2023), and full-time hours during holidays. In general, students shouldn't expect to cover tuition fees or living expenses with a casual job.

If you're studying at UQ on a scholarship, you should contact your scholarship provider about how many hours you're permitted to work each week.

Fees and expenses

As a Study Abroad or Incoming Exchange student, you may need to pay tuition fees, non-tuition fees and other administrative fees. Some courses have additional costs; see individual course listings for details.

Tuition fees

Study Abroad – 4 courses

If you apply for the standard 4-course Study Abroad program for 2024, you will pay a tuition fee of \$13,710 per semester regardless of the number of courses taken. A standard full-time load for one semester at UQ is 8 units (which usually equates to 4 courses).

Please note, this fee is indexed annually and is subject to change.

Study Abroad – 3 courses

If you apply for the 3-course Study Abroad program for 2024, you will pay a reduced tuition fee of \$10,280 per semester but you will be restricted to taking 6 units (3 courses) only. Please check with your home university before choosing this option to ensure that you will receive the credit that you need when you return.

Please note, this fee is indexed annually and is subject to change.

Incoming Exchange

As an Incoming exchange student, you will pay tuition fees to your home institution based on their fee requirements. A standard full-time study load for one semester at UQ is 8 units (which usually equates to 4 courses). You should contact the Exchange Office at your home institution for details.

study.uq.edu.au/admissions/study-abroad/review-fees-and-costs

Non-tuition fees

Non-tuition fees are fees paid by a student to the University for such things as books and equipment, health insurance, administration, accommodation, and assistance to apply for or hold a student visa.

study.uq.edu.au/admissions/study-abroad/review-fees-and-costs

Health insurance

If you will be coming to Australia on a student visa, you will need to purchase and maintain Overseas Student Health Cover (OSHC) as one of the conditions of your visa. This is an insurance policy that covers you for basic medical and hospital care and is required from the day you arrive in Australia until you leave. UQ's preferred OSHC provider is Allianz Care.

UQ can organise your OSHC with Allianz when you accept your UQ offer and pay your tuition fee deposit. Alternatively, you can obtain your own OSHC from a government-approved OSHC provider.

All international students applying to study in Australia must have a student visa unless they have an alternative visa that enables them to study. If you are granted a student visa, you must comply with all student visa conditions.
