Welcome to The University of Queensland

Studying at The University of Queensland can be a transformational experience.

It's an opportunity to meet people who will become lifelong friends, exchange ideas with other bright minds, and learn from Australia's most awarded teachers.

You'll gain knowledge and skills that will help you excel, no matter where your life and career take you in a rapidly changing world. It's an investment in your future.

When you join us, you'll join students who come from all over Australia and around the world to study here. The curiosity, creativity and entrepreneurial spirit of our students are part of what makes employers seek out UQ graduates.

As a global top 50 university, UQ has championed creative thinking for more than 100 years to solve problems facing humanity. We don't just teach the latest research; our research pioneers are industry leaders who discover the latest breakthroughs and make a positive difference in people's lives around the world.

UQ is passionate about enriching its entrepreneurial ecosystem and creating leaders of the future. We support entrepreneurs at every stage of their journey, working alongside staff and alumni, and connecting with a wide range of global experts.

University is not just about study though – you'll also have fun here. UQ is renowned for our vibrant campus culture, our clubs and societies and our world-class sporting facilities, where you'll truly enjoy your recreation time while making friends for life.

No matter what your reason for being here, you're sure to enjoy UQ's long-standing traditions, while creating some new ones of your own.

I look forward to hearing about the positive impact you create in your time with us and beyond.

Professor Deborah Terry AO
Vice-Chancellor and President

Why choose UQ

Best place to learn in Australia

With more national teaching awards than any other Australian university, our educators are the most highly awarded in the country. Recognised for transforming the way students learn at university, they will inspire and guide you with the latest knowledge and ideas. You will put theory into practice in workplace, clinical, and laboratory settings, expanding your understanding and contextualising your studies.

Pioneering change

As one of Australia's leading research-intensive universities, UQ is at the frontier of knowledge creation. The calibre of our research and the impact of our innovations is addressing many of the cultural, economic and social challenges facing the world today. Be inspired by our world-leading researchers and academic leaders and understand what it takes to pioneer change. This knowledge is brought into the classroom so you can address the latest issues, ideas and challenges with their guidance and support. Discover our latest innovations and the thought leaders behind them.

World-class facilities

Our 8 globally recognised research institutes are home to more than 1500 specialists continuing UQ's tradition of research leadership with the latest in equipment and instrumentation, laboratories, scientific services and training, and support. Additionally, we have research centres located throughout Queensland, taking advantage of the state's diverse ecosystems and climate.

Industry relevant

As a locally and globally connected university, UQ provides many opportunities for students to apply knowledge gained in the classroom to real life. You'll have access to work-integrated learning, entrepreneurial and enrichment programs, local and global internships and volunteer opportunities to boost your confidence, capabilities and résumé. A wide range of free entrepreneurship programs are available to complement your studies, and to help you build a network, take on new challenges and bring your ideas to life.

Proven graduate outcomes

We're committed to enriching your studies and developing your employability to prepare you for a career you'll love. We support you to gain knowledge, a range of capabilities and adopt an innovative mindset. Our research, teaching and connections prepare you to forge an exciting career. UQ qualifications are highly regarded by Australian and international employers.

According to the 2022 Quality Indicators for Learning and Teaching Graduate Outcomes Survey, 77.7 per cent of UQ bachelor's degree graduates secured full-time employment within 4 months of completing programs. Know when you graduate from UQ, you'll be ready for any challenge.

Digitally enhanced learning environment

UQ combines its unparalleled campus experience with an online learning environment that gives students everything for their study needs at their fingertips. Our teaching spaces and digital ecosystem enable flexible learning.

UQ's well-established and modern online learning environment attracts higher than average student satisfaction than our Go8 peers in the national Student Experience Survey, with positive ratings given by 87% of students (2021). UQ also is one of only 3 Australian charter members of the prestigious edX consortium, the world's leading not-for-profit consortium of massive open online courses (MOOCs).

The perfect place to study

We offer one of the best campus experiences in the world in a location renowned for its relaxed and safe lifestyle, subtropical climate and vibrant and diverse culture.

BRISBANE

Brisbane, the home of UQ's St Lucia and Herston campuses, is the capital city of the state of Queensland and its economic and cultural hub. Innovative and progressive, the city is a thriving global centre in Asia-Pacific for business, investment, technology, major events, and education. It is also home to over 200 nationalities and 220 languages. As one of Australia's fastest-growing capital cities, Brisbane has unstoppable momentum and is embracing opportunity.

Entertainment and events

Brisbane has a thriving live music scene that can be discovered in Fortitude Valley and West End. It is also home to BIGSOUND, the southern hemisphere's biggest new music festival and industry gathering. For comedy, live theatre and dance, head to the Brisbane Powerhouse and the Queensland Performing Arts Centre (QPAC). The expansive Queensland Art Gallery and Gallery of Modern Art (QAGOMA) consistently ranks among the most visited Australian art museums and keep an eye out for the Brisbane Festival that attracts artists from across the globe. The city also hosts a calendar of seasonal events that celebrate our cultural diversity, such as BrisAsia Festival, Holi Festival of Colours, Paniyiri and more.

Sport

Brisbane's amazing weather and top-tier sporting facilities make physical activity a must. Kayak along the Brisbane River, rock climb your way to the top of the Kangaroo Point

Cliffs, ride along kilometres of scenic riverside cycle paths or participate in the extensive social sport opportunities available across Brisbane. If you prefer to spectate, cheer for your team with crowds up to 50,000 strong at a rugby union, rugby league, cricket, 'Aussie Rules' football, tennis, or soccer match at one of our world-famous sporting stadiums.

Food

With a third of Brisbane's population born overseas, you can find cuisine from almost every culture. From affordable lunchtime and 'Cheap Tuesday' offers, to reasonably priced cafes, pubs, and farmers' markets, to award-winning fine dining restaurants - there is a lot to choose from and plenty of new culinary experiences to be had. Coffee culture in Australia is renowned for its quality and you won't be disappointed with how Brisbane's cafes serve up your morning brew. If you want to enjoy alfresco dining on a budget, you can always enjoy a picnic with friends and use the city's free barbecue facilities in one of our scenic parks by the river.

Around Brisbane

When you want to head out of the city, there is plenty to discover. Go south for the famous golden sands of the Gold Coast and Byron Bay; north for the unspoilt beaches of the Sunshine Coast, the world's oldest rainforest, and the majestic Great Barrier Reef; west for charming outback towns; or east for the spectacular Mulgumpin (Moreton Island), Minjerrabah (Stradbroke Island) and K'gari (Fraser Island). Sydney, Cairns and Melbourne are all short flights away. There is so much to explore on your doorstep.

GATTON

Gatton, the largest town in South-East Queensland's Lockyer Valley, is the home of the UQ Gatton campus. Bordered by unspoilt mountain ranges and located only one hour's drive from Brisbane, Gatton has a culturally diverse population of approximately 6000 people. UQ Gatton students enjoy a laidback, country lifestyle in a close-knit community.

Our campuses

Stepping onto a UQ campus inspires excellence and greatness. Our iconic campuses are lovingly and cleverly designed, have strong connections to Queensland's history, and they're built just for you – our future students and future change makers.

UQ has 3 campuses in and around Brisbane focused on teaching and learning, as well as an impressive array of research facilities across Queensland.

- **St Lucia** is our largest and main campus in Brisbane, where most of our programs are taught.
- **Gatton** is our regional campus, located about an hour from Brisbane, where our agriculture, plant and veterinary sciences students learn.
- **Herston**, located just 5km from Brisbane's city centre, is our specialist campus for health and medical teaching and research.

Food and retail

You can buy food and drinks from the Coffee Pod, Dining Hall and Walkway Café, and you can purchase and sell books at our retail bookshop. There's also an on-campus post office, and regular events for students in the Central Walkway.

Healthcare

Your health care needs are taken care of on campus at the UQ Gatton Medical Centre, a medical clinic with experienced doctors and nurses available to UQ students.

uqhealthcare.org.au

Fitness and Sport

Whether you're looking to boost your fitness, meet new people, or relax and unwind, UQ Sport Gatton offers the opportunity to do it all in one location. There are both gym and pool facilities – as well as tennis, basketball, netball and squash courts. There are weekly group fitness classes, sporting clubs and social sports to enjoy.

uqsport.com.au

Teaching and research facilities

The campus houses production animals, horticultural fields, a plant nursery, post harvest facilities, research laboratories and greenhouses, a wildlife facility, specialist veterinary and equine hospitals, and some of the best animal teaching facilities in the southern hemisphere.

The community garden is nearly a hectare in size and includes garden beds in which students and staff can grow their own herbs and vegetables.

Library

The JK Murray Library is at the heart of campus, open 24/7 for study, relaxation, and meetings. With comfortable study spaces, a world-class collection, and friendly staff to help with all your questions, we can connect you with everything you need to succeed in your studies. Whether you want to borrow books, meet friends for a coffee, or work quietly on an essay, there's a space to suit you.

Herston

Just 5 kilometres from the Brisbane city centre, UQ Herston is our specialist campus for health and medical teaching and research. It shares premises with the Royal Brisbane and Women's Hospital (RBWH) and the QIMR Berghofer Medical Research Institute, creating a health-focused community where students gain practical experience alongside industry professionals and leading researchers.

Teaching and research facilities

UQ Herston is home to our Medicine, Dentistry and Public Health programs, as well as state-of-the-art clinical facilities including:

- Medical School
- School of Public Health
- School of Dentistry
- Herston Imaging Research Facility
- Oral Health Centre
- RECOVER Injury Research Centre
- Centre for Clinical Research.

Surgical, Treatment and Rehabilitation Service (STARS)

STARS is one of the largest tertiary specialist rehabilitation centres in the southern hemisphere. The collaborative community health precinct is home to more than 30 health facilities, research institutes and organisations, accommodating more than 13,000 staff, students and scientists.

Library

Our dedicated medical library provides access to the Queensland Health network, along with all the resources available through your UQ Library membership. As the library for a busy hospital, you can be sure you're getting the most up-to-date, expert information from our staff.

Food and retail

You can purchase something to eat or drink from Cafe Dose, the Botanist Kitchen, the hospital cafes, as well as Subway, Sushi Yado and Boost Juice. There is a bank and ATMs on campus, as well as a gift shop, pharmacy, post office and newsagency, and bookshop.

campuses.uq.edu.au/herston

Research institutes

UQ has a proud reputation for creating change in the world through research. In partnership with government, industry and donors, UQ has established 8 globally recognised research institutes, as well as research centres at our 3 main campuses and other locations across Queensland.

Australian Institute for Bioengineering and Nanotechnology (AIBN)

AIBN seeks to deliver innovative solutions to society's problems through sustainable materials, healthy living and translational success. AIBN's research is underpinned by Five Pillars of Research that include stem cell ageing and regenerative engineering, precision nanomedicine, advanced materials, agriculture nanotechnology and advanced biomanufacturing.

aibn.uq.edu.au

Global Change Institute (GCI)

Through an interdisciplinary approach, GCI brings researchers together to address the impacts of climate change while identifying opportunities associated with technological innovation, policy development, and industrial-scale changes that benefit the Australian and global environment. Collaborative research is conducted across strategic areas including: clean energy, food systems, and healthy oceans.

gci.uq.edu.au

Institute for Molecular Bioscience (IMB)

IMB is a multidisciplinary life sciences research institute where 500 scientists use world-leading infrastructure to drive discoveries from genome to drug design, disease discovery application and sustainable futures. IMB's research is framed through centres focused on superbugs, pain, heart disease, inflammation, solar biotechnology and the genomics-disease interplay.

imb.uq.edu.au

Institute for Social Science Research (ISSR)

With a vision to make a meaningful difference to people's lives, ISSR is an international leader in advanced interdisciplinary and evidence-based social science research. Providing methodological expertise in co-design, evaluation and advanced quantitative and qualitative methods, ISSR's modern social science research workforce partners with government and the private and not-for-profit sectors to undertake problem-oriented and solution-focused research into topics, questions and issues that matter in today's world.

issr.uq.edu.au

Mater Research Institute – UQ (MRI-UQ)

MRI-UQ aims to turn scientific discovery into the best possible treatment, care and outcomes for patients and the broader community. Key focus areas include cancer biology and care; mothers', babies, and women's health; chronic disease biology and care; neurosciences and cognitive health; optimising acute care; and implementing evidence to improve health.

materresearch.org.au

Queensland Alliance for Agriculture and Food Innovation (QAAFI)

QAAFI is a world-leading research institute delivering positive outcomes for agriculture and food systems. It provides high impact research across the supply chain for crop, horticulture, livestock and food industries to address challenges facing food and agribusiness sectors in tropical and subtropical environments.

qaafi.uq.edu.au

Queensland Brain Institute (QBI)

QBI is a pre-eminent neuroscience research institute with collaborators in more than 48 countries. Its dedicated scientific team strives to improve lives through a deeper understanding of the brain in health and disease, leading to discoveries about how we can harness the brain's full potential and develop new interventions and therapies for diseases and disorders.

qbi.uq.edu.au

Sustainable Minerals Institute (SMI)

The work of SMI is multidisciplinary. It integrates expertise in exploration, mining, mineral processing, workplace health and safety, mine rehabilitation, water and energy and social science, as well as governance to reduce the minerals industry's impact on communities and the environment and reshape its role in sustainable development. SMI works collaboratively with industry, governments, civil society and communities and translates research into impact through commercialisation, research and consulting.

Programs

At UQ, a qualification or degree is called a program.

We offer bachelor's programs, dual programs and honours programs at undergraduate level. For postgraduate study we have more than 150 subject areas on offer as well as Higher Degrees by Research (HDR).

You can receive credit for applicable prior studies. If you don't meet a program's entry requirements, you can take advantage of our pathways to upgrade your academic qualifications or English language skills. As a postgraduate student you may also be able to gain entry by undertaking a graduate certificate.

Using the Programs section

Consider 'doubling up'

A dual program, also called a double degree, allows you to study 2 degrees at the same time – often in a shorter timeframe. Many programs also offer the opportunity to focus on 2 areas of study within the standard duration of a program. Take a look at UQ's dual programs on page 17.

Add another dimension to your degree

Add another dimension to your degree by studying a concurrent Diploma in Languages. You can study the diploma alongside your degree and learn or progress a second language (9 languages available). The diploma is made up of 16 units and can be applied for after you have enrolled in a full-time UQ program.

Enhance your career

A UQ bachelor's degree is the solid foundation for a successful career, but to truly enhance your career prospects, consider continuing to postgraduate study after you graduate.

UQ offers postgraduate coursework programs (graduate certificates, graduate diplomas, coursework masters, coursework masters [advanced] and professional doctorates) and Higher Degrees by Research (Master of Philosophy [MPhil], Doctor of Philosophy [PhD], and Doctor of Veterinary Clinical Science) to equip you with specialist knowledge, enhance your employability, upgrade your qualifications, help you get promoted, or pave the way for your career in research.

1

Choose your program

Use the 'UQ programs quick reference table' on pages 16-19 to find your program. Alternatively, you can refer to the index on page 93.

For more information about your chosen program, visit study.uq.edu.au/study-options and insert the program code in the search bar.

2

Check your program's admission requirements

To gain entry into a UQ program you must have: 'Minimum' or 'Higher-than-minimum' English language skills.

For undergraduate programs, you must have attained an overall minimum entry score in senior schooling equivalent to Queensland Year 12, and satisfied other academic entry requirements.

For most postgraduate programs you will need a 'grade point average' (GPA) (or equivalent). At UQ, we use a 7-point grading scale, where 4 is a pass and 7 is the highest grade.

Admission requirements for programs can be found within each program's description (pages 26-73).

3

Check you qualify to meet your program's admission requirements

Use the admissions section (pages 78-83) to view: definitions of 'Minimum' and 'Higher-than-minimum' English language requirements and how to meet them, subject prerequisite equivalents, and each program's minimum entry score.

If you do not qualify for entry to UQ you may be able to upgrade through an academic or English language pathway (see pages 21-25).

4

Apply for your UQ program

Use the step-by-step application process to apply to UQ (see pages 82-83).

Program table explained

DURATION

The time it takes to complete a program when it is studied full-time.

Full-time: The standard study load is 8 units per semester.

Part-time: Part-time study load is less than 75 per cent of the standard study load (i.e. less than 6 units per semester for most programs). International students can only study part-time if they do not require a student visa. All international students on an international student visa must complete the program within the stated program duration.

START SEMESTER

The academic year at UQ is divided into 2 main semesters. Semester 1 usually starts at the end of February and Semester 2 starts at the end of July.

The majority of programs begin at the start of the semester, and some only have one start semester per year; however, some programs may have an earlier or later start date or begin in Summer Semester.

CAMPUS

One of 3 UQ teaching sites located at St Lucia, Herston and Gatton where the majority of lectures are held.

Some programs may be delivered at UQ's other teaching sites.

HONOURS AVAILABLE

The majority of our 3-year bachelor's degrees offer a one-year honours program. Most 4- or 5-year programs include the honours component.

This box shows whether an honours year is available as an extra year of study.

DURATION	START SEMESTER	2024 FEE (YEAR 1)	CAMPUS	ADMISSION REQUIREMENTS			HONOURS AVAILABLE ✓	DUAL PROGRAMS AVAILABLE +	QUOTA PROGRAM 👤
				ENGLISH	ACADEMIC PREREQUISITES	ADDITIONAL REQUIREMENTS			
					YOUR CURRENT QUALIFICATION	RELEVANT DISCIPLINES			

2024 FEE (YEAR 1)

Tuition fees vary according to the program. We have provided an indicative first year tuition fee for each program in this guide.

This indicative amount is based on a standard full-time study load (16 units) for a calendar year for the year of commencement.

ENGLISH

All programs require either 'Minimum' or 'Higher-than-minimum' English language proficiency.

'Minimum' English language proficiency is IELTS 6.5 with a 6 in each sub-band (or equivalent).

'Higher-than-minimum' English language proficiency varies and is higher than 'Minimum' English.

See the fold-out and page 80 for both a list of programs with 'Higher-than-minimum' English language proficiency requirements and for alternative ways to meet 'Minimum' English language proficiency requirements.

ACADEMIC PREREQUISITES

You must have completed schooling equivalent to Queensland Year 12 to gain entry into a UQ program.

Some programs require you to have completed specific subjects (or their equivalent) at school. Some also have additional requirements.

YOUR CURRENT QUALIFICATION

Almost all postgraduate coursework programs require you to have completed a specific degree. Some also have additional requirements.

DUAL PROGRAMS AVAILABLE

Two UQ programs undertaken at the same time (sometimes known as dual/parallel/combined/double degrees).

This box shows if a program is available as a dual program. The dual programs are listed in full on page 17.

RELEVANT/SAME/ APPROVED DISCIPLINES

For some postgraduate coursework programs you must have studied a particular discipline / disciplines to obtain entry.

QUOTA PROGRAM

A quota program is one that has limited places available for students, and entry is usually competitive. Even if you meet the minimum entry requirements, there is no guarantee you will be confirmed as having a place in the program.

You can find a description of each key term used in the programs section on the 'UQ terminology' page at the back of this guide (page 92).

Pathways to UQ

We offer a range of pathway programs if you don't satisfy the admission requirements for your preferred UQ program.

UQ College offers a range of English language courses and Foundation Programs to prepare you for your chosen undergraduate degree.

In addition to the wide range of quality pathway programs on offer, students at UQ College enjoy all the benefits of UQ's world-class campus facilities.

uqcollege.uq.edu.au

UQ College

In our programs, you will be taught in small classes by highly qualified teachers, while outside class time you can access Learning Advisers, the UQ College Learning Centre and online support materials.

The registered provider of the Foundation and English Language Intensive Courses for Overseas Students (ELICOS) programs is UQ College (CRICOS Code 04039H).

Pathway options to enter UQ

UNDERGRADUATE PROGRAMS

English language

Improve your English language proficiency by studying an English language pathway course, which can lead to:

- a UQ undergraduate program (provided you have the academic qualifications for entry and achieve the required English results). UQ undergraduate programs are listed on pages 16–17.
- UQ College Foundation Program.

Foundation Program

Improve your academic entry qualifications by studying the Foundation Program, which can lead to:

- UQ undergraduate programs (upon meeting required results). Programs are listed on pages 16–17.

+

English language + Foundation Program

If you haven't met the English language entry requirement for the Foundation Program, you can apply for both English language study and the Foundation Program.

POSTGRADUATE PROGRAMS

English language

Improve your English language proficiency by studying an English language pathway course, which can lead to a UQ postgraduate program (provided you have the academic qualifications for entry and achieve the required English results). UQ postgraduate programs are listed on pages 18–19.

Articulate through a graduate certificate

If you do not have the academic requirements to enter a UQ master's program, you may choose instead to apply for a one-semester graduate certificate – if available – in the same program suite then study progressively to the higher-level programs of graduate diploma, coursework master's and master's (advanced).

English language pathways

Improve your English language proficiency at UQ's award-winning English language and pathways institute, UQ College. There are 2 main English language pathways to UQ programs:

Study English for direct entry into UQ

If you meet the academic requirements for entry to a UQ program but do not satisfy the English language entry requirements for that program, you can apply for a pathway that includes:

- a Bridging English course – English language classes to get you to the level you need for entry to your UQ program, and
- a conditional place in your preferred UQ program.

Bridging English (BE)

Duration 10 to 30 weeks, depending on your English level and UQ program entry requirements (see table opposite).

Weekly tuition fee \$545*

Campus UQ St Lucia

Minimum admission requirements IELTS 5.0[^] overall and 5 in each sub-band (or equivalent). Higher-level programs require higher IELTS or equivalent test score for entry. See table opposite for details.

BE is our most popular English language pathway with multiple entry points for admission into undergraduate and postgraduate programs at UQ including Study Abroad. The course will develop your proficiency in all 4 skills (reading, writing, listening and speaking), as well as systematically building your range of vocabulary and control of grammar.

Within the BE there are 2 options:

BE Advantage

The BE Advantage finishes at least 5 weeks before semester commences. This means that if you do not pass the BE assessment the first time, you are able to complete the 4-week BE Extension and re-sit the BE assessment before the UQ semester commences.

BE Standard

The BE Standard finishes immediately before the start of the UQ semester. Due to time constraints, BE Extension is not

available with this option. If you do not achieve the required English language level to enter your UQ program, you will need to start at a later date.

Choose BE if:

- you want to gain entry into a UQ program without having to sit an IELTS test at the end of your course
- you want to study with high-quality teachers in a course solely focused on helping you to gain entry into a UQ program
- you want to complete your assessment at least 5 weeks before the start of the UQ semester (BE Advantage only)
- you would like the opportunity for one-on-one consultation sessions every 5 weeks to ensure you are on track with your English language progress to reach your academic goals.

For further information, visit uqcollege.uq.edu.au or scan the QR code.

Study English for entry into UQ or the Foundation Program

If you meet the academic requirements for entry to a UQ program but do not satisfy the English language entry requirements for that program, you can apply for a pathway that includes:

- the Pathway English course – English language classes to get you to the level you need for entry to your UQ program, and
- a conditional place in your preferred UQ program (note that passing Pathway English assessment does not give direct entry into UQ. You will need to achieve the required score in IELTS (or equivalent) to meet the UQ English language entry requirement for your preferred UQ program.

Pathway English (PE)

Duration 10 to 45 weeks depending on your English level and UQ program entry requirements (see table opposite).

Weekly tuition fee \$460*

Campus UQ St Lucia

Minimum admission requirements

Minimum entry level into PE is IELTS 4.0 overall with no sub score below 4.0. See table opposite for details, and the table on page 24 for information on entry into the Foundation Programs from Pathway English.

Pathway English will build your English language proficiency and the academic skills required to succeed in the UQ College Foundation Program and at university. At the higher levels of Pathway English, you

will also learn IELTS test taking skills and strategies.

To receive a UQ offer, you must provide evidence of your current English language ability (IELTS or other recognised test – see the fold-out in this guide for other recognised tests) with your UQ program application.

Choose Pathway English if:

- you do not have the IELTS score to enter the Foundation Program or Bridging English (BE)
- You wish to study with high quality teachers to improve your English proficiency for direct entry into the UQ College Foundation Program or entry into a UQ Program using your IELTS score.

For further information, visit uqcollege.uq.edu.au or scan the QR code.

* 2024 Fees are indicative only. Fees displayed do not include costs for student services and materials.

Foundation Program pathways

Improve your academic entry qualifications by studying the Foundation Program.

Tailor your Foundation Program to meet your future study goals. Students in the Foundation Program will study 2 core courses and 3 elective courses. Choose your electives to meet the entry requirements for your preferred undergraduate UQ program. A Humanities stream is also recommended for students who want to study Humanities and Social Sciences.

Program overview

The Extended Foundation Program is designed for students who need to improve their academic English and mathematics skills prior to undertaking the Standard Foundation Program. This program offers additional support and services to help students maximise their success at foundation and university studies.

- Extended students benefit from an initial study period of 7 weeks intensive studies in both Academic English and Mathematics.
- The program is especially beneficial for younger students, and students who need to increase their English language proficiency.

Pathway to

Guaranteed entry into most UQ undergraduate programs provided assessment standards are met (guaranteed entry does not apply to quota programs).

Admission requirements

Eleven full years of schooling (entry from Year 11 or equivalent requires superior grades). Depending on your preferred undergraduate program, a minimum grade in Mathematics may also apply. Forecast results are accepted where appropriate and consideration is given to the actual subjects studied. We will only accept an application if the results indicate the student will have a good chance of passing the program.

Compulsory subjects

Main stream: Academic English (AE) and General Mathematics or Mathematical Methods.
Humanities stream: Academic English (AE) and Humanities and Social Sciences.

Electives (choose 3)

Accounting, Behavioural Science[#], Business Management[#], Biology, Chemistry, Design, Economics, Health and Nutrition, Humanities and Social Sciences[#], Information Technology, Physics, Research[#] (*recommended for Humanities stream).

Agriculture, animal and food sciences

Agricultural experts are needed to help sustainably feed, fuel and clothe our growing global population. Join the next generation of farm, fibre and food entrepreneurs by studying with a global leader in agriculture. We offer first class programs in agriculture, agribusiness, food, plant, soil and animal sciences. Learn from world-leading academics who are closely connected to industry and government, and enjoy access to our extensive specialist research facilities. Our hands-on learning approach offers practical experiences such as field visits, laboratory practicals, industry placements, and independent research projects.

Environmental management

Learn from Australia's leading environmental experts in programs that combine your scientific knowledge with the legal, political and social aspects of conservation and environmental management. Gain practical skills to understand and manage our changing planet through industry placements and extensive fieldwork experiences in a diversity of ecosystems, including World Heritage rainforests, the Great Barrier Reef, island research stations and outback Australia.

Our programs can lead to careers in:

“Practicals are an important part of my studies. I have learned how to restrain an animal, how to administer their medicine, and most importantly I have learned how to recognise behaviour of animals. I'm doing lots of work in the animal lab and the chemistry lab, but I'm really looking forward to doing the rotations in the small animal hospital at UQ next year.”

Our Regional and Town Planning program is accredited by the Planning Institute of Australia

Addressing world issues

Our outlook is international. We engage with climate, geographic and social conditions in our design and planning to come up with practical solutions to common problems. We help to advance knowledge of the issues affecting our physical environment like climate change, urbanisation and natural resource management.

Helping you succeed

Our programs give you the skills and qualifications to create spaces that matter. You will be taught by a mix of internationally renowned scholars, experienced practitioners and talented architects. Courses are designed around studios where students can explore their interests in a collaborative environment.

We make sure you get hands-on experience in community-based projects with real clients, so you know what it takes to succeed as a professional.

Our programs can lead to careers in:

- Architecture
- Commercial and industrial development
- Environmental management and monitoring
- Heritage and conservation
- Infrastructure planning
- Land-use planning
- Planning law and practice
- Policy and innovation
- Product development
- Regional development
- Resource management
- Social planning
- Spatial planning
- Tourism and transport
- Town planning

Master of Teaching (Secondary)

Why be a teacher?

Teachers are in high demand

Over 94% of UQ Education graduates are offered full-time employment within 4 months after graduation. Queensland graduate teachers have one of the highest starting salaries in Australia.

A balanced lifestyle

As a teacher you'll enjoy an enviable worklife balance, with guaranteed holidays and the flexibility to move locations depending on where your future takes you.

A degree the world will recognise

UQ's field of education is ranked 35th in the world in the QS World University Rankings by Subject 2022.

Inspire the next generation

Teachers become influential in their students' lives, inspiring their love of learning and motivating them to achieve their personal best every day.

Endless career opportunities

Your career doesn't stop in the classroom. With further study, you also have the option to progress into a variety of leadership roles.

Become a community leader

Teachers have the opportunity to build relationships with their students and their families, and to create a positive sense of community in their classroom and school.

Teaching is a challenging but incredibly rewarding career. The impact you can have on our future generation is second to none. With excellent job security and a plenitude of vacancies, now is a great time to consider a career in teaching. UQ's teaching programs are recognised internationally and teachers are in high demand globally.

Solving problems

For us, it starts with the spark. That craving you have to solve problems. It could be anything – protecting the planet, reimagining urban infrastructure, improving cyber security, or creating uncomplicated human-centred digital products. As long as it's there, we'll help you explore it – by encouraging your intellectual boldness, honing your skills and bringing out your capacity to lead others towards positive and impactful change.

Innovation

You will be taught by a mix of internationally renowned lecturers, industry professionals and leading researchers. Our programs focus on developing your understanding of the business environment so you can make better decisions in class and in your professional career. By the time you graduate, you'll possess a distinct blend of creative and practical abilities, where every decision you make is ingrained in sustainability – and benefits people and communities all over the world.

Our programs can lead to careers in:

- Aerospace engineering
- Augmented reality design
- Biological engineering
- Biomedical engineering
- Chemical engineering
- Civil engineering
- Computer engineering
- Cyber security
- Data science
- Design
- Electrical engineering
- Enterprise information systems
- Environmental engineering
- Game design
- Geotechnical engineering
- Human-computer interaction
- Information management
- Information technology
- Materials engineering
- Mechanical engineering
- Mechatronic engineering
- Metallurgical engineering
- Mining engineering

Teacher of the Year 2023

World-class

UQ has one of the largest science faculties in Australia with some of the world's leading scientists, teachers, science programs and solutions to global problems. We focus on ground-breaking projects like the molecular characterisation of drug-resistant bacteria and finding better treatments for illness, solving conservation problems using mathematics and improving hydrogen bonding.

Student focused

Interact with expert research teams, use our world-class laboratories and contribute to making a positive impact on society and the environment. You will have opportunities to connect with industry and employers during professional placements or internships. This hands-on approach is why UQ graduates enjoy high employability rates and attractive starting salaries.

“The problem-solving skills I developed during my mathematics degree have been so widely applicable to the range of projects I have worked on in my undergraduate research and in my role as a Data Analyst Consultant.

I apply the programming skills I learnt during my degree to combine data from multiple sources so that I can analyse that data to extract meaningful insights and develop solutions.”

Higher Degrees by Research

Completing a Higher Degree by Research can advance your career opportunities, satisfy your intellectual curiosity and position you as an expert in your field, while providing you with opportunities to travel, network and explore.

Why do a Higher Degree by Research (HDR)?

Undertaking a research degree will advance your career opportunities and satisfy your intellectual curiosity. Graduates from HDR programs typically secure academic or research careers within tertiary institutions or a broad range of professional and leadership roles within industry and government.

What are UQ's Higher Degrees by Research?

Doctor of Philosophy (PhD)

A PhD is one of the highest degrees that can be awarded. It is seen as a requirement for the majority of academic and research positions in a wide range of fields and industries. The aim of a PhD is to foster the development of independent research skills.

Master of Philosophy (MPhil)

The MPhil is an internationally recognised research degree that involves undertaking

a significant research project. It provides candidates with an opportunity to develop and enhance analytical and research skills through independent investigation in a specific field.

Doctor of Veterinary Clinical Science

The Doctor of Veterinary Clinical Science is our veterinary residency program for already qualified veterinarians. It is designed to lead to careers as a certified specialist veterinarian, provided you meet all other requirements.

The doctorate will take you 3.5 years to complete full-time. It combines advanced coursework with clinical training and a research-based 50,000-word thesis. The doctorate is intended to introduce you to all aspects of specialist practice.

PROGRAM	ASSESSMENT	DURATION	ADMISSION REQUIREMENTS*
PhD	A thesis of no more than 80,000 words, with the research representing a significant new contribution to the discipline.	3 to 4 years	A bachelor's degree with honours class IIA or better from approved universities, which should include a relevant research component, or; a research master's degree, or; a coursework master's degree and an overall GPA equivalent to 5.65 on the 7 point UQ scale, which should include a relevant research component, or; a postgraduate degree of at least one year full-time equivalent with an overall GPA equivalent to 5.0 on the 7 point UQ scale, together with demonstrated research experience equivalent to honours IIA will be considered for PhD entry on a case by case basis, or; a bachelor's degree plus at least 2 years of documented relevant research experience, including research publications.
MPhil	A thesis of no more than 40,000 words that demonstrates a capacity for critical analysis and application of specialist knowledge.	1.5 to 2 years	A bachelor's degree with honours class IIB or better from approved universities, which must include relevant experience, or; a postgraduate degree of at least one year full-time equivalent and an overall GPA equivalent to 5.0 on the 7 point UQ scale, which must include relevant experience, or; a bachelor's degree plus at least 2 years of documented relevant experience. Evidence of other qualifications and/or experience to satisfy the Dean that the applicant is suitably qualified for admission.
Doctor of Veterinary Clinical Science	Coursework with clinical training and a research-based 50,000-word thesis.	3.5 years	BVSc(Hons) with honours class IIB or higher; OR Postgraduate degree in Veterinary Science of at least one year full-time equivalent including relevant experience and an overall GPA equivalent to 5.0 on the 7 point UQ scale; OR BVSc or equivalent plus 2 years relevant experience, or one year internship under the supervision of a registered veterinary specialist. Applicants must satisfy the Head of School and Dean of the Graduate School that they are qualified for admission, and may be required to attend an interview. Applicants must be eligible for registration with the Veterinary Surgeons Board of Queensland.

* International students whose first language is not English must demonstrate that they meet the University's English language proficiency requirements (visit your program's web page on study.uq.edu.au)

How to apply: (Higher Degrees by Research)

STEP 1

Check
your eligibility

Check your eligibility by reviewing the admission requirements for UQ's Higher Degrees by Research.

STEP 2

Search for
a supervisor

UQ is home to over 2000 research experts and a growing community of internationally renowned scholars and scientists. Visit researchers.uq.edu.au to search for and contact potential advisors directly through the UQ Researchers database or view available supervision and projects. Some projects also have attached scholarships. graduate-school.uq.edu.au

STEP 3

Prepare your
documentation

When applying you must submit documents to support your application, such as a research proposal, academic CV, academic transcript, award certificates, proof of English language proficiency and 2 referee reports. If you do not upload all suggested documents, your application may be delayed or rejected.

STEP 4

Apply
online

You can submit your application online. If you wish to be considered for a competitive, merit-based scholarship, simply indicate this on the application form. There is no need to fill out a separate application form. study.uq.edu.au/admissions/higher-degree-research

Research quarters

International HDR candidates at UQ enjoy a significant advantage over students at most other tertiary institutions with annual tuition fees divided into quarters instead of semesters. This reduces the pressure to submit research prematurely due to financial considerations. Research quarters are designed to match HDR student enrolment and work patterns, as well as scholarship rounds. You are required to commence your program within the first 2 weeks of a research quarter: January, April, July or October.

Scholarships

Boost your potential with a scholarship to study at UQ. The Australian Government provides international students with a range of scholarship options, and the University also offers competitive scholarships to help with financial support, tuition, accommodation, mentoring and industry experience.

UQ scholarships

The University of Queensland offers competitive scholarships to help high-achieving students fund their tertiary education. You might be surprised at how many UQ scholarships you can apply for, whether you are a new commencing student or throughout your study journey. We have scholarships for a diverse range of focus criteria – such as academic excellence, sporting excellence, creative excellence and much more. You may be eligible for a scholarship for your specific program, study area or research focus. There are also opportunities to enhance the experience of students from specific international countries or regions. For more information, and to check your eligibility, visit: scholarships.uq.edu.au.

UQ HDR scholarships

UQ provides almost A\$40 million in scholarship funding support each year for living and tuition expenses of Higher Degree by Research (HDR) candidates.

UQ Graduate School Scholarship (UQGSS)

The UQ Graduate School Scholarship (UQGSS) is awarded from Research Training Program (Australian Government) funding and UQ funding via a competitive scholarship round twice per year. The UQGSS provides a living allowance and a tuition fee offset. For international applicants who will study in Australia on a student visa, the UQGSS also includes an allowance for single overseas student health cover.

Australian Government scholarships

Australia Awards

Australia Awards are prestigious international scholarships and fellowships funded by the Australian Government. They are administered by the Department of Foreign Affairs and Trade and offer the next generation of global leaders an opportunity to undertake study, research and professional development in Australia. The opportunities provided by Australia Awards Scholarships help participants develop the skills and knowledge to drive change and contribute to the development outcomes of their country. Benefits of the scholarship include payment of an establishment allowance, full tuition fees, return airfares, living allowance and Overseas Student Health Cover (OSHC). UQ has hosted Australian Awards-sponsored students for more than 50 years.

Destination Australia

The Department of Education awards \$15,000 scholarships per student, per year for programs undertaken at UQ's Gatton campus.

Students must commence the degree in 2024 and study full-time in a course that can be fully delivered at the Gatton campus. Students must also maintain ongoing residency in the regional area for the duration of each study period, and maintain a student visa for the duration of the scholarship.

The scholarship is renewable for each year of the program, and may be available for bachelor's, bachelor's (honours), master's or doctorate degrees.

Australian Centre for International Agricultural Research (ACIAR) Fellowships

ACIAR is Australia's specialist international agricultural research for development agency. Building capacity of individuals and agricultural research institutes in partner countries is one of ACIAR's key priorities.

ACIAR administers 2 fellowships under the Australia Awards: the John Allwright Fellowship and the John Dillon Fellowship. The John Allwright Fellowship provides the opportunity for partner country scientists involved in ACIAR-supported collaborative research projects to obtain postgraduate qualifications at Australian tertiary institutions. The John Dillon Fellowship provides career and leadership development opportunities for outstanding agricultural scientists or economists from ACIAR partner countries who are involved in a current or recently completed ACIAR project.

Up to 10 fellowships are offered annually.

Other scholarship opportunities

Many international students at UQ are funded by scholarships from their home governments or other funding bodies. For more information on these scholarships, you should contact the Ministry of Education or another appropriate government agency in your home country. Some multinational aid organisations and other large corporations also provide scholarship funding for international students. If you wish to apply for assistance, contact the organisation directly.

A UQ research scholarship opened doors for Rainie. In her second year of study, she joined the Queensland Brain Institute, a leading neuroscience research institute. For Rainie, having the opportunity to apply her learnings in a real lab alongside hundreds of other researchers marked a milestone in her study journey.

“I still can't believe how I was able to be immersed in real-world research at such a young age while getting paid to learn techniques, attend conferences and publish papers.

My advice to other students is to step out of your comfort zone and take on new opportunities as soon as possible. Once you take that first step forward, the growth will be unstoppable.”

Admission requirements

UNDERGRADUATE PROGRAMS

To be admitted into a UQ undergraduate program you must have:

- 1 completed **Queensland Year 12** (or equivalent) (see below),
- 2 attained the required minimum **entry score** (see fold-out),
- 3 passed **prerequisite subjects** (if applicable) (see fold-out),
- 4 attained the required level of **English language requirements** (see fold-out and pages 80–81), AND
- 5 completed **program-specific** application requirements (if applicable) (see fold out).

The admission requirements in this guide are for 2024 only.
Admission requirements are reviewed annually and may change without notice.
It is your responsibility to visit study.uq.edu.au for up-to-date information.

ADMISSION REQUIREMENTS

1 Complete Queensland Year 12 (or equivalent)

To be admitted into UQ's undergraduate programs, you need a qualification equivalent to Queensland Year 12. Accepted international qualifications are shown below. If your qualification is not shown, please contact UQ International Admissions (email applicationstatus@uq.edu.au).

POSTGRADUATE COURSEWORK PROGRAMS

To be admitted into a UQ postgraduate coursework program you must have:

- 1 completed a **previous qualification** and/or professional experience,
- 2 attained the required minimum **grade point average (GPA)**,
- 3 attained the required level of **English** language requirements, AND
- 4 met the other **program-specific** requirements (if applicable).

The admission requirements in this guide are for 2024 only.
Admission requirements are reviewed annually and may change without notice.
It is your responsibility to visit study.uq.edu.au for up-to-date information.

ADMISSION REQUIREMENTS

1 A complete previous qualification or professional experience

The previous study you need to have completed will depend on the program you want to study. For most programs, you'll need to have completed an approved degree equivalent to an Australian bachelor's degree. However, for some programs we'll consider other relevant experience, such as work experience.

For some programs, we'll only accept previous study in specific disciplines. This ensures you have the required level of subject area knowledge to succeed in your program.

ADMISSION REQUIREMENTS

2 Attained the minimum grade point average (GPA)

For some programs, you need to have achieved a minimum grade point average (GPA) in your previous studies. Your GPA is a measure of academic performance based on the:

- grades you received
- number of units you completed in a degree.

We use a 7-point grading scale, where a 4 is a pass and 7 is the highest grade. Different institutions use many different grading scales and methods for calculating GPAs.

When you apply, we'll calculate your GPA using the UQ grading scale. Any failing grades will be included.

If your GPA is below the minimum requirement for your preferred program, you should still consider applying. You may be eligible for an offer to a lower-level program in the same discipline.

If you are unsure of what your GPA is, use the international qualifications conversion tool on the right-hand side of your program's web page on study.uq.edu.au. Simply select your year of study, semester of commencement and where your qualification is from to see your GPA equivalent. study.uq.edu.au

ADMISSION REQUIREMENTS

3 Attained the required level of English

All students need appropriate English language skills for admission to UQ. UQ programs have either '**Minimum**' or '**Higher-than-minimum**' English language requirements.

There are many ways you may be able to meet English requirements, including previous study, English language tests and work experience.

Please see pages 80–81 for all English language requirements.

ADMISSION REQUIREMENTS

4 Meet the other program-specific requirements

Some programs require specific work experience as well as academic qualifications. Others have additional requirements such as an interview, aptitude test, referee reports or professional registration.

Check the program's admission requirements for details: study.uq.edu.au

3 Pass academic prerequisite subjects

To be admitted into most UQ undergraduate programs, you must have passed specific subjects. These are stated within each program entry under 'Academic Prerequisites' on pages 26–73. Some international secondary school subjects equivalent to those studied in Queensland Year 12 are shown below. If your school's subject equivalents are not listed, please contact UQ International Admissions (email applicationstatus@uq.edu.au). Note – if you have met UQ's English language proficiency requirements (see pages 80–81), you will be assumed to have met UQ's English academic subject prerequisite.

ADMISSION REQUIREMENTS

4 Attain the required level of English

All students need appropriate English language skills for admission to UQ. UQ programs have either 'Minimum' or 'Higher-than-minimum' English language requirements. These are listed in each program entry under 'English' on pages 80–81.

ADMISSION REQUIREMENTS

5 Complete any program-specific application requirements

Some programs require additional application requirements. The Bachelor of Music (Honours), for example, asks applicants to audition. Please carefully check each program you are interested in studying for specific application requirements. These are listed in each program entry under 'Admission Requirements' on pages 26–73 or on your program's web page on study.uq.edu.au.

Notes to 2024 minimum entry scores table (fold-out)

1 UK GCE: 'A' Levels for locations including: Bahamas, Bangladesh, Brunei, Cameroon, Falkland Islands, Gambia, Ghana, Gibraltar, Hong Kong (SAR), Ireland, Kenya, Liberia, Macau, Malawi, Malta, Mauritius, Namibia, Nigeria, Seychelles, Sierra Leone, Tanzania, Uganda, United Kingdom, Zambia and Zimbabwe. Aggregate of best 3 (or 2) A Level subjects or a combination of A and AS Level subjects equivalent to 3 (or 2) A Level subjects. A*=6, A=5, B=4, C=3, D=2, E=1 and AS Levels count for half of these scores.

2 International Baccalaureate Diploma.

3 Canada: OSSD: grade average of best 6 University (U, 4U) and/or University/College (U/C, 4M) courses; Alberta High School Diploma: Grade average of best 5 Level 30 Provincial Diploma Exams; British Columbia Senior Secondary School Graduation Diploma: grade average using the Language Arts 12 subject (provincially examined if prior to 2020) plus 3 Grade 12 subjects with 4 credit points. The following minimum entry scores are also accepted: Manitoba: grade average of best 5 grade 12 subjects; New Brunswick: grade average of best 5 grade 12 subjects; Newfoundland and Labrador: grade average of best 5 grade 12 results; Nova Scotia: grade average of best 5 grade 12 subjects - level 3 (grade 12) or 4 (advanced placement) subjects; Prince Edward Island: grade average of best 5 grade 12 subjects. Enriched/Advanced or Academic subjects only; Saskatchewan: grade average of best 5 grade 12 results, level 30 subjects and advanced subjects.

4 Chinese Gaokao: cut off scores are converted into a percentage.

5 Danish Studentereksamen: grade average of final year results, converted to a 13 point scale if otherwise reported. From 2007 a new grading system ranging from 00 (lowest) to 12 (highest) with a pass at 2 has been introduced.

6 French Baccalauréat: average, with 10 as the pass mark.

7 German Abitur: in the reformed upper secondary level (oberstufe), the Durchschnittsnote = $5 \frac{2}{3} - P/180$ where P = Punktzahl der Gesamtqualifikation. If P is greater than 840, Durchschnittsnote = 1.1 (sehr gut), 2 (gut), 3 (befriedigend), 4 (ausreichend).

8 HKDSE: combined total of the best 5 subjects

(Category A, B or C), where 5*, 5** = 6, 5=5, 4=4, 3=3, 2=2=, 1=1; A*=6, A=5, B=4, C=3, D=2, E=1, Attained with Distinction = 3, Attained = 1.

9 India: grade average in best 4 subjects (converted to a percentage scale where 35% = Pass if otherwise reported).

10 Kenyan Certificate of Secondary Education: Grade Average of best 8 subjects where A=12, A- =11, B+=10, B=9, B- =8, C+=7, C=6, C- =5, D+=4, D=3, D- =2, E=1.

11 Korean (Republic of) CSAT: achieve the minimum CSAT entry score for the relevant program and successfully complete the Republic of Korea high school diploma. CSAT score must include the following subjects: Korean Language, Mathematics (either stream), and the best of 2 social science or science subjects or a combination of both.

12 Malaysian STPM / Malaysian Matrikulasi: aggregate of best 3 subjects, where A=4.00, A-=3.67, B+=3.33, B=3.00, B-=2.67, C+=2.33, C=2.00.

13 Malaysian UEC (Independent Chinese Secondary Schools Unified Examination Certificate): an aggregate score of the 5 best UEC academic subjects, excluding vocational subjects.

14 Norway Upper Secondary School Exams: grade average of final year results. Norwegian Certificate of Completion of Upper Secondary School Examinations or Comparable Qualification.

15 Pakistan Inter/Higher School Certificate (pre-Eng and pre-Med streams): grade average of final year results. Pass = 33% (E), Satisfactory = 40% (D), Good = 50% (C), Very Good = 60% (B), Excellent = 70% (A), Outstanding = 80% (A-1).

16 Singapore A Levels: aggregate of best 3 H2 subjects and the best H1 subject. For H2 subjects, A=5, B=4, C=3, D=2, E=1. For H1 subjects, the notional value is half of that assigned to H2 subjects.

17 South Africa National Senior Certificate (since 2008): Grade average of best 5 subjects in the final year (excluding the subject Life Orientation and Mathematics (Third Paper)), where 7=80–100%, 6=70–79%, 5=60–69%, 4=50–59%, 3=40–49%, 2=30–39%, 1=0–29%.

18 Sri Lankan A Levels: grade average of best 3 A Level subjects where A=4, B=3, C=2, S=1. Results in

the Common General Test, General English Paper, Group Project or Individual Project are not used in the calculation of the grade average.

19 Swedish Secondary School Leaving Certificate: grade average of final year results, where A=5, B=4, C=3, D=2, E=1, F=0.

20 USA Composite SAT-I (since March 2016): Total of SAT-I: Evidence-Based Reading and Writing and SAT-I: Mathematics. Students must also provide evidence of completion of the equivalent of Year 12 secondary studies from an accepted High School Diploma.

21 USA Composite ACT Score 36 scale: Students must also provide evidence of completion of the equivalent of Year 12 secondary studies from an accepted High School Diploma.

22 USA Advanced Placement (AP) Examinations: AP must be issued by The College Board Advancement Placement Program. AP grades reported as part of the high school academic record are insufficient. A minimum of 2 and a maximum of 4 APs may be used. Aggregate to be determined where: A=5, B=4, C=3 (Pass), D=2, E=1. Where more than 4 AP exams, the best 4 are used. Students must also provide evidence of completion of the equivalent of Year 12 secondary studies from an accepted High School Diploma.

23 Vietnamese Upper Secondary School Graduation Diploma/High School Diploma GPA 10pt: grade average of final year results.

* These programs have quota restrictions and entry is very competitive: the figures quoted are a guide only and applications will be assessed on a case-by-case basis.

** Medicine - students must have taken the University Clinical Aptitude Test for Australia and New Zealand (UCAT ANZ) in the year of application. Invitation to interview will be based on the UCAT ANZ score. Entry is competitive based on ATAR (or equivalent), UCAT ANZ and interview scores.

*** Music (Honours) - entry on the basis of specified requirements, an audition, interview and musicianship test.

Visit study.uq.edu.au for up-to-date information on UQ programs and courses.

English proficiency requirements

UQ programs have either **‘Minimum’** or **‘Higher-than-minimum’** English language requirements.

The 3 most common ways to meet our English requirements are:

- a recognised qualification
- previous secondary schooling or post-secondary study, or
- English language tests.

‘Minimum’ English programs

Recognised qualification: If you have obtained a recognised qualification, score or test (and satisfied relevant conditions) listed in the following table, you will likely meet UQ’s English language proficiency requirements:

LOCATION	QUALIFICATION	CONDITIONS
International	General Certificate of Education (GCE) / General Certificate of Secondary Education (GCSE) O level	A grade C or better in English Language, English Literature, or English as a Second Language

Results are valid for 5 years from the date of the qualification being granted to the commencement date at UQ, except for locations marked with [^]. Comprehensive information about UQ’s English language proficiency requirements is available online in the UQ Policy and Procedures Library: ppl.app.uq.edu.au/content/3.40.14-english-language-proficiency-admission **NOTE:** It is assumed that the applicant will have completed the entire school qualification, where applicable.

or

Previous secondary schooling or post-secondary study: If you have completed senior secondary schooling in a designated location where the medium of instruction is English, or have successfully undertaken at least one year of full-time (or part-time equivalent) post-secondary study (at diploma level or higher) in a designated location from an accredited university or institution where the medium of instruction and assessment was English, you may meet UQ’s English language proficiency requirements:

DESIGNATED LOCATIONS
American Samoa, Australia, Bahamas, Barbados, Botswana, Bermuda, Canada, Cook Islands, Falkland Islands, Fiji, Gibraltar, Ghana, Grenada, Guyana, Ireland, Jamaica, Kenya, Lesotho, Liberia, Nauru, New Zealand, Nigeria, Papua New Guinea, Samoa, Singapore, Solomon Islands, South Africa, Trinidad and Tobago, UK, USA, Zambia, Zimbabwe

or

English language tests: You can undertake one of the following English language tests to determine if you satisfy UQ's English language proficiency requirements:

IELTS	TOEFL (INTERNET-BASED)	TOEFL (PAPER-BASED)	PEARSON	CAMBRIDGE ENGLISH SCALE	BRIDGING ENGLISH (BE)*
Overall: 6.5 Reading: 6, Writing: 6, Speaking: 6, Listening: 6	Overall: 87 Reading: 19, Writing: 21, Speaking: 19, Listening: 19	Overall: 570 Reading: 54, Listening: 54, Test of Written English: 5, Structure and Written Expression: 59	Overall: 64 Reading: 60, Writing: 60, Speaking: 60, Listening: 60	A Cambridge English Scale (CES) score of 176 Reading: 169, Writing: 169, Speaking: 169, Listening: 169	Overall: 4 Reading: C, Writing: C, Speaking: C, Listening: C

NOTE: Test scores are valid for 2 years from the date of the test to the commencement date at UQ.

*BE is UQ's English language pathway course delivered by UQ College. See pages 21–25 for more information.

More ways to meet UQ's English requirements

UQ also recognises acceptable evidence of sufficient English language skills developed through paid and/or voluntary work experience in a primarily English-speaking professional environment for at least 3 years immediately before the start of your UQ studies. Listed scores are subject to change; check individual program entries at study.uq.edu.au for the most up-to-date details.

'Higher-than-minimum' English programs

English language tests: To gain entry into UQ programs requiring 'Higher-than-minimum' English, you will need either the IELTS* English test score listed below, or an equivalent test score** where this is accepted:

Note – at the time of publication, equivalent tests are not accepted for Teaching (Primary) and (Secondary) and are restricted for most other programs.

This section is only to be used as a guide and does not guarantee that you will meet UQ's English language proficiency requirements. Each application is assessed on an individual basis. For more information about UQ's English language proficiency requirements visit: study.uq.edu.au/admissions/english-language-requirements

If you meet your preferred program's academic requirements but NOT the English language proficiency requirements, you may apply for a UQ College language pathway course. For more information see pages 21–25.

How to apply

STEP

1

Choose your program

- Find the program you wish to study in the Programs section on pages 26–73.
- Check you meet (or will meet) all admission requirements on pages 78–79.
- Check the application deadline has not passed.
- Check if there's a specific application process to follow for your program.

STEP

2

Create an account

- Go to UQ's online application portal and create an account: apply.uq.edu.au.

STEP

3

Complete your application

- Complete all details requested in the online application detailing all courses you have taken and qualifications you have been awarded from institutions other than UQ, even if you think they are not relevant to your application.
TIP: You can save an incomplete form and return later.
- Attach all required documentation as per the program admission requirements and any additional information requests. You must provide complete academic transcripts and/or testamurs of any previous tertiary studies (if you have not yet completed your studies please provide a current transcript). A copy of your passport (in colour if possible) and official evidence of any name differences on your transcripts/awards is also necessary.
- If you want to apply for an English language pathway package, you can indicate this during the application process.
- In addition, you may be asked to complete and submit a Genuine Temporary Entrant (GTE) Assessment and provide a GTE Agent Checklist (if working with an agent).

STEP

4

Submit your application

- Online: a non-refundable A\$100 application fee will be charged when submitting your application online. After submission, you can check the status of your application through your account.
- If you are unable to access the online application portal, please email applicationstatus@uq.edu.au to request an application form. A non-refundable A\$150 application fee is payable for an email submission of an application.
- In person or by mail: If you are unable to email your application, you can submit it in person or by mail to: Future Students, Level 2, JD Story Building, St Lucia, The University of Queensland Brisbane, Queensland 4072 Australia. A non-refundable A\$150 fee applies for applications that are not submitted online.
- Your application will be assessed by UQ International Admissions. They will inform you of the outcome.

International student definition

You are an international student if you are:

- not a citizen of Australia or New Zealand, or
- not an Australian Permanent Resident, or
- a Temporary Resident (visa status) of Australia.

You are not an international student if you are:

- an Australian citizen
- an Australian Permanent Resident (visa status)
- a New Zealand citizen, or
- a holder of an Australian permanent humanitarian visa.

Permanent residency

If you have been offered a place as an international student and become an Australian permanent resident before starting your first semester of study, you will not be able to retain that place and you must apply as a domestic fee-paying student.

Most postgraduate students must apply to change their fee status as soon as confirmation is received about their new residency, visa or citizenship status. All undergraduate students must apply for a Commonwealth Supported Place (CSP) through the Queensland Tertiary Admissions Centre (QTAC).

Credit transfer and exemption for previous studies

Credit for previous studies

If you have completed study elsewhere and have taken courses that are the same, or similar (in terms of level, standard and content) to your UQ program, you may be eligible for credit transfer. In some instances, this will reduce the amount of time it will take to complete your UQ program. UQ recognises formal studies and recognised informal learning. You can see if your prior studies qualify through our database.

creditprecedents.app.uq.edu.au

Exemption for previous studies

If you have undertaken some prior formal or informal learning you may not have to complete some courses in your program. You will still have to complete the usual total number of units to graduate.

study.uq.edu.au/admissions/postgraduate-coursework/check-credit-eligibility

IB students

If you achieve specified grades in your IB, you may be offered up to 8 units of specified or unspecified credit for selected bachelor's level courses. Exemptions are also available for some IB subjects. You can apply for credit and/or exemption once you have accepted an offer and enrolled at UQ. For information on the minimum grades needed to obtain credit, and to download an application form visit:

study.uq.edu.au/admissions/undergraduate/check-credit-eligibility

Visas

All international students applying to study in Australia must have a student visa unless they have an alternative visa that enables them to study. If you are granted a student visa, you must comply with all student visa conditions. For all visa enquiries and applications, please contact your local Australian Embassy, High Commission or Diplomatic Mission.

Applications

Closing dates

It is recommended that you submit your application no later than the dates below to ensure you have enough time to apply for a student visa. Please note that some UQ programs have earlier closing dates. See program listing for details.

Semester 1 30 November of previous year

Semester 2 31 May of same year

Assessment

Applicants are assessed on a case-by-case basis. For some quota programs, meeting the minimum entry requirements does not guarantee acceptance. Applicants who do not meet academic entry requirements may wish to consider taking a Foundation Program offered by UQ College (see page 25).

Your application status

You can view the status of your application through the online application portal.

Documentation required

Academic

- Certified copies of up-to-date transcripts and award certificates.
- Grading scales will also be needed for any tertiary studies.
- Certified official translations for documents in languages other than English.

English

To demonstrate your English language proficiency, you must provide relevant academic transcripts and award certificates with your application. Specific arrangements apply to IELTS, TOEFL and Pearson Test of English (PTE) Academic.

study.uq.edu.au/admissions/english-language-requirements

Waiting on documents?

You may be eligible for a conditional offer if you are still waiting for transcripts or final results. Submit your application with evidence of English language proficiency (unless you intend to sit a test), and any results you have so far. You can provide outstanding documents to your online application portal as soon as you receive them.

Deferrals, suspensions and cancellations

If you have an offer and wish to defer (i.e. delay commencing to a future semester), please contact the International Admissions office before the commencement date stated on your offer. If you have already received your UQ Confirmation of Enrolment (CoE), a deferral will only be permitted if there are 'compassionate or compelling grounds'. If a deferral is not approved, you may still delay commencing, but your CoE will be cancelled. The University can suspend or cancel your enrolment for a number of reasons including misbehaviour, poor academic standing and unsatisfactory academic progress. Please note that any deferrals, suspensions or cancellations may affect a student visa or visa application.

Students under 18 years of age

UQ offers a Supervision Program that approves the accommodation, support and general welfare of international students under 18 years of age. This program is compulsory for international students who:

- are under 18 years of age when they enter Australia and commence their program at UQ
- are under 18 and are not living with a parent, legal custodian or suitable relative approved by the Department of Home Affairs
- need their accommodation and welfare arrangements approved to meet the Department of Home Affairs' student visa requirements.

SETTLING IN

Getting started

Make your transition to UQ a smooth one by attending one of our Getting Started sessions either when you arrive or during O-Week.

Attendance is compulsory for all international students. In the session, you find out: how to enrol, register for classes, get your student ID card and key UQ dates and terminology. We also tell you about what services and facilities are on campus, how to register for public transport student discounts, and what your best options are for getting to and from UQ.

Accommodation

Accommodation for every journey

Beyond your books and classes, where you choose to live is also part of the learning journey.

Whether you want to experience UQ living on campus or in accommodation outside of university, we're here to help curious minds feel right at home.

On-campus living

Welcome to a truly immersive university experience. Join us on campus and connect to a community that centres around you and your education.

UQ residential colleges

Make lifelong friendships in a welcoming student community. Our 10 residential colleges provide a place where you can make memories and connections that stay with you long after graduation:

- Cromwell College
- Duchesne College
- Emmanuel College
- Grace College
- International House
- King's College
- St John's College
- St Leo's College
- The Women's College
- Union College.

Living in a UQ college also means access to:

- a welcoming, collegial community
- 24/7 onsite staff support and pastoral care
- well-established academic communities and alumni networks
- inter-college sporting, cultural, community and social activities
- outstanding leadership, career mentoring and wellbeing programs.

With their unique and historical connection to the University, UQ colleges have an ideal on-campus home for everyone.

Gatton Halls of Residence

If you are studying at Gatton, stay in the Gatton Halls of Residence. The Halls have provided our students with a home since 1897. With 436 rooms, there's a place for you at Gatton.

Kev Carmody House

Kev Carmody House is UQ's brand new student residence exclusively for UQ students.

Located in the heart of our St Lucia campus, Kev Carmody House has the convenience of being just minutes away from classes, and features:

- 610 light-filled and spacious one-bedroom rooms with ensuites
- a wide range of social areas to cook and catch up with new friends
- world-class facilities and a stunning rooftop pool deck
- an engaging student life program.

More than a place to study, Kev Carmody House is a place where you can belong and thrive in a vibrant community to call your own.

UQ Res Homes – St Lucia and Gatton

UQ Res Homes are for eligible students and families seeking accommodation on and around St Lucia and Gatton campuses. Rooms are available in 3, 4 or 5-bedroom houses. Properties are limited and priority access is given to students in need, including those who have recently arrived from overseas.

Off-campus living

From city living to suburban share houses, you'll find a place to stay in no time.

Purpose-built student living

Join students from universities all across Brisbane at one of our recommended student accommodation providers. A variety of studio, single-bedroom and twin share options is available.

Private housing

Would you like to branch out from the uni community? You might like to share a house or apartment with other people. Brisbane's rental market features everything from low-cost share houses to high-rise apartments, while Gatton offers a range of affordable share houses. To find a room, apartment or house, first check our UQ Rentals database. There are also private rental accommodation websites and you can rent directly from real estate agents.

UQ Accommodation team

Our UQ Accommodation team can help you find your ideal home. The team offers free information sessions before classes start, and can also give you advice, check documentation for you, and direct you to useful material online.

Airport pick up

If you are a new international student to UQ, we'll provide you with free transportation from Brisbane's domestic or international airports. Just make sure you book 3 business days in advance.

Cost of living

Brisbane is an affordable city offering a lower cost of living than Sydney, Melbourne, Perth and Canberra*.

To make the most of your time in Australia, we recommend you plan and budget for your study and holiday time.

*studentcities.com.au

Yearly costs

How much it will cost you to live in Brisbane will depend partly on your lifestyle preferences. For example, if you live in a share house off-campus, your yearly budget will be in the range of \$12,960 – \$33,060.

In addition to this amount, you'll also need to consider establishment costs such as buying furniture, paying a rental bond and setting up electricity, gas and mobile phone accounts, as well as other expenses such as visa and medical fees, tuition fees, return airfares, and Overseas Student Health Cover (OSHC). Remember that exchange rate variations may also affect your budget.

Monthly expenses

The table below estimates monthly expenses for studying at UQ. These estimates are a guide only and prices vary according to your lifestyle. UQ tuition fees, textbooks and study materials, clothing, entertainment, printing, and healthcare costs are in addition to the figures below.

Working while studying

If you have a student visa you can work up to 48 hours per fortnight (2-week period) during university semesters (effective 1 July 2023), and full-time hours during holidays. In general, students shouldn't expect to cover tuition fees or living expenses with a casual job.

If you're studying at UQ on a scholarship, you should contact your scholarship provider about how many hours you're permitted to work each week.

Visa information

When applying for a student visa, you must meet the Genuine Temporary Entrant criteria (immi.homeaffairs.gov.au/visas/getting-a-visa/visa-listing/student-500/genuine-temporary-entrant) and have sufficient funds to pay your tuition fees and living costs (including the living costs of any dependants, if applicable) for the duration of your studies. study.uq.edu.au/university-life/getting-prepared-to-come-to-australia/student-visas

Bringing your family

To apply for a student visa in Australia, you need to declare that you have access to sufficient funds to pay your tuition fees and to support yourself and any dependants who are coming with you. This declaration is part of the UQ acceptance process. For children, you will also have to factor in school fees and childcare costs.

eqi.com.au/study-options/fees

If you're bringing a spouse and/or children, they will need dependant visas.

Fees and expenses

As an international student, you will pay tuition and non-tuition fees. Some programs have additional costs; see individual program listings for details.

Tuition fees

Tuition fees vary according to program. We have provided the 2024 first year tuition fee and the indicative total tuition fee for each program on pages 16–19 as a guide. These amounts are based on a standard full-time study load, unless otherwise indicated.

UQ has program-based tuition fees for coursework award programs, meaning that all courses within a program are charged at the same tuition fee rate per unit for a given academic year. Some programs also have additional costs. Tuition fees are reviewed annually.

Visit your program's web page on study.uq.edu.au for the latest information about tuition fees.

Non-tuition fees

Non-tuition fees paid to the University may include the student services and amenities fee, books and equipment, health insurance, administration and accommodation. Other non-tuition fees include assistance to apply for or hold a student visa.

Student Services and Amenities Fee (SSAF)

The SSAF is charged each semester for the provision of non-academic services. In 2023, the annual SSAF was capped at \$326.

my.uq.edu.au/information-and-services/manage-my-program/fees-payments-and-refunds/student-services-and-amenities-fee

Health insurance

If you'll be coming to Australia on a student visa, you'll need to purchase and maintain Overseas Student Health Cover (OSHC) as one of the conditions of your visa. This is an insurance policy that covers you for basic medical and hospital care and is required from the day you arrive in Australia until you leave. UQ's preferred OSHC provider is Allianz Care. UQ can organise your OSHC with Allianz when you accept your UQ offer and pay your tuition fee deposit.

Alternatively, you can obtain your own OSHC from a government-approved OSHC provider.

Financial aid

We can help students from North America, as well as some countries in Europe and Latin America, apply for student loan programs that are offered in their home countries. These loans can help you cover a portion of your educational expenses while studying full-time at UQ.

study.uq.edu.au/admissions/financial-aid-international-students

Refunds

If you cancel your enrolment before census date fees can be refunded in full, unless you are a commencing student. For commencing students an administrative charge applies for late cancellation of enrolment. After census date, refunds are only made in limited circumstances. See the Student Fees Policy and Student Refund procedures for details.

A truly global network

As an international student, you know the importance of thinking and acting globally. At UQ, so do we.

Our worldwide partner and alumni networks give you the international opportunities and connections to enhance your learning, life skills and employment prospects from the start of your degree to long after you graduate.

Global exchange experiences

As a UQ student, Brisbane or Gatton is just the first stop on your overseas adventure. Grow your global network through UQ's student exchange program by studying up to 2 semesters of your degree at one of our 130 partner institutions in 30+ countries.

You'll gain program credit while expanding your world perspective, enhancing your employability, developing your network, and maybe even learning a new language. While on exchange, tuition fees at the host university are waived as you remain enrolled at and pay fees to UQ. Please visit this web page to see UQ's outgoing exchange partners.

Incoming exchange and study abroad

Even if you're partway through a degree at a non-Australian university, with our incoming exchange and study abroad programs you can still study at UQ for one or 2 semesters and gain credit for your degree back home. If your university has an exchange agreement with UQ, you are eligible for the Incoming Exchange program. If your university is not partnered with UQ, you can apply to UQ as a Study Abroad student.

For a full list of our global incoming exchange and study abroad partners, visit:

Unlock new languages

In a global economy, the ability to communicate with a wide range of people is invaluable. Want to brush up on your language skills? Language classes are offered to students and the public at our Institute of Modern Languages where you can choose from more than 25 different languages other than English.

Short-term experiences

While studying at UQ, you can participate in short-term global and virtual study experiences scheduled during the semester breaks. You can immerse yourself in a new culture for 2 to 8 weeks to enhance your academic learning and employability. If you're looking at expanding your practical skill set through short-term experiences, opportunities for domestic, virtual, and global internships are available.

Relationships changing the world

Global connectivity is at the heart of UQ's vision to create knowledge leadership for a better world. From renewable energy technologies and sustainable mining practices, to disease control and child psychology, our international collaborations are working towards a cleaner, healthier and happier future. Explore our impact around the world.

global-partnerships.uq.edu.au

UQ partners

UQ has links worldwide and is also a proud member of the prestigious Group of Eight and Universitas 21 networks.

UQ's strategic partnership network

UQ has a strategic partnership network across more than 50 international locations, which includes leading organisations and institutions across higher education, research, industry, government, sponsorship and philanthropy.

As a key component of UQ's broader Global Strategy, UQ seeks to ensure a cohesive and coordinated approach to collaboration with international partners. UQ partners for global impact by building meaningful relationships worldwide and leveraging our strategic global presence. UQ's global connectedness has a multitude of beneficiaries, leading to research outcomes, products and services that have real impacts on people around the world.

UQ is also a member of a number of global networks that enhance the opportunities for collaboration for our staff and students, including: Universitas 21, a select international network of comprehensive, research-intensive universities; edX, the world's leading consortium of Massive Open Online Courses (MOOCs); and the McDonnell International Scholars Academy, a select group of research universities that aims to develop future leaders and promote global awareness and social responsibility.

UQ also has a number of arrangements with international institutions to facilitate the progression of students from those institutions to UQ through credit transfer.

UQ terminology

Alumni

All UQ graduates are considered UQ alumni.

Assessment

Assessment is completed as part of your course. It can come in the form of assignments, examinations, oral reports, debates, projects, research summaries and laboratory practical reports.

Bachelor's degree

A qualification awarded for the first level of study undertaken at university, typically requiring 3 to 5 years of study.

Blue card

An identification card issued under the *Commission for Children and Young People and Child Guardian Act 2000* that you need in order to work with children in Queensland, whether as a paid employee or volunteer. You can apply for one through the UQ School administering your program. Blue card applicants undergo a complete national criminal history check.

Campus

The location where a program is delivered. Some programs are taught at locations other than UQ St Lucia or at more than one campus.

Census date

The last date to cancel enrolment in a course without incurring financial liability. Census dates are 31 March for Semester 1, 31 August for Semester 2 and 18 December for Summer Semester (although this may change). Intensive study periods have individual census dates that change each year according to the start date of the study period.

Compulsory courses

Courses that must be studied to complete the requirements of a program.

Confirmation of Enrolment (CoE)

A CoE is issued when you accept a place at the University and pay your deposit and Overseas Student Health Cover (OSHC), if applicable, and you need to apply for a student visa. A CoE will only be issued for a quota program if there is still a place available at the time you accept and pay your deposit / OSHC.

Course

A discrete component of study within a program for which a grade is given.

Course profile

A course profile gives you key information about a course, including the course aims and learning objectives, required textbooks, learning activities, assessment information and due dates, and other important information.

Coursework program

A program where the assessable content by research represents less than two-thirds of the total assessable content for the program. Bachelor's degrees, associate degrees and postgraduate coursework programs are all categorised as coursework programs.

Commencement

Semester 1 in Australia generally begins in late February, and Semester 2 in late July, but some programs may start earlier. Check each program for details.

Credit

1. Students receive credit towards a degree when they pass a course that is part of the program requirements.
2. Students changing programs within UQ or from another university may apply for credit (a value assigned for study completed in one program) towards the new program. See *Credit transfer*.

Credit transfer (or transfer credit)

Credit transfer may be granted when students change from one program to another, if the rules of the new program allow. Check with the administering faculty.

CRICOS code

The Commonwealth Register of Institutions and Courses for Overseas Students (CRICOS) code indicates a registered program offered to international students studying in Australia on a student visa.

Domestic student

A student who is an Australian citizen or Australian permanent resident, or a New Zealand citizen.

Dual program

Two UQ degree programs undertaken at the same time, under a single set of program requirements. The duration of a dual degree is shorter than taking each degree one after the other.

Duration

The length of time taken to complete a program, expressed in terms of a standard full-time study load.

Elective

A course that you may choose from a set of options. Some UQ programs allow elective courses to be taken from outside the main focus of the program or from other UQ programs.

Entry score

The entry requirement for a particular undergraduate program from a specific high school qualification.

External student

External students study online and do not attend any on-campus classes, although attendance at residential schools may be required in some programs. Material is dispatched by mail or via the web. International students can only study external programs offshore.

Faculty

The major organisational units within UQ, with responsibility for academic programs. Faculties may have a number of sub-faculty academic units called 'schools'. There are 6 faculties: Business, Economics and Law; Engineering, Architecture and Information Technology; Health and Behavioural Sciences; Humanities and Social Sciences; Medicine; and Science.

Field of study

A field of study is a prescribed combination of courses in a postgraduate coursework program having a value of at least 8 units or in a one-year bachelor's (honours) program having a value of 16 units.

Full-time (F/T)

75 per cent or more (6 units) of the standard full-time study load (8 units) per semester for most programs. As an international student in Australia, you must complete your program within the specified duration. To do this, you would need to enrol in 8 units per semester.

Grade point average (GPA)

A statistic calculated on grades received and the number of units completed, indicating your performance in your studies.

Higher degree by research (HDR)

A postgraduate program where the assessable content by research represents more than two-thirds of the total assessable content. At UQ, HDR programs include the Doctor of Philosophy (PhD), Master of Philosophy (MPhil) and professional doctorates.

Honours

At UQ, honours may be awarded as an additional one-year of study following completion of a bachelor's degree or as a 4-year bachelor's (honours) degree. Some undergraduate programs allow eligible students to transfer to a bachelor's (honours) degree at a defined point in the bachelor's degree.

IELTS

International English Language Testing System.

Immunisation

For some Health, Behavioural Sciences and Medicine programs, you must provide proof of immunisation against certain diseases, including Hepatitis B. See habs.uq.edu.au/placement-ready/immunisations.

Intensive

A flexible delivery study mode where you attend on campus for short periods only (typically 1–2 weeks).

Internal student

A student who attends classes (lectures, tutorials and practicals) on-campus during semester.

International applicant / student

An 'international' applicant or student is not an Australian citizen or Australian permanent resident, nor a New Zealand citizen, and is intending to enrol (applicant) / is enrolled (student) with a higher education provider in Australia.

Orientation (O-Week)

A compulsory program of activities and information sessions to introduce new students to the University and to assist the transition to tertiary study.

Part-time (P/T)

Part-time study is less than 75 per cent of the standard full-time study load (i.e. less than 6 units per semester for most programs).

Placement

Also called work placement, internship, industry study, clinical practice, practicum, fieldwork, clinical placement, practical work, teaching practice or industry experience. This is a period of practical, work-related experience designed to enable you to practise professional skills in a real-life setting, usually at an organisation external to the University.

Postgraduate coursework programs

Postgraduate coursework programs involve at least two-thirds of coursework. Study options include a graduate certificate, graduate diploma, coursework master's, and professional doctorate.

Prerequisites

Prerequisites are minimum entry requirements for admission to a program. They are intended to ensure that everyone entering a program has studied and achieved an appropriate level of knowledge in subject areas necessary to undertake the program successfully. Applicants who satisfy the prerequisite requirements are then eligible to compete for a place on the basis of the selection rank allocated to their qualifications.

Program

A sequence of study leading to the award of a qualification such as a degree, diploma, certificate or higher degree by research.

Quota program

Some programs have limited places available. The quota is the number of places that are available. For international students, the issuing of a Confirmation of Enrolment (CoE) for a quota program confirms that you have a place in that program.

School

At UQ, a school is a sub-division of a faculty – in other words, a faculty is a collection of schools. The school that teaches a course is listed on each course's electronic course profile (ECP) as the 'Coordinating Unit'.

Semester

The University teaching year is divided into 3 semesters: Semester 1, Semester 2 and Summer Semester. Most programs only require you to be enrolled in Semesters 1 and 2 each year.

Specialisation

A specialisation is at least 32 units of a prescribed combination of courses with a particular disciplinary focus, within an undergraduate program.

Study areas

Discipline-focused sets of courses that can be studied within a degree program and may include majors, minors and specialisations.

Teaching methods

At UQ we use a range of teaching methods, including lectures, tutorials, laboratory practicals, fieldwork, group discussions, and online modules and workshops. You will be required to complete assignments and examinations, and undertake independent study. Debate in classrooms is strongly encouraged.

Teaching spaces

Ranging from large, tiered lecture theatres to small tutorial rooms and specialised laboratories, we offer flexible spaces for group work, teaching and printing. All UQ lecture theatres and most tutorial rooms have Echo 360 installed so that teaching sessions can be recorded and accessed online.

Tertiary pathway

If you are not offered a place in your preferred program, you can accept an offer in a program with lower entry requirements, improve your entry score after completing your first year of full-time study, and then apply to change into your preferred program.

Units

Units (#) represent the value of individual courses that contribute to the total unit requirement of an academic program. Most courses at UQ are worth 2 units and a standard study load is 8 units per semester.
