We acknowledge the Palawa/Pakana people of lutruwita (Tasmania) and the Gadigal people of Sydney, the traditional owners and custodians of the land upon which we live and work. We pay respects to Elders past and present as the knowledge holders and sharers. We honour their strong culture and knowledge as vital to the self-determination, wellbeing, and strength of their communities. We stand for a future that profoundly respects and acknowledges Aboriginal perspectives, culture, language, and history.

📍 Students at the pinnacle, kunanyi/Mt Wellington.

Study with us

#1 in climate action globally

THE TIMES HIGHER EDUCATION IMPACT RANKINGS 2022

Whether you're just starting out, or you're ready to take the next step in your pursuit of knowledge, there's no place quite like Tasmania.

As a university that has a long history of welcoming international students, we understand you will play an important role in shaping our university community and the broader Tasmanian community when you join us in Tasmania.

Here, you won't just get hands-on learning and a great lifestyle. You'll immerse yourself in one of the world's most spectacular natural environments.

Framed by charming cities, beaches, snowfields and wilderness, Tasmania is a place where you can hear yourself think and learn beyond the classroom.

As a student, our whole island is your campus. Many of our courses let you take your studies into Tasmania's great outdoors – on field trips, through work placements, and through our sustainability program.

These real-world experiences make you more employable, while also giving you the chance to engage with our welcoming community. Plus, you'll have a distinctive and unforgettable Australian experience.

We are ranked in the Top 350 universities in the world with a wide range of courses and a mission to offer world class teaching and research to all students.

Ranked 1st by Times Higher Education Impact Rankings 2022

Certified as a carbon neutral organisation by Climate Active

Winner of the 2021 Green Gown Awards Australasia for Sustainability Institution of the Year

Winner of the 2022 International Green Gown Awards for Student Engagement

The first STARS accredited institution in Australasia, achieving a Gold rating in 2022

Learn more at utas.edu.au/study/sustainability

Your journey starts here

Tasmania is filled with creativity, industry, nature, and adventure. It's a great place to follow your passions and start doing what you love. Because we're the only university in the state, you get close access to the people and industries that are shaping our island.

We've gained international recognition for our teaching and research excellence. No matter what you want to study, you'll learn alongside the very best as you hone your skills for a successful career. Plus, our committed staff will give you the close attention and support to succeed.

Our whole island is your campus

When you're in one of the world's most amazing places, you need to get outside, explore and live while you learn. Whatever you're passionate about, we'll give you a hands-on education and an unforgettable adventure.

In the Natural and Social Sciences, our island becomes your living laboratory. In Health, you'll travel the state and apply your learning to real-life scenarios. In Engineering and Design, you'll access cutting-edge facilities and technology.

Our courses also put you alongside key decision makers in government, industry, and the community. You'll help yourself and future generations to create a better tomorrow. You'll also find yourself at the heart of a creative revolution. Working on real briefs and projects, you'll connect and collaborate with the acclaimed artists, performers, and creatives that are drawn here.

Generous scholarships

We offer a great range of scholarships for international students. These can reward you for academic merit, provide English language support, and give you tuition fee discounts. Read more about our scholarships on page 23.

Where study meets sustainability

By choosing to study with us, you'll become part of the world's leading university on climate action.¹ Working together, we became certified carbon neutral in 2016² and have since divested from fossil fuels, joined the global Race to Zero, and committed to reducing our emissions by at least 50% by 2030.

Our understanding of sustainability goes beyond the climate emergency alone. Having adopted the United Nations Sustainable Development Goals, we're also committed to improving socio-cultural, economic, and environmental outcomes in Tasmania and beyond. Recognised as Australasia's Sustainability Institution of the Year in 2021³, we see sustainability as an opportunity across everything we do and are passionate about the role you can play as a student.

Our award-winning Sustainability Integration Program for Students (SIPS) lets you apply your study to real-world sustainability challenges and be paid, or gain course credit, for your work. It's just one way that you can get involved, no matter what you study.

² Certified Carbon Neutral Organisation by Climate Active.

³ Green Gown Awards Australasia 2021.

A great student lifestyle

Tasmania offers an authentic Australian experience with a more relaxed lifestyle. Each campus puts you in the heart of our cities and amongst a creative, diverse, and welcoming community.

You'll immerse yourself in an English-speaking environment and a truly unique location. Here, you can experience world-renowned cultural festivals as well as pristine World Heritage Wilderness – all within a day. Studying with us, you'll also become part of a friendly and inspiring community.

This will provide you with valuable opportunities to develop lasting friendships, employment opportunities, and great English language experience – all guaranteeing a rewarding study experience.

Tasmania: The perfect destination

Tasman Bridge, Hobart.

Tasmania is Australia's only island state. It's the country's southernmost state and the gateway to Antarctica. Our island is famous for its pure air, clear skies, and stunning natural beauty.

Home to the famous Tasmanian Devil, we are affectionately referred to as 'Tassie' by the locals. With 45% of our island being National Park or World Heritage listed, Tassie is the perfect mix of land meets sea. You can fly here in less than an hour from Melbourne on mainland Australia.

Here, rugged mountain ranges and ancient forests spill out onto pristine beaches. Our island boasts summer rock concerts, the biggest winter festival in Australia, and a unique art and cafe scene. Tasmania was named by National Geographic as one of the top 25 trips to take in 2020.

Not only do we have some of the world's cleanest air and water, we also have more artists and marine scientists per capita than any other state. As the only university in Tasmania, we have a strong set of course offerings. Studying with us, you'll learn alongside our unique people and places.

Above all, we'll give you an inspirational and diverse study experience, one that will enrich you academically, socially, culturally, and environmentally.

Summer:
Dec – Feb
Average temp: 16 – 23°C

Winter:
Jun – Aug
Average temp: 5 – 13°C

Size:
Tasmania is a similar size to Ireland or Sri Lanka.

Place:
There are 334 other islands that lie just off Tasmania.

Population:
Hobart: 267,000
Greater Launceston: 107,000
Devonport and North West: 40,000

Students:
Total student population: 50,787
International students: 5,446

Timezone:
Tasmania uses Australian Eastern Standard Time (AEST). AEST is equal to Coordinated Universal Time plus 10 hours (UTC +10). It's a similar time zone to Tokyo, around +3 hours to Beijing and Singapore, +5 hours ahead of New Delhi and +8 hours ahead of Riyadh.

Top Tasmanian attractions

Here are just a few of the amazing experiences you can have during your time in Tassie.

Go mountain biking at Blue Derby. Photography by Oi Studios.

Explore the tulip fields at Table Cape, North West Tasmania. Photography by Oi Studios.

Roam the Tasman Peninsula by sea kayak. Photography by Sean Scott, Roaring 40's Kayaking.

Explore our campuses

Tasmania is a very special place. No matter where you choose to study, you'll find yourself immersed in a vibrant campus lifestyle filled with hands-on learning and adventure.

We have campuses in the distinct regions of Tasmania: Hobart in the South, Launceston in the North, and Burnie in the North West. We also have a specialised Nursing campus in Sydney.

Our campuses make the most of each region's strengths, which means your learning is informed by the place you live. We're also building exciting new campuses and spaces to connect you with industry and the community.

Learn more at utas.edu.au/campuses

Did you know?
Tasmania is the southernmost state in Australia. From here, it's easy to travel to other major cities on the mainland or to find connections to international flights.

Students returning from an excursion, IMAS, Hobart.

📍 The Hedberg building, Hobart.

📍 The new Inveresk Library. Image by Anjie Blair photography.

Hobart

Hobart is a perfect slice of urban living on the edge of pristine wilderness. Study in the heart of the city, on the harbour, or by the beach.

Our beachside Sandy Bay campus is located a 15 minute drive south of the city centre. Located on Hobart's waterfront, the Institute for Marine and Antarctic Studies (IMAS) combines Tasmania's strengths in Marine and Antarctic studies in one precinct. The building provides unique facilities for around 300 students and staff.

Our Hobart campuses also include the new Hedberg building. This cutting-edge facility provides a learning space for music and creative arts students unlike anywhere else in the country.

On Hunter Street, you'll find our School of Creative Arts and Media. This is a precinct where working artists, students, and teachers all collaborate to create meaningful work.

In the coming years, we're continuing our move into Hobart city. This will be into purpose-built, contemporary learning spaces that blend university and city living.

Hobart students can also access our free student bus, Uni Hopper, to travel between our inner-city locations and facilities.

Launceston

Tasmania's second-largest city, Launceston, offers you easy access to creative, sporting, and outdoor experiences.

Our new \$300m campus is a 10 minute walk from the city and the breathtaking Cataract Gorge. If you're studying Humanities, Education, and Law, you'll enjoy the incredible purpose-built River's Edge building overlooking the lakeller/ North Esk River and surrounding mountains. The campus transition from Newnham to Inveresk will be complete in late 2024.

If you want to study the Arts, Theatre, or Architecture, it's a great place to realise your creative vision. We're conveniently located alongside the local museum and art gallery. And if you're interested in Sport, Health, or Sciences, you'll join a like-minded community and have real-life learning opportunities.

Our new campus features Nursing simulation labs as well as Allied Health clinics in a shared precinct that includes the city's biggest sports stadium. Our new outdoor spaces include a Community Food Garden and Esk Activity space, so you can play and work while connecting with local industry leaders.

Our Newnham campus will continue to be the home of the Australian Maritime College (AMC) and offer world-leading Maritime simulation and teaching facilities. Our Tasmanian Institute of Agriculture (TIA) will also continue to use growing and research facilities on the campus.

Get the support you need

📍 Students using the community spaces opposite Melville Street accommodation, Hobart.

Whether you need academic help, career guidance, or just someone to talk to, we're here. These are some of the ways we support our students.

Get help with your studies

As a student, you'll have access to all kinds of resources including:

International Student Advisers

Our team of International Student Advisers are available to support you from the moment you arrive right through to graduation. They can help you adjust to the University environment and provide advice on things that may be impacting your studies, health, and safety.

College Student Advisers

Our College Student Advisers can help you with course and enrolment advice, adjusting to university life, time management skills, and personal issues affecting your studies. They offer appointments in person, by phone, or online via Zoom.

Learning Advisers

Our Learning Advisers offer individualised appointments which focus on developing your academic skills and building a personalised strategy to help you study.

Our highly qualified Learning Advisers can also provide English language support, helping you to build your essential language, communication, and academic skills.

Peer Assisted Study Sessions (PASS)

These timetabled study sessions are led by student mentors and can help you improve your grades.

Learning workshops and webinars

Join live and pre-recorded sessions across a range of topics.

24 Hour Study Support

Our service allows you to access study support in real time. You can submit your assignment for feedback and talk to a subject expert when you need it the most.

utas.edu.au/study-support

UConnect

This key frontline team can help you understand, navigate, and access information and services when you need it.

Access to our online Student Portal

Our online Student Portal makes it easy to find the information you need. From study support to counselling, career guidance, and University news, you'll gain access to a personalised Student Portal and UniApp.

Health and wellbeing support

We offer a range of student health and wellbeing services. These include:

Counselling

Studying with us gives you free access to confidential and professional counselling. Counsellors can help you achieve your best by building a deeper understanding of yourself and the things that are getting in your way. They can also support you to implement strategies to succeed. Plus, you can access wellbeing sessions and information to help you get the most out of your time with us.

For more information on support and wellbeing, please visit utas.edu.au/counselling-support

Accessibility support

We provide practical assistance and support for any student with a disability or health condition. Together, we'll ensure that you meet your learning needs. utas.edu.au/support

A safe and diverse culture

We're committed to creating a culture that's safe, promotes equality and values diversity. Respecting and maintaining the rights and dignity of our staff and students is our highest priority.

utas.edu.au/diversity

The Safe and Fair Community Unit is a university-wide service providing information, support and advice to keep everyone safe and well.

utas.edu.au/safe

Religious support

We welcome people of all faiths and spiritualities. We have a diversity of faiths within the community, with pastoral carers based at both the Hobart and Launceston campuses.

The University can help connect you to local religious and cultural groups and organisations.

There are also prayer rooms on the Sandy Bay and Newnham campuses for Muslim students and staff.

LGBTIQA+

We are working towards creating an inclusive University where all of us, no matter how we identify, feel valued, respected, and safe. We have a range of supports available for LGBTIQA+ students.

utas.edu.au/support

Childcare and parenting facilities

We support students who are also parents through our range of services and facilities available at our Sandy Bay and Newnham campuses.

utas.edu.au/campuses

Developing your employability

You'll be supported throughout your whole journey from study to work. We'll help you find jobs while you're studying and connect you with future employers. We also offer a range of leadership, work-integrated learning, and professional placement experiences. These include programs with businesses and industry that help you gain valuable skills and experience as you study.

utas.edu.au/student-careers

Leadership and volunteering

We can help you develop your leadership skills and make unique connections. You can volunteer, become a student representative, or gain experience through a student leadership role.

Our Vice-Chancellor's Leadership Program allows you to participate in experiences of your choice while engaging in professional development sessions.

utas.edu.au/leadership-and-volunteering

Students playing basketball at 42 Melville Street accommodation.

Uni life in Tasmania

There's much more to university than studying. That's why we encourage you to go beyond the classroom and take part in all the social opportunities we have on offer. Each campus is home to a thriving student community, with lots of events and social opportunities to engage with.

Making friends

Having a strong support network at university makes a big difference. There are plenty of ways you can meet people and make new friends. Studying in Tasmania, you can take part in social events, off-campus trips, travel opportunities, campus tours and much more.

Visit utas.edu.au/uni-life

Clubs and societies

From music groups to bushwalking clubs, our student societies cover all kinds of interests and help you get the most out of university. It's a great way to meet new people and connect with familiar international and cultural groups. During Orientation Week, we host society days where you can learn all about what each club has to offer.

Visit tusa.org.au

Uni Sport

Interested in joining a local sports club? Whether you want a new experience or to pursue sport at its highest level, our clubs provide first-class equipment and facilities for athletes at any level.

Visit utas.edu.au/sport

Food and drinks

On our campuses, you'll find plenty of great options for food and drinks. These offer high quality, fresh foods and a range of cuisines. Plus, our campuses are within walking distance of cafes, supermarkets, and shops.

Communities

When you join the University of Tasmania, we want you to feel a deep sense of connection. That's why every student becomes a member of a distinctive, island-inspired community. Your community is a gateway to vibrant, fun experiences that extend far beyond your degree. They give you the chance to make new friends, build networks, work on meaningful projects, and learn new skills.

To get even closer to your community and make new friends, download the UniApp from your app store. It's a great way to connect with people – and it has many other features that will enrich your uni experience.

Discover student events at utas.edu.au/student-events

Students using the community spaces at our new Melville Street accommodation.

Our accommodation

Join a vibrant student community by living near or on-campus. You'll make new friends and share an amazing student lifestyle.

From self-contained apartments to communal living colleges, we have accommodation to suit your needs and budget. Most options are within easy walking distance from our campuses. Plus, they provide study support, social opportunities, and sports activities.

Hobart

Our 42 Melville Street and Hobart Apartments offer all the conveniences and attractions of inner-city living. Both locations offer self-contained studio accommodation, with 42 Melville Street also offering shared apartments. They're a short walk to our city campuses, including Health and Medicine, Business and Economics, Creative Arts and Media, and Marine and Antarctic Science.

For those seeking more tranquillity, Sandy Bay is an oasis of calm, a short drive from the city. Our University Apartments offer six-bedroom flats, while Christ and John Fisher offer a residential college experience with single rooms and shared facilities.

Launceston

Launceston is home to both our Newnham and Inveresk campuses. Newnham is a spacious, 50-hectare campus overlooking the stunning Kanamaluka/Tamar River, and just a short drive from the city centre.

Our Inveresk Campus is located near the inner city, alongside the Queen Victoria Museum and Art Gallery. The University offers a range of convenient and comfortable accommodation options. These include studio apartments, on-campus accommodation, and more.

On-site security

The safety of our students, staff and visitors is extremely important to us. We provide a number of services to ensure a safe and supportive experience. All students can also access our free SafeZone app, which operates across our campuses. This means that university security will be able to assist at the press of a button.

Jump into uni life

Our accommodation helps you make friends and get more out of your time at uni. Having a constant support network around you, you'll always have someone to chat to and study with.

There are plenty of events and programs to get involved in. You can keep fit, rug up on a movie night, take art classes, compete in sports, tour the state, and much more. Your student leaders and Student Living staff will help get you started.

How to apply

Applying for accommodation is easy and can be done online. To get started, head to utas.edu.au/accommodation and create an account.

Other accommodation options

We understand that finding the right accommodation is really important when you are moving to a new country to study, especially if you're travelling with a partner or family. Explore the range of other accommodation options available to you here utas.edu.au/other-accommodation.

Our scholarships

Scholarships give you peace of mind and let you make the most of your time studying.

We believe that university study should be accessible to everyone, regardless of their background. That's why we're supporting international students to study with us in 2024.

Our generous scholarship offerings provide full fee-paying international students with a range of opportunities to go towards living and study costs. Some are based on academic merit, and others provide you with support to access university studies. We also provide scholarships for our alumni and for family members of current students.

For many of our international scholarships, you'll be assessed at the time of submitting your International Student Application, so there is no need to apply separately. Offer letters will notify you if you have been awarded a scholarship.

Find out more about the range of scholarships and support packages on offer in 2024.

Visit utas.edu.au/international-scholarships

Tasmanian International scholarship

This scholarship recognises high-performing international students across a wide range of degrees. It can provide you with a 25% reduction in tuition fees for the duration of your degree.

Support scholarships

We understand the pandemic may have delayed your plans for overseas study. The University is here to support you.

These scholarships are designed to allow improved access to education where there is genuine need for support. Our team will be in contact with you to discuss your individual circumstances and to determine which scholarship may be awarded.

Dean's Merit scholarships

The Dean's Merit scholarships are awarded to high-achieving international students who have demonstrated outstanding academic performance. The scholarships cover a range of courses across Sciences, Engineering, and Business. You'll need to be commencing your studies in 2024 and meet the eligibility requirements.

Destination Australia

If you are a student considering studying a full-time bachelor degree a Destination Australia Scholarship may provide the extra financial support you are after. Successful applicants will receive \$15,000 per year for up to four years.

English language package

If you need to improve your English before diving into one of our degrees, you can receive up to 20 weeks of free English Language Course (ELC) programs. To learn more, visit utas.edu.au/international-scholarships

How the Tasmanian International Scholarship helped Nancy*

Growing up in China, Nancy always wanted to study in Australia. After learning about Tasmania as a unique Australian study destination, Nancy decided to move here to study undergraduate Medical Research.

Nancy secured a Tasmanian International Scholarship, which gave her a 25% reduction in her tuition fees. She is now living in university accommodation in the heart of Hobart and walks to uni. On the weekend, she is making friends and exploring Tasmania's exceptional natural beauty, world-class produce, and food experiences.

utas.edu.au/international-scholarships

Scholarships listed are subject to change and eligibility requirements. Refer to the website for the most up-to-date information.

*This example is based on student scholarship experiences. No identification with actual persons should be inferred.

Getting started at uni

Orientation day at Launceston campus.

We'll prepare you to succeed

Before you travel to Tasmania to study with us, we recommend you read the following list of tips. We'll help make your transition smoother with pre-departure support, budgeting advice, information on preparing to study, and fun social events.

Pre-departure and arrival

Tasmania is a safe and relaxing place to live. Still, leaving home to study in a new country can be as daunting as it is exciting.

That's why we offer a range of programs and services to help you transition to student life in Tasmania.

Pre-departure sessions

Our pre-departure webinars tell you what you need to know about travelling to Australia. They'll make sure you've done everything you need to do before you leave home.

Managing your money

Understanding of the costs of living in Australia can make your study experience more enjoyable. We encourage all our students to set a realistic budget before travelling.

Study-related costs

- Study fees are as per course
- Additional study costs

All incoming students must have sufficient funds to cover the cost of:

- Accommodation
- Flights
- General cost of living
- Student visa application fee
- Overseas Student Health Cover (OSHC)

All students arriving on a student visa in Australia must have OSHC. The University of Tasmania provides cover through Medibank Private. This will cover the full length of your student visa. The current rates for OSHC will be included in your Letter of Offer.

Living Expenses

The following is a rough guide to living costs for international students living in Tasmania (in Australian dollars). Of course, these will vary depending on your preferred standard of living and where you choose to live.

- Groceries and eating out: \$80-\$280 per week.
- Electricity and utilities: \$35-\$140 per week.
- Phone and Internet: \$20-\$55 per week.
- Public transport: \$15-\$55 per week.
- Car (after purchase): \$150-\$260 per week.
- Entertainment, sport, personal care: \$60-\$150 per week.
- Study expenses (books, photocopying, stationery etc.): approx. \$1,000 per annum

The quoted tuition fee is indicative only and subject to change. For more information on living expenses, visit: studyaustralia.gov.au/english/live/living-costs

Preparing for study

Enrolment sessions

Our enrolment sessions are a great way to prepare for university. They help you understand the administrative parts of studying, including enrolling in units, finding your timetable, and learning about the online systems you'll use.

UniStart

UniStart is an online program that helps you pick up the skills to succeed at university. These skills include critical thinking, research, and assignment writing. We'll also teach you to get more out of lectures, tutorials, and online learning.

Find out more at utas.edu.au/starting-uni

Orientation

Orientation is an important part of your uni journey. You'll connect with other students, explore your new learning environments, and learn about all the support services available to you.

Before semester starts, you can take part in a variety of events, activities, and information sessions to get you started.

Get the support you need

To find out more about the range of support services available, visit page 15.

Ways to study

No matter what area you're looking to study, we offer you a great range of options.

At the University of Tasmania, we have everything from undergraduate courses that build your knowledge base, through to postgraduate courses that step give you the expertise and skills you need to stay ahead.

Many of our courses are accredited and professionally recognised by international industry and professional bodies, in areas such as Accounting, Engineering, Business, Information and Communication Technology, Law, Health, and Education. This allows you to pursue rewarding careers around the world. And if you're looking to make a career change, our courses let you build on your past experiences and start an exciting new chapter.

Undergraduate courses

Associate degrees

An associate degree is a two-year university qualification that focuses on practical study. Designed in consultation with local industry, it will equip you with the real-world knowledge and skills to work in a specific industry. You'll also gain transferable skills to navigate your career in the future.

Bachelor's degrees

A bachelor's degree, also referred to as an undergraduate degree, is typically a three-year, full-time course. For many courses, there is a range of units available over the summer, spring, and winter breaks.

Double degrees

Double degrees combine the core requirements of two different degrees. This allows you to complete two degrees in a shorter time than studying both separately. A double degree also provides you with in-depth knowledge in more than one field. This gives you more career flexibility and opportunity.

Honours degrees

An honours degree follows on from the completion of a bachelor degree, giving you the chance to advance your knowledge in a topic you're passionate about. You'll develop skills that will prepare for professional work and open opportunities for a doctorate in the future. You'll develop superior project management skills and advanced knowledge of research techniques and methodologies. This course is studied full-time over one year, where you'll work under the guidance of an academic supervisor to complete research-related coursework, develop and execute an independent research project, and author a research dissertation.

Postgraduate courses

Graduate certificates

Graduate certificates allow you to pick up useful new skills in just six months. They can also pave the way to further postgraduate studies with us. Further study might include a graduate diploma or a master's degree. Plus, you could be eligible for credit in your future course.

Graduate diplomas

These one-year qualifications allow you to take a deeper dive into a study area that interests you. Once you complete your diploma, you'll have a pathway to master's or doctorate degrees. Plus, you could also be eligible for credit in these future courses.

Master's degrees

A master's degree takes one or two years, depending on your previous study experience. It's a great way to advance your career, develop skills, and become a leader in your field. You can also use a master's to switch gears and enter a new field. Your previous studies can make you eligible for credit, so you can graduate sooner.

Research degrees

Our university is home to a collaborative and diverse research community, which can give you the skills for a rich career in academia and beyond. We offer a Doctor of Philosophy (PhD) and Masters by Research. These are advanced study programs that allow you to deeply explore a topic that interests you.

Other programs

English language programs

Whether you want to improve your English to qualify for further study, enhance job opportunities, or just build your language skills, we have a program to suit you. Our English for Academic Purposes program is for international students who want to enter an undergraduate or postgraduate degree but do not yet meet the English language entry requirements. For more information, visit utas.edu.au/english-language-courses

Foundation Studies Program

This is a direct pathway to first-year undergraduate degrees. The program acts as a bridging course for international students who want to study an undergraduate degree but don't meet the academic requirements or have the English language skills. For more information, visit partnerships.up.education/utas

Pre-Masters Preparation Program

This program is for students who already hold an undergraduate degree but need English language support. You'll also get the academic skills you need to prepare for postgraduate study. You can enrol for one semester of the program and then progress directly into a postgraduate degree. Learn more at up.education/study/university-partnerships

Students studying at Inveresk Library, Launceston.

A double degree could see you diving into Marine Environments and law.

Choosing your course

Create your own study experience

University is about more than gaining the skills for a job. It should be a once-in-a-lifetime experience that changes the way you see the world. Our exciting, diverse courses allow you to embark on a journey as unique as you are.

More choice than ever

At the University of Tasmania, we give you the freedom to study your degree your way.

We now offer more choice in your course content than ever before. You can choose to study a broad range of topics or focus on just a few. Either way, you'll graduate with a deeper knowledge and skill base that will see you thrive in your chosen career.

Unlike other universities, we don't have mandatory 'breadth' units. This means you'll only learn about the things you're really passionate about.

Accredited degrees

Some of our courses are subject to professional accreditation. This means that an external, professional body assesses the content and quality of the course to ensure it meets their professional standards. Students completing an accredited course may meet the academic requirements for membership of the professional body.

For full accreditation information, visit the online course page.

Combine your interests with a double degree

Our new double degrees allow you to deepen your knowledge within two separate study areas. That means you can pursue your career and follow your passion at the same time. And when you graduate, you'll have a set of skills that will really set you apart.

Learn more at utas.edu.au/double-degrees

The following double degree combinations are available for international students:

- Bachelor of Business / Bachelor of Information and Communication Technology
- Bachelor of Business / Bachelor of Science
- Bachelor of Information and Communication Technology / Bachelor of Science
- Bachelor of Business / Bachelor of Laws
- Bachelor of Arts / Bachelor of Laws

More reasons to study a double degree

Get more out of your time at uni.

Maximise your employability.

Build your own unique set of skills.

Study for your career and yourself.

UNDERGRADUATE General entry requirements

Undergraduate standard university entry requirements

Admission to undergraduate courses at the University of Tasmania requires completion of qualifications equivalent to Year 12 in Australia. Refer to the table on the following page for specific score requirements. Some courses also require the completion of prerequisite subjects.

Students who do not meet these requirements may enrol in the Foundation Studies Program.

For more information on entry requirements visit, utas.edu.au/entry-requirements

English language requirements

Some international applicants may need to provide evidence of an approved English language test completed within the last two years.

For full details on our English language requirements visit utas.edu.au/english-language-requirements

Undergraduate English language requirements

Most of our undergraduate programs have the following English language requirements:

- **IELTS (Academic)** — 6.0 (no individual band less than 5.5)
- **TOEFL (iBT)** — 72 (reading 10; listening 9; speaking 16; writing 19)
- **PTE Academic** — 50 (with no score lower than 42)
- **English for Academic Purposes** — EAP2 60% (no individual score less than 55%)
- **Cambridge CAE** (Certificate of Advanced English) — B Grade
- **Cambridge CPE** (Certificate of Proficiency in English) — C Grade
- **Cambridge BEC** (Business English Certificate) Higher — C Grade

Table 1: Exceptions to the Undergraduate English language requirements

Course	IELTS Score	TOEFL (iBT) Score	PTE Academic Score	English for Academic Purposes
Advanced Diploma in Applied Science (Marine Engineering) Advanced Diploma in Applied Science (Nautical Science)	5.5 (no individual band less than 5.0)	54 (no skill below: Reading 6; Listening 5; Speaking 15; Writing 16)	42 (with no score lower than 36)	60% (no individual score less than 50%)*
Law Nutrition Science Pharmacy Psychological Science Psychological Science with Honours	6.5 (no individual band less than 6.0)	88 (no skill below: Reading 16; Listening 16; Speaking 18; Writing 22)	58 (with no score lower than 50)	65% (no individual score less than 60%)*
Medical Research	6.5 (no individual band less than 6.0)			
Dementia Care Laboratory Medicine	6.5 (no individual band less than 6.5)	88 (no skill below: Reading 21; Listening 21; Speaking 21; Writing 25)	58 (with no score lower than 58)	65% (no individual score less than 65%)*
Social Work	7.0 (no individual band less than 7.0) – no other equivalencies will be accepted. Applicants will be required to meet this requirement prior to commencing a pathway into their Social Work program.			
Exercise and Sport Science Medicine/Surgery	7.0 (no individual band less than 7.0)	100 (no skill below: Reading 25; Listening 25; Speaking 23; Writing 27)	65 (with no score lower than 65)	70% (no individual score less than 70%)*
Nursing	7.0 (no individual band less than 7.0)	94 (no skill below: Reading 24; Listening 24; Speaking 23; Writing 27)	65 (with no score lower than 65)	
Education	7.5 (no individual band for listening and speaking less than 8.0, and writing and reading no less than 7.0)			75% (no individual score for listening and speaking less than 80%, and writing and reading no less than 70%)*

All methods of meeting the University of Tasmania English Language Entry Requirements have a validity of 2 years.

Undergraduate Entry Equivalency table

Qualification	Method to calculate ATAR equivalency
International Baccalaureate	Total score from subjects studied (1 = Very Poor, 2 = Poor, 3 = Mediocre, 4 = Satisfactory, 5 = good, 6 = Very Good, 7 = Excellent)
GCE A-Levels	Total score from maximum 3 A Level subjects including any pre-requisite subjects (A=5, B=4, C=3, D=2, E=1)
Singapore A-Levels	Total score from maximum 3 H2 Level subjects. (H2 grading scale: A=5, B=4, C=3, D=2, and E=1)
HKDSE	Total score from best 5 subjects (4 cores + 1 elective) from category A or C. Minimum Level 3 in Category A required for pre-requisites. Minimum Level 2 for other subjects. (Category A scoring: Level 1 = 1, Level 2 = 2, Level 3 = 3, Level 4 = 4, Level 5 = 5, Level 5 = 5.5, and Level 5 = 6 Category C scoring: A=5, B=4, C=3, D=2, and E=1)
China	Overall percentage for all subjects from years 1-3
India CBSE/CISCE/ Accepted State Government Boards of Education	Average score of best 4 academic subjects Kerala, Rajasthan, Karnataka, Andhra Pradesh, Gujarat, Assam, Maharashtra, Tamil Nadu, Himachal Pradesh, Uttarakhand, Orissa, Chhattisgarh, Telangana, Madhya Pradesh, Jharkhand, Bihar, Jammu & Kashmir, Uttar Pradesh, West Bengal, Manipur, Tripura, Goa, Mizoram, Nagaland, Sikkim, Meghalaya, Arunachal Pradesh, Chandigarh, Dadra and Nagar Haveli, Delhi, Puducherry, Daman & Diu, Andaman and Nicobar islands and Lakshadweep.
India Punjab and Haryana State Boards of Education	Average score of best 4 academic subjects
Sri Lankan GCE	Total score from maximum 3 A Level subjects including any pre-requisite subjects (A=5, B=4, C=3, S=1)
US High School Diploma (US students also require relevant SAT or ACT score)	GPA out of 4
Scholastic Aptitude Test (SAT) (after 2018)	Total Score not including optional essay
Enhanced ACT	Composite score
Malaysia STPM	Cumulative GPA
Malaysian UEC	Total score of top 5 grades including any pre-requisite subjects (A1=1, A2=2, B3=3, B4=4, B5=5, B6=6, C7=7, C8=8)
Nigeria WASSCE/WAEC	Total score based on 5 best subjects. Must include English (minimum C6), includes any pre-requisites and excludes non English languages (A1 = 1, B2 = 2, B3 = 3, C4 = 4, C5 = 5, C6 = 6, D7 = 7, D8 = 8, F9 =9)
Nepal HSC	Overall GPA
Bangladesh HSC	Overall GPA
Canada State Diplomas	Overall average of the best 6 Grade 12 subjects excluding workplace preparation or open courses
Indonesia SMA3	Average score of grades from 5th and 6th semesters
Kenya KCSE	Average of best 6 or 7 subjects (as specified). Must include English (minimum C), includes any pre requisites and excludes non English languages
New Zealand (Equivalent ATAR score provided by NZQA)	ATAR equivalent
South Korea CSAT	Overall percentage for all graded subjects taken
Thailand Certificate of Education (Mathayom 6)	GPA out of 4 as shown on the final transcript
Japan Upper Secondary School Certificate of Graduation	Overall average score for graded subjects
Taiwan GSAT	Overall percentage for all subjects examined
Philippines High School with accepted affiliated University	Overall percentage from Year 12
Philippines High School without accepted affiliated University NCEE OR Certificate of Graduation/High School Diploma (also require relevant SAT score)	Overall percentage from Year 12

Information and Communication Technology students at the ICT facilities.

POSTGRADUATE General entry requirements

Postgraduate standard university entry requirements

Admission to most master's by coursework (or postgraduate) courses at the University of Tasmania require qualifications equivalent to an Australian bachelor's degree.

Refer to the relevant study area table for specific course requirements.

Some courses also require the completion of prerequisite subjects.

For more information on entry requirements visit, utas.edu.au/entry-requirements

English language requirements

Some international applicants may need to provide evidence of an approved English language test completed within the last two years.

For full details on our English language requirements visit, utas.edu.au/english-language-requirements

Postgraduate English language requirements

Most of our postgraduate programs have the following English language requirements:

- **IELTS (Academic)** — 6.0
(no individual band less than 6.0)
- **TOEFL (iBT)** — 72
(no skill below reading 16; listening 16; speaking 18; writing 22)
- **PTE Academic** — 50
(with no score lower than 50)
- **English for Academic Purposes** — EAP2 60% (no individual score less than 60%)
- **Cambridge CAE** (Certificate of Advanced English)—B Grade
- **Cambridge CPE** (Certificate of Proficiency in English)—C Grade
- **Cambridge BEC** (Business English Certificate) Higher — C Grade

Table 1: Exceptions to the Postgraduate English language requirements

Course	IELTS Score	TOEFL (iBT) Score	PTE Academic Score	English for Academic Purposes 2
Counselling	7.0 (no individual band less than 6.0)	88 (no skill below: Reading 16; Listening 16; Speaking 18; Writing 22)	58 (with no score lower than 50)	65% (no individual score less than 60%)
Clinical Pharmacy	7.0 (no individual band less than 6.0)	88 (no skill below: Reading 21; Listening 21; Speaking 21; Writing 25)	58 (with no score lower than 58)	65% (no individual score less than 65%)
Business Administration Environmental Geospatial Science Finance Planning Pharmaceutical Science Protected Area Conservation	6.5 (no individual band less than 6.0)	88 (no skill below: Reading 16; Listening 16; Speaking 18; Writing 22)	58 (with no score lower than 50)	65% (no individual score less than 60%)
Laboratory Medicine	6.5 (no individual band less than 6.5)	88 (no skill below: Reading 21; Listening 21; Speaking 21; Writing 25)	58 (with no score lower than 58)	65% (no individual score less than 65%)
Strategic Communication	7.0 (no individual band less than 6.5)	88 (no skill below: Reading 21; Listening 21; Speaking 21; Writing 25)	58 (with no score lower than 58)	65% (no individual score less than 65%)
Public Health	6.5 (no individual band less than 6.0)	88 (no skill below: Reading 16; Listening 16; Speaking 18; Writing 22)	58 (with no score lower than 50)	65% (no individual score less than 60%)
Social Work	7.0 (no individual band less than 7.0) – no other equivalencies will be accepted. Applicants will be required to meet this requirement prior to commencing a pathway into their Social Work program.			
Psychology (Clinical)	7.0 (no individual band less than 7.0) In accordance with the Australian Psychological Society (APS) English language entry requirements, Academic IELTS tests are only recognised – no alternate English proficiency tests are accepted.	not accepted	not accepted	not accepted
Teaching	7.5 (no individual band for listening and speaking less than 8.0, and writing and reading no less than 7.0)			75% (no individual score for listening and speaking less than 80%, and writing and reading no less than 70%)

How to apply

1. Find a course

View our courses online utas.edu.au/courses

For information or advice, please call
+61 3 6226 6200 or email your.study@utas.edu.au

2. Prepare your documents

Prepare electronic copies of the documents
you need to complete your application.

These may include:

- evidence of your English Language proficiency (e.g. IELTS or TOEFL)
- evidence of your academic qualifications (including English translations), and
- evidence of your previous studies if you are applying for recognition of prior learning including official course and unit outlines.

All the documents provided must be the original document or a certified copy.

Delays in processing times may be affected if all documents are not provided on initial application.

3. Lodge your application

(a) Apply online at utas.edu.au/international/applying.
Our International Admissions team will contact you if we require any further information from you.

(b) Apply through an authorised University of Tasmania agent.

IMPORTANT: If you, or your agent, submits an application without all the documents then there may be delays to the processing of your application. This includes requests and supporting documentation for credit/advanced standing.

To find an authorised agent, please visit utas.edu.au/world

4. Apply for a scholarship

We have a number of scholarships specifically designed for international students. Most of these are assessed at the time of application for your degree program but some require a formal scholarship application.

For more information including scholarship closing dates, please visit utas.edu.au/international-scholarships

5. Accept your offer and enrol

On receipt of your Letter of Offer, please follow the instructions outlining how to accept.

Once you have accepted your place, you'll need to enrol in your course units.

For more information, please visit utas.edu.au/starting-uni

Are you eligible for advanced standing?

If you have previously studied, you may be eligible for advanced standing. If you are eligible for advanced standing, you may not have to complete all of the subjects listed in your course and you could graduate sooner.

You can apply for advanced standing at the same time as applying for your course.

For more information, please visit utas.edu.au/rpl

At the time of printing, the 2024 fees were not available. To assist you, the 2023 fees are included to provide an indicative rate. Please note, these fees are subject to change for 2024. For up to date 2024 fees, please visit utas.edu.au/fees
