Undergraduate

WELCOME

The future belongs to the ready.

Acknowledgement of country

Deakin University acknowledges the Traditional Custodians of all the unceded lands, skies and waterways on which Deakin students, staff and communities come together.

As we learn and teach through virtually and physically constructed places across time, we pay our deep respect to the Ancestors and Elders of Wadawurrung Country, Eastern Maar Country and Wurundjeri Country, where our physical campuses are located.

We also acknowledge the many First Nations from where students join us online and make vital contributions to our learning communities.

Take on tomorrow with confidence.

For almost 50 years, Deakin has shaped the leaders of the future. Today, we are in the top 1% of universities worldwide¹.

Why Deakin?

Join a world-class university and be ready to take on tomorrow with confidence.

At Deakin, you won't just learn about the future, you will prepare for it with real-world learning fuelled by progressive thinking.

Choose a practical, industry-shaped course and launch a career with impact.

Geelong Waurm Ponds Campus

What do you want from your uni experience?

World-class degrees

Australia's education system is internationally renowned. As one of the country's leading universities, you will receive a world-class education.

Life in Australia

Australia is a welcoming, diverse and beautiful country. Our campuses are located on the east coast of Australia, in the state of Victoria, a vibrant and multicultural state.

Career focus

Graduate from university work-ready: our degrees are practical and hands on. There are many opportunities for work experience, which can be credited to your degree, or organised separately with our support.

Help and support

Deakin supports you at every step, inside and outside of the classroom. We are proud to be the number one university for student support¹.

¹ 2021 Student Experience Survey, based on undergraduate students, UA benchmark group Victorian universities.

Campuses

Deakin delivers world-class on-campus and online learning.

ON-CAMPUS LEARNING

We have four world-class campuses located in the state of Victoria, as well as an innovative online learning environment.

Where you choose to study will depend on your degree and preferences. But our on-campus degrees use the same DeakinSync online learning platform as our online degrees. That means more flexibility to do what works for you, with seamless connection between our physical and digital classrooms.

ONLINE LEARNING

Digital is in Deakin's DNA

For 40 years, Deakin has been perfecting distance and online learning. Today, we have a community of over 60,000 students, and continue to be world leaders with our innovative online teaching platform.

With live-streamed seminars and real-time class discussions, study what, how and when you want.

Our easy-to-use learning tools help you to connect with teachers and students, and access course materials offline.

With technical, academic and personal support available online, find out why we are voted number one for student support¹.

CAMPUSES

MELBOURNE BURWOOD

MELBOURNE

The home of innovative and cutting-edge learning facilities.

Melbourne is the multicultural heart of Australia, renowned globally for its food, arts and culture and sport.

With approximately 27,000 students, Deakin's largest campus is in the suburb of Burwood. Surrounded by open spaces and parks, this spacious campus has state-of-the-art buildings and facilities. Burwood is just a short distance from Melbourne's dynamic city centre, and easily accessible on public transport.

WARRNAMBOOL

WARRNAMBOOL

A global education on a local scale.

Warrnambool is a popular tourist destination, with beautiful waterways, surf beaches and a whale-watching centre.

Located three hours from Melbourne, with easy access by train, the Warrnambool campus is home to a Deakin community with small class sizes of ambitious students and staff.

The globally recognised research carried out at this campus supports the very environment it sits on, and beyond.

GEELONG

A vibrant coastal city with country charm.

Geelong is home to two Deakin campuses — Waterfront and Waurn Ponds — and is the second most populated urban area in Victoria (after Melbourne), with a population of more than 250,000 people.

Just an hour from Melbourne, Geelong is known for its beaches, nightlife, food, and culture, and is easily accessible by public transport.

Geelong Waterfront

GEELONG WF

An energetic, modern campus in the heart of Geelong, right on the bay.

This historic and architecturally striking campus has cutting-edge learning facilities.

Two-minutes from the beach, cafes and shops, you will have everything you need on your doorstep.

Geelong Waurn Ponds

GEELONG WP

Where hands-on learning meets world-leading research.

Just outside Geelong city centre, Waurn Ponds has the best of both worlds.

Access some of the most advanced teaching and research facilities in the world, while socialising and studying in our outdoor areas and modern buildings.

Making Australia home

▶ There are a lot of reasons why Australia is one of the most popular destinations for international students.

Australia is welcoming, diverse and beautiful. It is also home to some of the best universities in the world.

Melbourne is Australia's
NUMBER 1
student city¹

Melbourne is the

DISCOVER VICTORIA

With students from more than 130 countries, Deakin's four campuses are located in Victoria. Victoria is an exciting and multicultural state on Australia's

east coast. Whether you study in Melbourne, Geelong or Warrnambool, the communities that surround Deakin are friendly and full of life.

Celebrated for the arts, sports, food and coffee, Victoria is also home to incredible beaches, nature and wildlife, and a welcoming and engaging culture.

Be future ready

Deakin is dedicated to preparing you for your career. Experience practical, real-world learning, and be ready to enter the workforce with confidence.

Work experience

Gain a competitive edge in the workplace.

At Deakin, we have a wide range of internship, work placement and work integrated learning programs to help you advance your career while you study.

You will gain the real-world expertise and practical skills that will give you a competitive edge in the workplace — all while you're studying.

AWARD-WINNING
university career
service in Australia.¹

¹ Australian Graduate Recruitment Industry Awards, 2017, 2018, 2019, 2020 winner for most popular career service in Australia; Employability award, 2021 Australian Financial Review Higher Education Awards.

DeakinTALENT

Get from course to career with confidence

Prepare for the jobs of tomorrow with lifetime access to an award-winning university career service. DeakinTALENT empowers you to explore a broad range of career opportunities, and to build skills and experiences. Services include individual career coaching sessions, online resources and development platforms, career success workshops and cohort specific programs.

Find and get help with:

- jobs and internships
- resume reviews
- career success workshops.

DeakinTALENT International Student Careers

DeakinTALENT International Student Careers (DISC) is a program for international students where you can explore your employment options, and build your marketability and networking skills.

DISC helps you to understand the Australian employment market and workplace culture, and to apply your job search strategies in Australia or internationally.

Welcome to your home away from home

Ready for the full university experience?

Life on campus at Deakin is affordable, fun, friendly and safe. Options range from shared units to single apartments. When living on campus, each student gets a private lockable furnished bedroom which includes a bed, desk, carpet, heating and free Wi-Fi.

MELBOURNE BURWOOD

Bordered by picturesque parkland, the accommodation at our Melbourne Burwood Campus is home to 1175 students from all over the world. It features collaborative study zones, a fully equipped kitchen and an outdoor rooftop terrace. Residents are also invited to a wide range of free events like movie nights and food truck events.

EXPLORE

Melbourne Burwood
accommodation

WARRNAMBOOL

Located right next to the Hopkins River, the Warrnambool Campus is an ideal spot for students. You will have access to local surf and fishing spots, hallway dinners, free events, facilities like shared study spaces, a communal kitchen, a community produce garden and more. Our campus accommodation is the best way to enjoy student life.

EXPLORE

Warrnambool
accommodation

Rooftop terrace at the Geelong Waterfront residence

GEELONG WATERFRONT

Right near Eastern Beach, the Deakin Waterfront residence has something for everyone. It features a rooftop terrace overlooking the bay, with an outdoor BBQ area. You will also have access to a movie room, shared study areas, a fully equipped kitchen and recreation rooms with table tennis and a pool table.

EXPLORE

Geelong Waterfront accommodation

GEELONG WAURN PONDS

The Geelong Waurn Ponds Campus offers townhouses, units and apartments. Close to sporting grounds and with exclusive access to residential programs, the Geelong Waurn Ponds accommodation is the perfect place to enjoy student life. Students can enjoy shared study spaces, recreation rooms with tabletop games and a town hall for events and gatherings.

Geelong Waurn Ponds accommodation

COST OF LIVING

OFF-CAMPUS ACCOMMODATION

There are also plenty of options if you would like to live off campus.

Deakin has a database of local rooms, houses and apartments available to rent near each campus called Houseme.

We are also here to help you apply for properties and understand your rights and responsibilities as a tenant in Australia.

Learn more about living off campus

Everyday expenses

COST OF LIVING GUIDE

Accommodation is not the only cost to consider.

The cost of living in Australia will depend on where you live and your lifestyle. But it can be good to think about your budget, and be aware of day-to-day expenses before you arrive.

▶ Visit studyinaustralia.gov.au to find out more.

1 These price ranges are a guide only. Actual costs may vary.
2 On-campus estimated cost is for Deakin's Melbourne Burwood Campus and includes amenities, such as electricity, gas and internet. On-campus accommodation costs for the Geelong and Warrnambool campuses are lower.

Accommodation expenses¹

	ON CAMPUS AT DEAKIN AUD \$264 to AUD \$326 per week ² (inclusive of amenities)
	HOSTELS AND GUEST HOUSES Around AUD \$150 per week
	SHARED RENTAL Around AUD \$200 per week
	HOMESTAY Around AUD \$300 per week
	RENTAL Around AUD \$200 to AUD \$450 per week

Other living expenses

	GROCERIES AND EATING OUT AUD \$140 to AUD \$280 per week
	GAS, ELECTRICITY AUD \$10 to AUD \$20 per week
	PHONE AND INTERNET AUD \$20 to AUD \$35 per week
	PUBLIC TRANSPORT AUD \$30 to AUD \$60 per week
	CAR (AFTER PURCHASE) Around AUD \$100 per week
	ENTERTAINMENT AUD \$80 to AUD \$150 per week

SUPPORT

Coming to Australia to study can be the adventure of a lifetime. We will support you every step of the way.

WATCH
JESSLYNDA'S
STORY

NUMBER 1

for student support in Victoria¹

We are here to help you

Airport pick-up

We can pick you up from the airport when you land in Australia for the first time. This is a free service for all international students when they start their studies.

Orientation

Not sure what university will be like? Find out all the answers to your questions at Orientation Week, with a range of fun and informative activities.

Career planning

We offer career support during your studies and after you graduate. With access to career coaching, online resources and hands-on workshops, you will have all the tools for career success.

Study support

You will receive a world of study support at Deakin. With passionate teachers who care about your success, one-on-one study mentors, online resources and much more, you will have every opportunity to reach your potential.

¹ 2021 Student Experience Survey, UA benchmark group Victorian universities.

Wellbeing

There is nothing more important than your health and wellbeing — on and off campus. You can access doctors, mental health services, physiotherapy, disability support and much more.

Safety and security

Feel safe at all times on campus, with around-the-clock security services ready to help whenever you need it.

Clubs and events

We have more than 120 clubs and societies across our campuses and online to help you meet new people and try new things. Many of our events are designed specifically for international students.

▶ Visit deakin.edu.au/clubs-and-societies to find out more.

Spiritual support

Multifaith chaplains provide compassionate support to everyone, regardless of religious belief. Prayer rooms are available at our campuses and offer a quiet and peaceful environment for you to take time for personal reflection or practise your faith.

SCHOLARSHIPS

Unlock your potential

We believe in celebrating your talent.

Scholarships are available based on a range of criteria, including access and equity for specific study areas, and citizens of specific countries.

Deakin offers a range of scholarships, including:

▶ Deakin Vice-Chancellor's International Scholarship

Access a 100% or 50% tuition fee reduction for the normal duration of your degree.

▶ Deakin International Scholarship

Access a 25% tuition fee reduction for the normal duration of your degree.

▶ Australia Awards Scholarships

Australia Awards Scholarships are available to students in select countries for full-time study in Australia towards your degree.

It covers:

- a return airfare to Australia
- academic and other compulsory fees
- basic health insurance
- establishment allowance
- a living allowance.

This is **not** a Deakin scholarship.

on the courses we offer

Key terms

Course icon key

-  Course duration (full-time)
-  2024 annual cost
-  Trimester intake
-  IELTS requirements
-  Campus location
-  Work experience availability

Unit

A unit is normally one trimester long and most have a value of 1 or 2 credit points.

Credit point

For each unit you successfully complete, you will receive the credit point value of that unit towards your studies. You must complete a specified number of credit points to obtain your degree.

Major sequence and specialisation

In undergraduate studies, a major sequence is a group of six or eight related units in a particular study area or academic discipline. A successfully completed major sequence or specialisation will be listed on your academic transcript.

Minor

A minor is a group of related units in an area of study or academic discipline. Minors are shorter than majors and are usually four units long.

Course code

Every Deakin degree has a corresponding course code for easy reference and identification.

Example: **M312**

Course duration

- Bachelor degrees, your first university degree, take three to four years to complete.
- Combined bachelor/masters programs and combined degrees allow you to fast-track the two qualifications.
- Bachelor degree with an honours year provides you with the foundational knowledge to undertake a research degree.
- All course durations in this course guide are for full-time study.

Example:

 **3 YEARS**

Course fees

The annual course fee indicates the tuition fee for two trimesters of full-time study, or 8 credit points, unless otherwise indicated. Additional fees may apply and course fees may be subject to change. All fees are listed in Australian dollars.

Example:

 **AUD \$35,600**

Trimester intakes

Deakin uses a trimester system to classify intakes. Two trimesters are still equal to a full academic year, but the third trimester can offer the opportunity to finish certain degrees sooner.

Deakin's trimesters run from:

- March to June (Trimester 1)
- July to October (Trimester 2)
- November to February (Trimester 3)

Example:

 **MARCH, JULY**

IELTS

IELTS is the International English Language Testing System. The numbers reflect the minimum overall score required, as well as the lowest score allowed for any band (overall score/lowest band score). Deakin also accepts the results of other English language tests.

See page 72 for details.

Example:

 **6/6 IELTS**

Campuses

Deakin's campuses are:

- Melbourne Burwood (Melbourne)
- Warrnambool (Warrnambool)
- Geelong Waterfront (Geelong WF)
- Geelong Waurnd ponds (Geelong WP)
- Online

See pages 5–8 for details.

Example:

 **GEELONG WF**

Work experience

A tick in the course tables indicates that work experience is available to undertake as part of a degree (required or optional). Work experience may involve placements, work-based training, community-based learning or collaborative research training arrangements.

Example:

 **WORK EXPERIENCE ✓**

¹ Times Higher Education Subject Rankings 2022.

² Deakin University's Bachelor of Environmental Engineering (Honours) has been designed in accordance with Engineers Australia professional accreditation requirements. Deakin has also been awarded provisional accreditation for the Bachelor of Environmental Engineering (Honours) and Bachelor of Software Engineering (Honours) with Engineers Australia.

³ Online students will be required to participate in campus-based intensive activities each trimester at the Geelong Waurn Ponds Campus.

PROFESSIONAL ACCREDITATION

Our engineering degrees are professionally accredited by Engineers Australia²

HANDS-ON APPROACH

Spend half of every trimester working on team-based projects.

REAL-WORLD CONNECTIONS

Network with industry leaders through placements, projects and advisory groups.

Bachelor of Civil Engineering (Honours) S460

CRICOS code: 079998G

Graduate as an industry-ready civil engineer.

Combine contemporary theory with industry-led projects and learn the skills you need to design, construct and maintain built infrastructure systems. You will address complex problems and develop innovative solutions to benefit both organisations and the community.

Career outcomes:

- Geotechnical engineer
- Infrastructure engineer
- Research engineer
- Road engineer
- Structural engineer
- Transportation engineer
- Water engineer

Bachelor of Electrical and Electronics Engineering (Honours) S461

CRICOS code: 079997G

Develop practical, industry-relevant skills to address modern engineering challenges.

Gain hands-on experience, with a particular emphasis on power and energy, supported by state-of-the-art electronics design and communication technologies. Make the most of the latest engineering tools and application software in our world-class facilities.

Career outcomes:

- Automotive electrician
- Design engineer
- Industrial engineer
- Multimedia systems specialist
- Renewable energy consultant
- Robotics engineer and technician
- Telecommunications engineer

Bachelor of Environmental Engineering (Honours) S465

CRICOS code: 095002A

Ready to tackle global environmental issues like climate change, sustainability and pollution?

From waste management to soil and water remediation, specialise in a diverse range of environmental engineering industry areas.

Graduate with in-demand technical and professional solutions-led skills.

Career outcomes:

- Air pollution and emissions control
- Natural resource management
- Environmental protection
- Engineering consultancy
- Resources (mining, oil and gas)
- Waste management and recycling
- Water and wastewater treatment

GUARANTEED PRACTICAL CLASSROOM EXPERIENCE

Working with over 1400 schools across Australia, Deakin's Professional Experience Program means you get a dedicated placement officer to work with you one-on-one throughout your course.

¹ International students are required to study full-time to complete their course within the duration registered on CRICOS.

² 4-years full-time — Delays in completing the placement could mean that the course will take longer to complete than the stated duration. International students are required to study full-time to complete their course within the duration registered on CRICOS.

³ This course includes 80 days of supervised professional experience, and students must successfully complete the Deakin Teaching Performance Assessment (DTPA). Students who do not pass the DTPA must seek advice from the course director.

Bachelor of Arts/Masters of Teaching (Secondary) D303

CRICOS code: 089566D

Combine your passion for the arts with a drive to inspire the next generation.

Our school-based learning programs ensure you are ready to teach today and into the future. Fast-track your studies and graduate with two versatile degrees, including a postgraduate teaching degree.

Entry requirements

Academic admission requirements — Undergraduate

Each undergraduate degree at Deakin has its own minimum academic admission requirements, such as your high school results. The specific entry requirements for your country and your Deakin degree are listed at deakin.edu.au/int-entry. Be sure to check this information carefully and speak with Deakin or your agent if you have any questions.

PATHWAYS

If you do not meet the academic admission requirements for a Deakin degree, there may still be a pathway available for you to study at Deakin in the future. See pages 73–74 of this guide to learn more about alternative pathways to Deakin.

SUPPORTING INFORMATION

Some degrees at Deakin may require additional documentation prior to admission, such as a portfolio of work, a current police check from your country, your resume or a personal statement.

When required, a personal statement gives you the chance to show us who you are. This can include your qualifications and background, and why you want to attend Deakin.

Visas

International students who want to study in Australia require a visa. This could be a student visa. It is important that you know the type of visa you are granted so that you can meet the requirements of that visa.

You can learn more about student visas and other important visa information at the Australian Government's Department of Home Affairs website.

English language requirements

To enrol in a Deakin degree, you will need to be able to read, speak, write and listen in English at a certain level. Students must provide evidence of at least one of the following:

- Obtaining the required scores on a recognised English language test, such as IELTS or TOEFL.
- Completed university (tertiary) or high school (secondary) studies taught in English.
- Lived and worked in an English-speaking country for at least five years.

PATHWAY TO DEAKIN

Find your path

Don't worry if you do not meet some of the academic or English language requirements for entry into a Deakin degree straight away.

We can still help you find a pathway to study with us.

Meeting the English language requirements at Deakin

The Deakin University English Language Institute (DUELI) is recognised as one of the best English language centres in Australia. DUELI pathways offer the opportunity to develop your English while improving your study skills and becoming familiar with studying at an Australian university.

Successful completion of DUELI's English for Academic Purposes (EAP) pathway programs can provide you with English entry into Deakin University and Deakin College.

You can progress through the programs you need for your next level of study, whether it be a diploma at Deakin College or a postgraduate degree.

DUELI programs include:

- English for Academic Purposes (EAP)
- General English
- English for Commerce
- English for Nursing
- English for Teaching
- IELTS Preparation
- Introductory Academic Program (IAP)

DUELI programs start every five weeks and are offered online and at Deakin's Melbourne Burwood Campus.

How to apply

You can apply to Deakin at any time throughout the year.

Our team is always ready to answer any questions and process your application quickly.

Application processes and requirements may differ slightly depending on your chosen degree, as well as your country of residence and entry pathway. Be prepared and give yourself time to gather the required paperwork.

APPLY IN FIVE STEPS

1. Find your degree

Choose the Deakin degree you would like to study. You can speak directly with us or with a Deakin authorised agent at any stage of the application process. Both are very knowledgeable and always happy to help.

2. Understand the academic entry requirements

Read all the academic entry requirements for your degree before you submit your application. Entry requirements may differ for some study areas or be dependent on your country of residence. Minimum requirements for our undergraduate degrees can be found on page 71 of this guide. Any special requirements will be listed on the specific course page of the Deakin website.

If you do not meet the academic entry requirements

There are a range of pathway options that may allow you to study at Deakin. Learn more about the pathway options on pages 73–74 of this guide.

Find out more deakin.edu.au/int-entry

3. Understand the English language requirements

All applicants need to meet Deakin's English language requirements to the level necessary for their chosen degree. IELTS scores are included on the course information pages of this guide. To learn more about IELTS and other English language tests, see page 72.

If you do not meet the English language entry requirements

There are a range of pathway options that may allow you to study at Deakin. Learn more about the pathway options on pages 73–74 of this guide.

Find out more deakin.edu.au/english-reqs

Applying for credit

If you have completed relevant previous study in your home country, you may be eligible to apply for credit towards your Deakin degree.

► Find out more: deakin.edu.au/rpl

4.

Gather supporting documents

When you submit your application to Deakin, make sure you attach all required supporting documentation. Otherwise, your application could be delayed or, even worse, rejected. Give yourself plenty of time to get organised. All documents must be translated into English. Most documents, such as transcripts and identification, need to be certified before they are submitted to Deakin.

► Find a Deakin authorised agent: deakin.edu.au/int-agents

5.

Submit your application

You can submit your application to study at Deakin by:

- Speaking with a friendly Deakin authorised agent, who understands what is required for a good application, as well as navigating the complexities that can come with visa applications, or;
- Applying directly to Deakin through Deakin's StudyLink Connect platform¹

¹ Please note that some students, depending on their country of citizenship, are required to submit an application through a Deakin authorised agent. Visit our website to view the list of countries this applies to.
