GRADUATE
COURSE GUIDE
2024**

CHANGE IT.

For 60 years, we've been working to change the world, and we're not about to stop. At Monash, we see challenges as opportunities to make things better.

It's hard to imagine a time when the need to make positive change has been greater than now. Through understanding and solving complex challenges, we can create a world where future generations can thrive.

We want you to help us do it.

Whether you want to change your life, your career, your community or the world, your journey starts at Monash.

As a university with a global footprint, we know we have to play our part in solving the problems facing the world.

That's why all Monash students, lecturers, researchers, professional staff, alumni and supporters contribute to making real change.

You, too, have the opportunity to step up and make a difference.

Are you ready?

Ready to make a change?
Click here to learn more.

A GLOBAL COMMUNITY

ITALY

Prato

In the heart of Tuscany and close to Florence, Prato is our European base where eight of our faculties offer units covering design, law, business and more.

Monash University is truly a global university. Our main base is in Australia, but our presence extends to locations in China, Malaysia, Indonesia, Italy and India. We also deliver awards in partnership with many international teaching institutions. Through our shared values, experiences and goals, we are more connected now than ever.

Each Monash campus has its own personality, and all are friendly, welcoming communities where you'll feel at home.

MALAYSIA

Kuala Lumpur

Monash University Malaysia is our third-largest campus, with more than 8000 students undertaking courses offered across seven schools.

INDONESIA

Jakarta

Research intensive and industry engaged, Monash Indonesia is a postgraduate campus for future leaders – those seeking master's and PhD degrees, as well as executive programs and micro-credentials.

MELBOURNE AUSTRALIA

Monash University recognises that its Australian campuses are located on the unceded lands of the people of the Kulin nations, and pays its respects to their elders, past, present and emerging.

Clayton

Our biggest campus, home to 38,000 students and nine of our ten faculties. Everything you need is on campus – food outlets, sporting facilities, health services and more.

Caulfield

Our Caulfield campus hosts 19,000 students and is our base for Art, Design and Architecture, and Monash Business School as well as some Arts and IT courses.

Parkville

Our dedicated Pharmacy and Pharmaceutical Sciences campus hosts 2000 students and is part of Australia's leading health and biomedical precinct.

Peninsula

A coastal home to approximately 4000 students, our Peninsula campus offers courses from the Faculty of Education and select courses from Monash Business School. Partnering with leading players in primary and allied healthcare, we also offer a number of courses from the Faculty of Medicine, Nursing and Health Sciences.

CHINA

Suzhou

The Southeast University-Monash University Joint Graduate School offers master's and PhD study options in areas ranging from industrial design and IT to business.

INDIA

Mumbai

Bustling Mumbai is home to the IITB-Monash Research Academy, a collaboration that gives PhD students opportunities to work closely with industry to find solutions to global problems.

LIFE-CHANGING RESEARCH

A scientist in a white lab coat and safety glasses is looking through a microscope in a laboratory. The background shows various pieces of laboratory equipment, including a computer keyboard and a monitor.

Through research and education, Monash University actively contributes to meeting the challenges of the age to create a better future.

Monash research strives to make a positive difference in the world. Even before we became the global university we are today, our researchers looked beyond traditional boundaries, discovering ways of approaching the fields in which they worked.

The greatest challenges of our age are both social and environmental; and our research is focusing on addressing four key areas within this, namely: artificial intelligence and data science, governance and policy, health sciences and sustainable development.

Today, our ambition and optimism are stronger than ever. We have a clear vision of what we want our research to achieve and how we'll help our researchers make it happen.

monash.edu/research

Monash's Victorian Heart Institute (VHI)

Monash's Victorian Heart Institute is focusing on research, training, and innovation to turn the tide on national heart disease rates.

Using a multidisciplinary approach, VHI will encourage collaborative discussions between different faculties within Monash for research opportunities, as well as partnerships between clinical schools within Monash and other major research organisations. This approach will play a major role in maximising contributions to preventing cardiovascular disease.

Monash Data Futures Institute

Monash Data Futures Institute brings together leading cross-disciplinary expertise, international partnerships and a large affiliate network. Using data-driven AI, the Institute is enhancing health sciences, governance and policy, and sustainable development.

One of the Institute's PhD scholarship recipients is Vidushani Dhanawansa who is researching the development of AI that will gauge levels of consciousness during general anaesthesia and surgery.

The RISE program

More than a billion people live in slums around the world where polluted water and inadequate sanitation are leading causes of preventable diseases. RISE is working with communities, governments, researchers and industry partners to co-design water and sanitation solutions with 24 informal settlements in Fiji and Indonesia.

Securing Antarctica's Environmental Future

Rapid change is underway in Antarctica and the Southern Ocean. Monash is on a mission to reduce uncertainties in future climate and sea-level projections, as a major contributor to the flagship global collaboration Securing Antarctica's Environmental Future (SAEF).

GET AHEAD WITH MONASH

From day one, a Monash education sets you on the path to future career success.

CAREER DEVELOPMENT

Our programs and platforms offer work-integrated learning experiences and engagement with industry. You'll develop an enterprising mindset, hone your employability skills, and gain a competitive edge in the graduate employment market.

Career Connect

Our Career Connect program gives you access to experienced coaches and industry-based professionals. Take part in employability workshops, small-group career conversations and, in your final year, one-on-one coaching.

monash.edu/career-connect

Student Futures

Our Student Futures platform allows you to collate the real-life skills that will show employers you have what they're looking for, taking into account not just your university activities, but those that are part of your 'outside' life – paid work, family responsibilities, and contributing to your community. monash.edu/student-futures

Mentoring

Throughout your studies, you'll have the opportunity to be a mentor or be mentored. You can share or gain insights about life at university, career planning, building employability, as well as future goals. monash.edu/mentoring

Develop leadership

While studying, you'll be encouraged to foster the skills for effective leadership that will enable you to bring out the best in yourself and the people around you. monash.edu/students/leadership

Monash Talent

With our employment service, Monash Talent, you can start your career search without stepping foot off campus. We have a team of recruitment specialists who'll connect you with reputable employers and match you with jobs that suit your skills and passions. monash.edu/talent

ACADEMIC DEVELOPMENT

Student Academic Access

Monash's Student Academic Success (SAS) is a program with a supportive specialist team of advisers. They'll work with you, both individually and in groups, to help you orient yourself to academic study at Monash, develop your learning and language skills and coach you so that you can optimise your academic success.

Our Learning and Language advisers are there to help you get on track with learning, stay on track and boost your results.

With Student Academic Success, you'll be able to access:

- individual consultations with learning and language advisers to gain support.
- workshops to learn a range of learning and language skills with other students.
- self-help resources such as quick study guides, learning and teaching technology guides and other bespoke resources that will support your orientation and academic progress.

SCHOLARSHIPS TO UNLOCK YOUR TALENT

Click here to learn about our
scholarships program.

IMAGE: Biomedical Learning and Teaching Building

At Monash, we believe in unlocking your potential to make a difference in the world.

Monash University is committed to attracting academic high achievers and producing internationally competitive graduates.

MONASH SCHOLARSHIPS

Monash International Leadership Scholarship

Tuition fees are paid for the duration of the course for high-achieving international coursework students. Selection is based on academic achievements, application statement and the student's potential to be a Monash University ambassador.

monash.edu/new-scholarships

Monash International Merit Scholarship

A\$10,000 is paid per year for the course duration to high-achieving international coursework students. Selection is based on academic achievements, application statement and the student's potential to be a Monash University ambassador.

Monash International Tuition Scholarship

This scholarship covers your course fees as an international graduate research student. Selection is based on academic achievements and eligibility.

Monash Graduate Scholarship

Available to students undertaking research doctorate and research master's degree. A total of up to \$A33,000 is paid for the duration of your research. Selection is based on academic achievements and eligibility. monash.edu/graduate-research/future-students/scholarships

Graduate research scholarship applications

You can apply to be considered for all scholarships you're eligible for, together with your application for admission.

monash.edu/research-apply

EXTERNAL SCHOLARSHIPS

Australia Awards

Australia Awards are prestigious international scholarships funded by the Australian government, and aim to contribute to the long-term development needs of Australia's partner countries. Monash offers a range of courses for the next generation of global leaders. To find out more, see the Australia Awards Scholarships information on the Department of Foreign Affairs and Trade website: www.dfat.gov.au

Other external scholarships

Monash has relationships with sponsors from numerous countries worldwide. These scholarships and sponsorships offer a range of benefits to recipients to enable them to study at Monash University. monash.edu/scholarships

STUDY GRANTS

At Monash, we're committed to helping you make change to the world we live in. Through our Study Grants program, we'll help you reach your full potential and achieve your career goals and aspirations.

As an international student applying to study a graduate course at Monash University in Australia, you'll automatically be assessed for a Monash University International Study Grant offer. Grants are applied as credit towards your tuition fees.

- You must study a minimum credit-point load per semester to maintain your grant.
- Please note that Monash University International Study Grants are limited, so we encourage you to apply early.

Image: Gardens between the Menzies building and the Campus centre, Clayton campus.

AM I ELIGIBLE?¹

You must first apply for a Monash course. Monash University International Study Grants are awarded based on select eligibility criteria including:

- Study level – new commencing students undertaking graduate degrees are eligible
- Academic criteria – you must meet our academic entry requirements and have a conditional or full offer letter to study at a Monash Australia campus.

For further information, visit monash.edu/study-grants

¹ Additional eligibility criteria apply and some courses may be excluded. Please visit the website for more detail.

[Click here](#) to find out more about study grants.

WORK WHILE YOU STUDY

From day one, a Monash education sets you on the path to future career success.

WORK-INTEGRATED LEARNING

Our programs and platforms offer work-integrated learning experiences and engagement with industry. You'll develop an enterprising mindset, hone your employability skills and gain a competitive edge in the graduate employment market.

Incorporate professional experience into your studies through clinical placements, fieldwork, study tours, placements, or internships. Each of our ten faculties offer work-integrated learning options. We've listed just a few.

IT and Engineering

Both our IT and Engineering faculties have specific work-integrated learning opportunities throughout their graduate offering.

Monash Law School

Monash Law offers a guaranteed clinical education experience for all students who wish to incorporate a practical component credited towards their Monash Law degree.

Monash Business School

Monash Business School offers practical experience with many of their courses, with many of their courses providing accreditation and professional recognition.

Medicine, Nursing and Health Sciences

Our school of Medicine, Nursing and Health Sciences have created placement requirements through many of their graduate courses, all designed to maximise your professional development.

[Click here](#) to learn more about our work-integrated learning options

I undertook a clinical placement with Tradelab, a Geneva based non-profit organisation that assists developing countries with trade-related legal matters.

This internship was valuable as it gave me an opportunity to gain practical working experience and at the same time make a meaningful contribution to the future of sustainable infrastructure development.”

PRATIK AMBANI

Master of Laws (Juris Doctor), 2019

I chose Monash specifically, because unlike similar programs in other universities, this program offered internship opportunities where we learn to apply our knowledge and skills in a real-life settings.

My internship with Janssen enabled me to seek guidance from people with years and years of experience within the pharmaceutical industry. Janssen arranged an intern engagement program where I had the opportunity to talk with people from different parts of the company each week. They also involved me in meetings where I could observe how different roles work together in a cross-functional team. I gained an understanding of how much science is involved and how it fits within a pharmaceutical company. This experience opened my eyes to a wide range of roles where science is highly utilised.”

ASSIFA NUR HISANA

Master of Biomedical and Health Science, 2020

A GLOBAL OUTLOOK

If you're passionate about tackling global challenges and collaborating with some of the brightest minds in your discipline area, then Monash is the place where your ideas and actions can gain momentum.

Our graduate degrees will give you the edge in the employment market and prepare you for the professions of the future, both in Australia and overseas.

Our industry-relevant courses are embedded with the leadership, entrepreneurial and commercialisation skills that will advance your career. You can take a semester at the King's College London, undertake master's units at the Monash Centre in Prato, Italy, or complete a double master's program with one of our international partners.

GET READY TO SEE THE WORLD

International placements

Choose from a range of international placements – Asia, Africa, Europe and the US.

Overseas internships

Intern at the United Nations, New York, or Shandong Television in China – just two of many options.

Monash Malaysia

Our Monash Malaysia campus offers students the opportunity to spend a semester at Monash University's third-largest campus which offers a distinctly international and culturally rich environment.

Monash Prato, Italy

Study at the Monash Prato Centre in Italy – offerings include fine art, architecture, Italian and law.

Connect

Globally connected, our network of 440,000+ alumni are at the forefront of social and technological progress at many of the world's best companies.

Image: Piazza in Prato, Italy.

LIVING IN MELBOURNE

Our Australian base is a vibrant, multicultural city that offers an abundance of cultural festivities, international sporting events, cafés and restaurants with cuisines from around the world, beautiful parks and beaches, and an eclectic mix of music and arts. You couldn't pick a better place to live.

As one of the world's most liveable cities¹, you can expect excellence in public transport and healthcare, as well as opportunities for casual work while studying. Plus, Melbourne is renowned as a welcoming environment for international students, providing a home away from home.

LIVING ON CAMPUS

Start with a short stroll to class before lunch. Study on the lawns in the afternoon. Gyms, sports fields and even restaurants – they're all on your doorstep if you live on campus.

Scan here for more information about our Clayton campus.

Image: Studying at the library at Caulfield campus.

Image: The Monash Merchant has all your fruits, vegetables and grocery needs. Clayton campus.

Image: Outdoors at the campus centre, Clayton.

Here are some costs associated with living and studying in Australia, and should be used as an approximate guide.

These figures are estimates only, and may vary depending on your location and lifestyle. Rent, for example, is more expensive in some areas of Melbourne than others. Depending on your chosen degree, additional costs may apply for class materials and other course requirements. Please make sure you check any additional costs for your course before commencing your studies. All costs are subject to inflation.

ACCOMMODATION

On-campus accommodation

On-campus accommodation is supported by live-in staff and student leaders, making campus life a breeze. There's also 24-hour security on campus, and a thriving events and activities program to help you settle into your new community. We also have dedicated graduate wings in our urban community halls exclusively for graduate students. They're quieter and often include shared spaces to study and to connect with your neighbours.

If you're a graduate or mature-aged student you'll be allocated a room within a graduate wing.

Prices for on-campus accommodation range from approximately \$250 to \$320 per week¹. You can choose from traditional halls of residence, self-contained studio apartments or shared apartments.

Applications are free and open in September.

With students from more than 70 countries and a wide range of facilities on your doorstep, discover why on-campus accommodation is much more than just your room.

monash.edu/accommodation

Off-campus accommodation

The below lists some options for off-campus accommodation and estimated prices. Prices will most likely vary depending on where you choose to live.

| OFF-CAMPUS ACCOMMODATION | A\$ PER WEEK |
|-----------------------------|-------------------------|
| Hostels and guesthouses | \$130 to \$200 per week |
| Shared rentals ² | \$160 to \$300 per week |
| Rental ³ | \$250 to \$500 per week |

OTHER LIVING EXPENSES

There are additional living expenses beyond accommodation costs. You'll also need to budget for groceries, utilities, public transport or a car, and there's also entertainment to consider as well!

The website below provides a calculator where you can calculate your estimated costs to give you a sense of what your expenses may be.

For more information visit, www.studyaustralia.gov.au/english/live/living-costs

- The fees for living on campus at Monash University vary depending on the type of accommodation. On-campus accommodation cost includes gas, water, electricity, internet, residential parking permit and laundry. The rates above are for 2023. Rates for 2024 may be different; the contract period for 2024 will be available from late October 2023. Details: monash.edu/accommodation/accommodation/pricing
- Shared accommodation varies on a weekly basis depending on the accommodation location and the number of occupants. Off-campus shared rental accommodation prices do not include utilities. Prices listed here are rates for 2023; prices may vary in 2024.
- Rental costs listed here are based on costs for two-bedroom apartments. Prices vary depending on suburbs.

WE'LL SUPPORT YOU

University study takes commitment and drive, especially if you're moving to a new city or country.

We can help you settle into university life by providing an extensive range of support programs and services. And to help you maintain the momentum, we'll put you in touch with like-minded people – to share information, build networks and get the support to keep you going. We recognise the richness and depth of our Monash community, and are committed to diversity and inclusion.

Details: monash.edu/study/student-life

Monash Connect

Monash Connect Student Service Centres are located on each Australian campus, making it easy for you to understand administrative processes and access information. Staff can assist with your questions about admissions, enrolment, fees, student visas, accommodation, language support, academic support, graduations, scholarships and finding your way around campus. We now offer 'live chat' to new and existing students. It's just another way we're making it easier to find out what you need to study at Monash.

We also have an informative handbook specifically for new Muslim students studying in Victoria. You can download a copy of the Salaam Monash handbook in English, Bahasa Indonesia or Arabic from monash.edu/salaam-monash

It will provide information about adjusting to life in Australia and studying at Monash, including campus maps, lists of social groups, and a directory of halal outlets. Alternatively, you can pick up a copy of the handbook from Monash Connect on your campus.

Details: monash.edu/connect

Conversational English Programs

We offer a range of free programs to help you become savvy in Australian culture, further develop your English language skills and engage with students from all over the world. Let's Chat programs are fun, obligation-free group conversation sessions. Peer Support provides one-on-one assistance with written English. No assessment, no homework, no pressure – all you need is your enthusiasm to participate in practical sessions designed to refine your conversation skills in a supportive environment.

Details: monash.edu/english-connect

Monash Professional Pathways

Offering a 12-week internship and work-readiness training, the Professional Year Program from Monash Professional Pathways helps you obtain the skills and experience that employers demand.

Details: monashprofessional.edu.au

Campus security

While Melbourne is considered one of the world's most liveable cities¹, at Monash we always look out for our students' welfare. We provide a range of security services to ensure our students are safe at all times. These include 24-hour security patrols, security escorts, and an evening security bus between our Clayton and Caulfield campuses.

Details: monash.edu/about/safety-security

Airport pick-up

Monash University welcomes all new international students with a free airport pick-up service to take you to your accommodation. To arrange a pick-up, you must submit an airport pick-up request form at least three working days before you arrive in Australia.

Details: monash.edu/study/international/preparing/reception

Disability support services

If you have a disability, medical or mental health condition that may impact on your study, Disability Services can support you. Registered students can access services such as academic support, assistive software and equipment loans.

Details: monash.edu/disability

Family support

If you have children or other family commitments, Monash provides advice regarding childcare, primary school, playgroups, school holiday care, and other child and family support matters. We have arrangements with childcare centres at our Clayton, Caulfield and Peninsula campuses. Social events for international students with families are also held throughout the year. Details: monash.edu/childcare

Wellbeing

Monash offers expert health and wellbeing counsellors, medical practitioners and multi-faith chaplains to support you in all facets of your life. Information is provided at orientation on a wide range of topics, including settling into life in Australia, healthcare, transport, student visas, safety, getting connected, and opportunities to make new friends. Details: monash.edu/health

Clubs and societies

More than 100 student-run clubs and societies organise activities, events, competitions, productions, get-togethers, seminars, camps, conferences and more for our 10,000-plus student members. There's a wide variety of clubs on offer – academic, cultural, spiritual and special interest – to put you in touch with like-minded people. Our involvement in more than 50 sports means it's easy to get involved – try our athletics, table tennis, dance, badminton, basketball or soccer clubs. Details: monash.edu/study/student-life/clubs-and-societies

Click here to see how you can use social networking tool aMigo to connect with other new Monash students before commencing your studies.

ARCHITECTURE

MASTER OF ARCHITECTURE

COURSE CODE: F6001 **CRICOS CODE:** 097034K

📍 CAULFIELD (on campus) ⌚ 2 OR 3 YEARS (full time)
➔ FEBRUARY 💰 A\$44,800 (2023 fees p.a.)

Fees are per 48 credit points, which represents a standard full-time course load for a year.

ENGLISH TEST LEVEL²
LEVEL A (see page 82)

ENTRY REQUIREMENTS
ELIGIBILITY

| Requirement | Grade | Credits |
|--|-------------------|---------|
| Bachelor's degree (or equivalent) in any field | High credit (65%) | 3 |
| Bachelor's degree in architecture ⁵ (or equivalent) | High credit (65%) | 2 |

As a Monash Master of Architecture graduate, you'll have vision to design architecture that responds to the dynamic needs of society while also speculating about the future of our built environment.

In this project-based studio course, you'll be guided by industry experts and award-winning architecture academics. This integrated program of study allows you to select from a range of design studios in conjunction with advanced architectural studies. Whether you've completed undergraduate studies in architecture or another field, you'll be supported to excel to become a professional architect.

PROFESSIONAL RECOGNITION

The Master of Architecture meets the academic requirements for professional recognition and is accredited by the Architects Accreditation Council of Australia (AACA), as well as numerous agencies and organisations worldwide, including the board of architects in Malaysia and Singapore.

ADDITIONAL SELECTION REQUIREMENTS

THREE-YEAR DURATION

You must also provide:

- a curriculum vitae and a statement of intent.

TWO-YEAR DURATION

You must also provide:

- a design folio, and
- a curriculum vitae.

Shortlisted applicants may be invited to attend an interview.

CAREER OPTIONS

- Registered architect
- Drafting and design work
- Government policy advisor
- Project management
- Property or community development.

RESEARCH WITH IMPACT

At Monash Art, Design and Architecture, you'll have the opportunity to study with a wide range of academics who undertake innovative, collaborative research that addresses the most pressing issues of our times.

Discover more at monash.edu/mada/research

DESIGN

MASTER OF DESIGN

In a rapidly transforming world, designers need to constantly develop their skillsets, strategic thinking and knowledge to respond to developments in their field with innovative solutions.

Ideal for both designers and non-designers, this course focuses on four core design studios that will engage you with design systems, services, processes, environments and objects.

Guided by Monash design academics and industry practitioners, you'll build technical capabilities and knowledge in design thinking and strategy while developing research capabilities and an entrepreneurial mindset.

SPECIALISATIONS

- Collaborative design
- Interaction design
- Multimedia design
- Advanced studies in design

PROFESSIONAL RECOGNITION

The Master of Design is a 'recognised course' by the Design Institute of Australia – the peak industry body for professional design.

ALTERNATIVE EXITS

- Graduate Certificate of Design
- Graduate Diploma of Design

CAREER OPTIONS

- Interdisciplinary collaborative designer
- Multimedia designer
- Web, UX, UI, animation, or interaction designer.

1 Part-time study may be available to international students studying onshore in Australia who hold specific visa categories. Please check your visa for confirmation.

2 This is only applicable if you have not satisfied the English language requirement; you're required to complete a Monash approved English test such as an IELTS (Academic), Internet Based TOEFL or Pearson Test of English (Academic). Other English tests may also be accepted and are assessed when you apply to Monash.

3 In equivalent Monash University grading scale terms, a 100% scale where 50% is a pass. Your prior qualification/s must be accredited to the equivalent Australian level specified in the eligibility requirements table.

4 Even if you're eligible for a shorter course duration, you may elect to complete the longer duration.

5 This qualifying bachelor degree must have been completed within five years of the proposed commencement of the master's program. If you've successfully completed the Bachelor of Architectural Design at Monash University, you are guaranteed a place upon application to progress into the two-year Master of Architecture.

6 Or equivalent qualification and relevant experience approved by the faculty.

7 Related fields may include graphic design, communication design, visual communication, interior design, interior architecture, exhibition design, interaction design, user experience design, multimedia design, motion design, web design, industrial design or product design.

8 You must have achieved a credit average (60%) in the graduate certificate qualification.

9 If you're applying to do the one-year program, you're required to provide 10–15 images of recent original work, clearly numbered with a corresponding list of details attached, and to identify your preferred specialisation.

URBAN PLANNING AND DESIGN

MASTER OF URBAN PLANNING AND DESIGN
COURSE CODE: F6004 **CRICOS CODE:** 093076K

📍 CAULFIELD (on campus) ⌚ 2 YEARS (full time)¹
 → FEBRUARY 💰 A\$44,800 (2023 fees p.a.)

Fees are per 48 credit points, which represents a standard full-time course load for a year.

|---|-------------------|---|
| Bachelor's degree (or equivalent) in any field ⁵ | High Credit (65%) | 2 |
|---|-------------------|---|

PROFESSIONAL ACCREDITATION

The Master of Urban Planning and Design is accredited by the Planning Institute of Australia (PIA).

ADDITIONAL SELECTION REQUIREMENTS

You'll be required to attend an interview (held over the phone) with academic staff from the program.

CAREER OPTIONS

- Strategic planner: private and public sector
- Statutory planner
- Urban designer
- Sustainable development
- Community development
- Transport planner.

Our Master of Urban Planning and Design places you ahead of the competition by integrating design with policy-based knowledge. You'll develop the technical capabilities and creative capacity to address the big challenges facing our cities.

Guided by Monash academics and industry professionals, you'll focus on four project-based learning themes: the compact city, the ecological city, the inclusive city, and planning for metropolitan growth areas. You'll study in real-world environments and engage in lectures, workshops, seminars, field visits, and have the option for international study tours.

1 Part-time study may be available to international students studying onshore in Australia who hold specific visa categories. Please check your visa for confirmation.
 2 This is only applicable if you have not satisfied the English language requirement; you're required to complete a Monash approved English test such as an IELTS (Academic), Internet Based TOEFL or Pearson Test of English (Academic). Other English tests may also be accepted and are assessed when you apply to Monash.
 3 The entry score is only indicative.
 4 In equivalent Monash University grading scale terms, a 100% scale where 50% is a pass. Your prior qualification/s must be accredited to the equivalent Australian level specified in the eligibility requirements table.
 5 Or equivalent qualification and experience approved by the faculty.

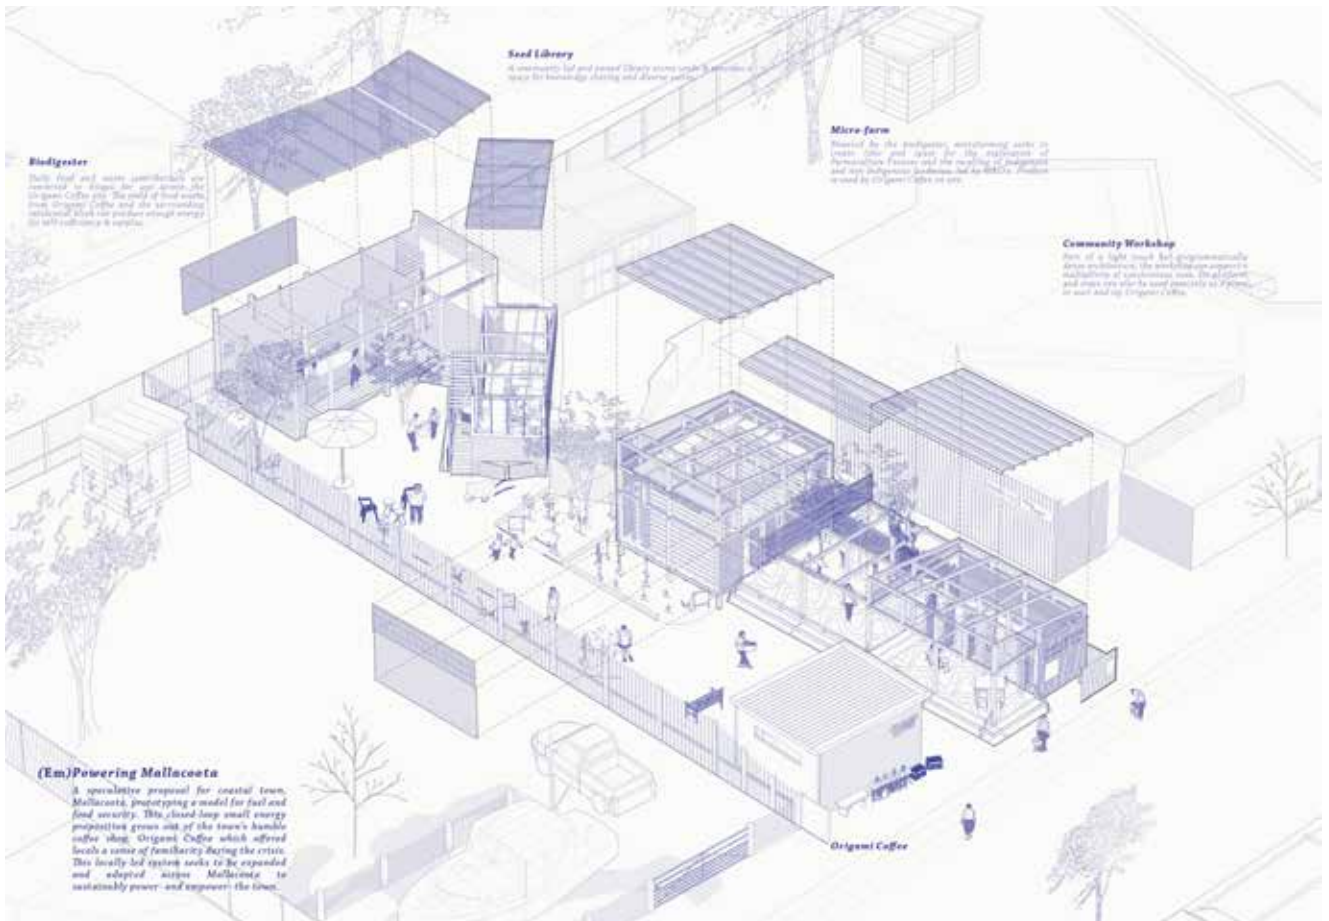

Image: (Em)Powering Mallecoota is a prototype model for fuel and food security designed in collaboration by Master of Architecture students Sithij Rinaldi Cooray and Haroula Karapanagiotidis. It exemplifies work from the 'Rethinking Regional Recovery,' studio.

Create a master's degree that suits you

Our courses offer a unique and nuanced approach to their industry and subject matter, and are underpinned by our guiding principles to be innovative, international and engaged. There are many ways you can create the master's degree that best suits your interests and career needs:

- **Tailor your program** by taking specified electives from any other coursework master's degrees offered in the faculty¹
- **Accelerate your studies**, taking units over the winter and summer, and complete your degree in one year²
- Apply for **professional internships** to develop your professional experience and networks
- Go on **study tours** and gain practical, on-the-ground experience both in Australia and abroad
- Create a **pathway to a PhD** – by completing a research thesis as a prerequisite for future enrolment into a PhD or master's by research
- Take advantage of **leadership opportunities** through our Arts Graduate Leadership Program and gain access to professional development workshops.

APPLIED LINGUISTICS

MASTER OF APPLIED LINGUISTICS

COURSE CODE: A6001 CRICOS CODE: 082651G

PROFESSIONAL INTERNSHIP: WORK-INTEGRATED LEARNING INTERNSHIP AVAILABLE

📍 CLAYTON (on campus, online)³ ⌚ 1, 1.5 OR 2 YEARS (full time)⁴
 → FEBRUARY AND JULY 💰 \$37,900 (2023 fees p.a.)

Fees are per 48 credit points, which represents a standard full-time course load for a year.

ENGLISH TEST LEVEL⁵
LEVEL A (see page 82)

ENTRY REQUIREMENTS ELIGIBILITY

| Requirement | Credit (60%) | Duration |
|---|-------------------------|----------|
| Bachelor's degree (or equivalent) in any field | Credit (60%) | 2 |
| Bachelor's degree (or equivalent) in a related field ⁸ , OR | Credit (60%) | 1.5 |
| Bachelor's degree (or equivalent) in any field + graduate certificate (or equivalent) in a related field ⁸ | Pass (50%) ⁹ | |
| Bachelor's (hons) degree (or equivalent) in a related field ⁸ | Credit (60%) | |

As globalisation continues, the demand for applied linguists, English language experts, teachers and intercultural communicators has significantly increased. The application of linguistic knowledge to professional contexts is at the heart of the curriculum. You'll have the opportunity to regularly engage with real-world case studies and practical problem-solving as part of your studies. There's also an extensive fortnightly seminar series where you can engage with guest lecturers from industry and other universities.

ALTERNATIVE EXITS

- Graduate Certificate of Applied Linguistics
- Graduate Diploma of Applied Linguistics

CAREER OPTIONS

- Editing and publishing
- Language teaching (LOTE, TESOL, TEFL)
- Language planning and policy work.

BIOETHICS

| Bachelor's (hons) degree (or equivalent) in a related field ¹⁰ | Credit (60%) | 1 |

Revolutionary developments in biological and health sciences and technology are increasingly raising crucial ethical questions. The Master of Bioethics is designed to be truly interdisciplinary, bringing together minds from philosophy, medicine, biotechnology, law, journalism and science, to learn with and from one another.

Our Master of Bioethics is offered by the Monash Bioethics Centre, established by Professor Peter Singer in 1980 and was Australia's first research centre devoted to bioethics. In 2014 it was designated as a World Health Organization Collaborating Centre for Bioethics, of which there are only six worldwide. You'll work with expert staff who are internationally recognised leaders and active, prominent contributors to public and professional discussions about a variety of issues in the field.

You'll have the opportunity to collaborate with industry and apply for optional internships, both in Australia and overseas.

ALTERNATIVE EXITS

- Graduate Certificate of Bioethics
- Graduate Diploma of Bioethics

CAREER OPTIONS

- Clinical ethics and research ethics within hospitals and health care facilities
- Public policy development
- State guardianship boards.

¹ Only available for students completing the two-year option, and commencing in semester one.

² Only available for students completing the 1.5-year option. Not available with the Master of Interpreting and Translation Studies or the Master of Bioethics.

³ The online offering of this course is only available to domestic students, international students living and studying offshore, and holders of an Australia temporary visa (other than a student visa) that has a full study entitlement. The online offering is NOT available to international students currently in Australia on a student visa.

⁴ Part-time study may be available to international students studying onshore in Australia who hold specific visa categories. Please check your visa for confirmation.

⁵ This is only applicable if you have not satisfied the English language requirement; you're required to complete a Monash approved English test such as an IELTS (Academic), Internet Based TOEFL or Pearson Test of English (Academic). Other English tests may also be accepted and are assessed when you apply to Monash.

⁶ In equivalent Monash University grading scale terms, a 100% scale where 50% is a pass. Your prior qualification/s must be accredited to the equivalent Australian level specified in the eligibility requirements table.

⁷ Even if you're eligible for a shorter course duration, you may elect to complete the longer duration.

⁸ Related fields include linguistics, applied linguistics, language study or teaching, translation and interpreting, TESOL and speech pathology.

⁹ You must have achieved a pass (50%) average in both qualifications.

¹⁰ Related fields include medicine and other health sciences, life sciences, social sciences, law and humanities.

COMMUNICATIONS AND MEDIA STUDIES

MASTER OF COMMUNICATIONS AND MEDIA STUDIES

COURSE CODE: A6003 CRICOS CODE: 082653F

PROFESSIONAL DEVELOPMENT: WORK-INTEGRATED LEARNING INTERNSHIP AVAILABLE

📍 CAULFIELD (on campus) ⌚ 1, 1.5 OR 2 YEARS (full time)¹
 → FEBRUARY AND JULY 💰 A\$38,300 (2023 fees p.a.)

Fees are per 48 credit points, which represents a standard full-time course load for a year.

ENGLISH TEST LEVEL²
LEVEL A (see page 82)

ENTRY REQUIREMENTS ELIGIBILITY

| Requirement | Grade | Duration |
|---|-------------------------|----------|
| Bachelor's degree (or equivalent) in any field | Credit (60%) | 2 |
| Bachelor's degree (or equivalent) in a related field ⁵ , OR | Credit (60%) | |
| Bachelor's degree (or equivalent) in any field + graduate certificate (or equivalent) in a related field ⁵ | Pass (50%) ⁶ | 1.5 |
| Bachelor's (hons) degree (or equivalent) in a related field ⁵ | Credit (60%) | 1 |

Become an insightful, impactful and engaging communicator by exploring the latest developments and research in communications and media. Hands-on skill development in project management, media research and media production is complemented by a rigorous academic grounding which will provide you with the conceptual framework for critical decision making throughout your career. The course content is uniquely customisable and flexible, enabling you to develop advanced specialisations, and pursue your passions through a broad range of future-focused electives.

Our Master of Communications and Media Studies provides a global curriculum that prioritises real-world and industry experience. You'll have the opportunity to attend field trips to media outlets in Sydney, Melbourne, and Shanghai.

You'll have the option of undertaking an industry internship where you can apply your skills in real-work situations. Excursions and guest lectures help to provide further industry-based learning opportunities.

The Master of Cultural and Creative Industries prepares students for diverse career pathways in the cultural sector. The course examines the trends and transformation of the global cultural and creative industries and multi-faceted challenges facing creative practitioners, cultural managers, creative entrepreneurs and producers, and policy makers.

You'll gain a detailed understanding of this dynamic sector from a range of industry professionals and real-world projects in Australia and overseas. Whether exploring creative clusters in Melbourne and Shanghai, or understanding the business models of global digital industries, our agile content will prepare you for a career in this expanding sector.

You'll gain insight into how to initiate and manage projects, and how to evaluate their success, while maintaining close contact with a range of industry professionals and real-world projects from Australia and overseas.

ALTERNATIVE EXITS

- Graduate Certificate of Cultural and Creative Industries

LEVEL A (see page 82)

ENTRY REQUIREMENTS

ELIGIBILITY

| | | |
|--|--------------|------|
| Bachelor's degree (or equivalent) in any field including advanced bilingual proficiency ⁷ , OR | | |
| Bachelor's degree (or equivalent) in any field + a graduate certificate (or equivalent) in any field including advanced bilingual proficiency ^{7,8} | Credit (60%) | 2 |
| Bachelor's (hons) degree (or equivalent) in a related field including advanced bilingual proficiency ⁷ | Credit (60%) | 1.75 |

Develop your practical and theoretical skills in translation and interpreting in English and a second language chosen from Chinese, French, German, Indonesian, Italian, Japanese, Korean, Russian or Spanish.

Combining practical internships with rigorous academic foundations, you'll be able to implement advanced reading, analytical and communication skills throughout your working life.

Incorporate a minimum of 50 hours of professional internship and gain real-world experience, build networks, and significantly improve your graduate employability prospects.

As a Monash graduate, you'll have the highest level of professional accreditation available within Australia.

PROFESSIONAL ACCREDITATION

Our course is endorsed by the National Accreditation Authority for Translators and Interpreters (NAATI). Monash was also the first Australian university to be a member of the Conférence Internationale Permanente d'Instituts Universitaires de Traducteurs et Interprètes (CIUTI) – the world's most prestigious international association of tertiary institutions offering degrees in translation and interpreting.

SPECIALISATIONS

- Interpreting and translation
- Translation

DOUBLE MASTER'S PROGRAM

Available as part of the double master's program with Jean Moulin Lyon 3 University, France; Kobe City University of Foreign Studies, Japan; or University of Bologna, Italy.

ALTERNATIVE EXITS

- Graduate Certificate of Arts
- Graduate Diploma of Arts

CAREER OPTIONS

- Interpreting (conference interpreter, community interpreter, court interpreter)
- Translating (technical, legal, audio-visual, literary).

¹ Units for the Interpreting specialisation are taught at the Caulfield campus.

² Part-time study may be available to international students studying onshore in Australia who hold specific visa categories. Please check your visa for confirmation.

³ July entry option available to students completing the translation stream only.

⁴ This is only applicable if you have not satisfied the English language requirement; you're required to complete a Monash approved English test such as an IELTS (Academic), Internet Based TOEFL or Pearson Test of English (Academic). Other English tests may also be accepted and are assessed when you apply to Monash.

⁵ In equivalent Monash University grading scale terms, a 100% scale where 50% is a pass. Your prior qualification/s must be accredited to the equivalent Australian level specified in the eligibility requirements table.

⁶ Even if you're eligible for a shorter course duration, you may elect to complete the longer duration.

⁷ The level of language competence should be equivalent to at least three years' post-year-12 study.

⁸ A credit (60%) average is required in both qualifications.

Develop your expertise to work in policy areas across both the public and private sectors, from government organisations and multinationals through to non-government organisations and independent consultancies.

Our Master of Public Policy builds practical knowledge and skills for policy practitioners across the spectrum of public sector activities. The course combines a focus on essential foundation knowledge of public policy with a practical understanding of critical issues in policy analysis, implementation, evaluation and governance.

Tailor the program to your interests and career aspirations by choosing from one of a dozen elective streams including criminology; cultural and creative industries; diplomacy and international trade; family violence prevention; global migration; health and social policy; organisational leadership; public finance; regulatory policy; sustainability and the environment; transport; and urban policy.

SPECIALISATIONS

Build your skills in advocacy and campaigning, public relations and crisis communications as well as audience research and analytics.

Taught by leading academics and practitioners in the field, the Master of Strategic Communications Management has a strong applied focus and aligns closely with innovation taking place in the industry.

You'll examine the impact of persuasive storytelling and influencer strategies, and will consider the effectiveness of integrated media campaigns using both traditional and digital approaches.

You'll be equipped with the skills and knowledge to build effective communication and stakeholder engagement strategies, as well as the expertise to communicate with diverse audiences during and after a crisis.

Your studies will be capped with the option of an industry communications field school, professional internship or major research project.

DOUBLE MASTER'S PROGRAM

ENGLISH TEST LEVEL⁴
LEVEL A (see page 82)

ENTRY REQUIREMENTS ELIGIBILITY⁵

| | | |
|--|--------------------------------|-----|
| Bachelor's degree (or equivalent) in a STEM or business area ⁸ | High Credit (65%) ⁹ | 1.5 |
| Bachelor's degree (or equivalent) with a major or minor ¹⁰ in a related field ¹¹ + a graduate certificate / honours degree (or equivalent), OR | High Credit (65%) ⁹ | 1 |
| Bachelor's degree (or equivalent) in a STEM or business area ⁸ + two years' relevant professional experience ¹² | | |

This course has a strong emphasis on developing analytical skills required to design and implement econometric projects for the government and business sectors. You'll develop professional competence in aspects of commerce required for careers in the corporate sector and government.

Focus your studies from the start, blending a conceptual theoretical framework with practical applications. You'll also cover basic discipline material through to more specialised comprehensive study of applied econometric analysis for time series data, financial markets, energy and climate data, macroeconomic and microeconomic data, and will build in-depth expertise in one of the following themes:

- macro and financial econometrics
- micro and health econometrics
- data analytics for energy and climate.

You'll have the opportunity to undertake independent research.

The course will provide skills in econometric techniques and research to prepare you for research projects. This course may also be used as a PhD pathway for high-performing students to pursue doctoral study.

DOUBLE MASTER'S PROGRAM

This course is available as a double degree and can be taken with either of the master's courses listed below:

- Master of Advanced Finance (B6043/112897M)
- Master of Global Business (B6045/112894C).

ALTERNATIVE EXITS

- Graduate Certificate of Business
- Graduate Diploma of Business.

APPLIED MARKETING

MASTER OF APPLIED MARKETING

COURSE CODE: B6042 **CRICOS CODE:** 112901J

📍 CAULFIELD (on campus, online)² ⌚ 1 OR 1.5 YEARS (full time)³
➔ FEBRUARY AND JULY 💰 A\$50,000 (2023 fees p.a.)

Fees are per 48 credit points, which represents a standard full-time course load for a year.

ENGLISH TEST LEVEL⁴

ENTRY REQUIREMENTS ELIGIBILITY

| | | |
|--|--------------------------------|-----|
| Bachelor's degree (or equivalent) with a major in marketing | High Credit (65%) ⁹ | 1.5 |
| Bachelor's degree (or equivalent) with a major in marketing + a graduate certificate / honours degree (or equivalent) in marketing, OR | High Credit (65%) ⁹ | 1 |
| Bachelor's degree (or equivalent) with a major in marketing + two years' relevant professional experience ¹² | | |

This course is designed to help current and future marketing professionals get ahead of the curve, and make a positive impact on business and society.

You'll blend cutting-edge research and practice to deepen your marketing knowledge, and make a positive impact on business and society. You'll not only study the latest theories and research influencing the industry – even more importantly, you'll build a toolkit of techniques, frameworks, and strategies necessary for responsible and effective marketing leadership.

You'll be taught by leading academics and industry experts in areas such as advertising, company strategy and value creation. You'll also have the opportunity to study alongside marketing professionals from a range of industries, undertake a major corporate project, or take part in our global study program to either Asia or Europe.

The flexible study structure allows you to balance work and study, with some units offered in intensive block mode or evening classes.

DOUBLE MASTER'S PROGRAM

This course is available as a double degree and can be taken with either of the master's courses listed below:

- Master of Global Business (B6047/112892E)
- Master of Management (B6052/112888A).

ALTERNATIVE EXITS

- Graduate Certificate of Business.
- Graduate Diploma of Business

¹ The QS World University Rankings by Subject is a discipline ranking, not a course ranking. It is based on academic reputation, employability, research citations and impact.

² The online offering of this course is not available to international students who are holders of an Australian student visa, for study onshore in Australia. However, holders of some other categories of Australian visas living in Australia, and students studying off-campus by distance learning (where this option is available) and living outside of Australia, may be eligible for this course.

³ Part-time study may be available to international students studying onshore in Australia who hold specific visa categories. Please check your visa for confirmation.

⁴ This is only applicable if you have not satisfied the English language requirement; you're required to complete a Monash approved English test such as an IELTS (Academic), Internet Based TOEFL or Pearson Test of English (Academic). Other English tests may also be accepted and are assessed when you apply to Monash.

⁵ You'll be ranked and selected based on your entire academic record. If you've completed relevant discipline units in an Australian bachelor degree's (or equivalent qualification) you may be exempted from undertaking advanced preparatory units and will be able to choose an alternative unit, in consultation with the course director.

⁶ In equivalent Monash University grading scale terms, a 100% scale where 50% is a pass. Your prior qualification/s must be accredited to the equivalent Australian level specified in the eligibility requirements table.

⁷ Even if you're eligible for a shorter course duration, you may elect to complete the longer duration.

⁸ You must have also passed a first-year statistics or mathematics unit or equivalent.

⁹ Or equivalent grade point average (GPA).

¹⁰ A minor is at least four units (equivalent to 24 Monash credit points).

¹¹ Related fields include actuarial studies, econometrics, engineering, finance, mathematics, science or statistics.

¹² If you're applying on the basis of work experience, you're required to provide a curriculum vitae outlining your employment history and professional experience including details of two references, and a statement of purpose.

BANKING AND FINANCE

This course provides an advanced understanding of economics and its application to government and business decision-making. With its strong emphasis on developing analytical skills, you'll gain professional competence in aspects of economics required for careers in the corporate sector and government.

If you're looking to extend your knowledge of economic analysis in the global economy, this course is ideal. You'll develop a solid grounding in economic development, competition policy, economic policy, project evaluation, pricing and risk and regulation.

Designed for recent economics graduates and for early career economists, you'll gain expertise in applied economic tools, undertake independent research and develop deep knowledge in a particular area of economics, such as development economics or policy economics.

Focus your studies from the start, blending a conceptual theoretical framework with practical applications that will cover basic discipline material through to more specialised economic units. You can also create your own stream selecting units that align with your career aspirations.

A Graduate Diploma of Economic Analytics will provide you with advanced knowledge of economic policy, data-driven economic decision making, forecasting and econometrics.

You'll have the opportunity to upskill and deepen your understanding of economic analytics to launch or advance your career in this growing area.

You'll gain insights in data visualisation and data analysis, and economic decision-making, as well as the application of microeconomics and industry economics, econometrics and business forecasting. You'll also be able to take part in in-class coding labs.

This graduate diploma is perfect if you're new to the field, as you'll be introduced to economics and econometrics at an advanced undergraduate and graduate level.

As part of this course you'll be studying master's-level units, which will count towards a master's-level qualification should you want to expand your knowledge further.

ADDITIONAL SELECTION REQUIREMENTS

You must have passed a first-year undergraduate statistics unit, or provide evidence of qualifications/training or experience that the faculty considers to be equivalent.

| Bachelor's degree (or equivalent) with a major or minor ⁷ in a related field ⁸ + a graduate certificate / honours degree (or equivalent), OR | High Credit (65%) ⁹ | 1 |
| Bachelor's degree (or equivalent) with a major or minor ⁷ in a related field ⁸ + two years relevant professional experience ¹⁰ | | |

This is a future-focused, innovation-led course designed to provide you with the skills needed to navigate regulatory compliance within an increasingly complex corporate environment.

Designed in conjunction with industry experts, this course will equip you to manage beyond compliance, through exposure to international best practice and the latest regulatory technologies.

You'll also discover how to identify key risks within businesses, and gain an understanding of the contemporary regulatory and compliance environment in which business operates.

Focus on one discipline or select from a range of discipline-specific regulation orientated electives in the areas of: banking and finance, sustainability and environment, contemporary business and corporate regulation, employment regulation, management and risk, and global enterprise.

DOUBLE MASTER'S DEGREE

This course is available as a double degree and can be taken as a double degree with either of the master's courses listed below:

- Master of Global Business (B6044/112896A)
- Master of Management (B6050/112889M).

ALTERNATIVE EXITS

- Graduate Certificate of Business
- Graduate Diploma of Business.

¹ The QS World University Rankings by Subject is a discipline ranking, not a course ranking. It is based on academic reputation, employability, research citations and impact.

² Part-time study may be available to international students studying onshore in Australia who hold specific visa categories. Please check your visa for confirmation.

³ Units may be taught at Caulfield or a Monash city location, including compulsory units. Please contact the course director for further information.

⁴ This is only applicable if you have not satisfied the English language requirement; you're required to complete a Monash approved English test such as an IELTS (Academic), Internet Based TOEFL or Pearson Test of English (Academic). Other English tests may also be accepted and are assessed when you apply to Monash.

⁵ In equivalent Monash University grading scale terms, a 100% scale where 50% is a pass. Your prior qualification/s must be accredited to the equivalent Australian level specified in the eligibility requirements table. You'll be ranked and selected based on your entire academic record, employment experience and a statement of purpose.

⁶ Even if you're eligible for a shorter course duration, you may elect to complete the longer duration.

⁷ A minor is at least four units (equivalent to 24 Monash credit points).

⁸ Related fields include: management, business, commerce, economics, law, humanities or social science disciplines.

⁹ Or equivalent grade point average (GPA).

¹⁰ If you're applying on the basis of work experience, you're required to provide a detailed curriculum vitae, outlining your employment history and professional experience.

This course is for those interested in the science and practice of applied behaviour analysis in clinic, home, school and work settings. You'll be provided with the knowledge and tools to help people with diverse needs to learn new skills, become more independent, and overcome socially important problems, using empirically-supported assessment, teaching, and intervention strategies.

You'll graduate ready to work across a range of contexts, including early intervention, general education, inclusive and special education, and specialised behaviour support.

PROFESSIONAL ACCREDITATION

The Association for Behavior Analysis International has verified this course toward the coursework requirements for eligibility to take the Board Certified Behavior Analyst® examination. Applicants will need to meet additional selection requirements before they can be deemed eligible to take the examination.

ALTERNATIVE EXITS

- Graduate Certificate of Education Studies
- Graduate Diploma of Education Studies.

CAREER OPTIONS

- Behaviour analyst in a range of settings
- Early intervention clinician
- Special educator/special education administrator.

This course will provide you with knowledge of theory, concepts, principles, issues and contexts relevant to working as a counsellor, as well as preparatory skills.

For those already within an established career, the course will provide complimentary knowledge and understanding of human behaviour which may be applied to enable a positive, supportive and safe workplace environment.

Note: Successful completion of the Graduate Certificate of Counselling does not guarantee admission into the Master of Counselling course. Applicants interested in progressing to the Master of Counselling course will need to submit a new course application. Admission into the Master of Counselling is competitive and based on academic merit.

Providing you with a professional qualification, and offering a combination of theory and professional experience, this course equips you with all you need to start a rewarding career as a counsellor.

This highly practical course draws on the latest thinking and approaches to counselling and psychotherapy to develop your understanding of the mental health issues that arise across a lifetime. You'll examine the various forms of professional counselling, including online and distance counselling, child and adolescent counselling, and individual, couples and group counselling.

This course includes 200 hours of placement¹ to help you develop your counselling and interpersonal skills with clients and colleagues.

ACCREDITATION AND PROFESSIONAL RECOGNITION

This course is accredited in Australia by the Australian Counselling Association (ACA) and Psychotherapy and Counselling Federation of Australia (PACFA).

ADDITIONAL SELECTION REQUIREMENTS

Working with Children Check

ALTERNATIVE EXITS

- Graduate Certificate of Counselling
- Graduate Diploma of Counselling.

¹ The Counselling Placement Team sources many placements, and communicates these opportunities to students. Please note most placement providers will require you to submit an application and/or attend an interview to secure the placement.

² The online offering of this course is only available to applicants who reside within Australia as placement must take place in Australia. Students enrolled in the online mode are required to attend a compulsory 3-day intensive school on the Clayton campus. The online offering is NOT available to international students currently in Australia on a student visa.

³ The online offering of this course is available to domestic students, international students living and studying offshore, and holders of an Australian temporary visa (other than a student visa) that has a full study entitlement. The online offering is NOT available to international students currently in Australia on a student visa.

⁴ Part-time study may be available to international students studying onshore in Australia who hold specific visa categories. Please check your visa for confirmation.

⁵ This is only applicable if you have not satisfied the English language requirement; you're required to complete a Monash approved English test such as an IELTS (Academic), Internet Based TOEFL or Pearson Test of English (Academic). Other English tests may also be accepted and are assessed when you apply to Monash.

⁶ There are limited places in this course. Admission into the course is competitive and based on academic merit.

⁷ In equivalent Monash University grading scale terms, a 100% scale where 50% is a pass. Your prior qualification/s must be accredited to the equivalent Australian level specified in the eligibility requirements table.

⁸ Even if you're eligible for a shorter course duration, you may elect to complete the longer duration.

⁹ Related fields include counselling, psychology and social work.

EDUCATIONAL AND DEVELOPMENTAL PSYCHOLOGY

LEVEL D (see page 82)

ENTRY REQUIREMENTS
ELIGIBILITY

A fourth year of psychology study from any course accredited by the APAC, which may be a graduate diploma or bachelor's honours degree⁴

 
 Distinction
 (70%)⁵ 2

Educational and developmental psychologists focus on how people develop and learn throughout their lifetime.

They work with individuals, families, groups and organisations, and have varying roles such as school psychologist, guidance officer, and child and adolescent counsellor. They conduct psychological and educational assessments and instructional planning for exceptional children, adolescents and adults.

You'll apply theory to practice with 1000 hours of supervised professional experience in a range of settings. In a research thesis, you'll develop an evidence-based approach to psychology, carrying out reviews and scientific investigations relevant to the theory and practice of educational and developmental psychology.

As a graduate, you'll be qualified to register as a psychologist with the Psychology Board of Australia (PsyBA). You'll also meet most requirements for membership of the College of Educational and Developmental Psychologists of the Australian Psychological Society.

PROFESSIONAL ACCREDITATION

Our Master of Educational and Developmental Psychology is accredited by the Australian Psychology Accreditation Council (APAC) as a fifth and sixth-year sequence in psychology that prepares you to practise as an educational and developmental psychologist in settings including schools, health and welfare services, care facilities and businesses.

ADDITIONAL SELECTION REQUIREMENTS

You'll also need to:

- complete a supplementary form that demonstrates evidence of suitability for work as a professional psychologist and includes referee reports (one academic and one professional), and relevant voluntary or paid work experience
- meet the English language requirements of Monash University and the PsyBA. Consult the PsyBA website for these requirements: **www.psychologyboard.gov.au**
- attend an interview, if shortlisted.

PRE-ENROLMENT REQUIREMENTS

- Provisional registration with the PsyBA (before commencing study, and maintain such registration throughout the period of enrolment).

POST-ENROLMENT REQUIREMENTS

- Working with Children Check (before placement).

Applicant checks for off-campus professional experience activities

This course requires you to undertake off-campus professional experience activities. In order to do this, you'll need to:

- submit proof of your provisional registration with the PsyBA
- meet the specific security clearances that apply in whichever state/territory your professional experience is being undertaken
- complete professional experience orientation provided by the faculty.

¹ Part-time study may be available to international students studying onshore in Australia who hold specific visa categories. Please check your visa for confirmation.

² Only applicable to students who have not satisfied the English language requirement and are required to complete a Monash approved English test such as an IELTS (Academic), Internet Based TOEFL or Pearson Test of English (Academic). No other English tests are accepted. Other rules apply to comply with the Psychology Board of Australia (PsyBA) registration standard and English language requirements. Further information is available at **www.psychologyboard.gov.au**

³ In equivalent Monash University grading scale terms, a 100% scale where 50% is a pass. Your prior qualification/s must be accredited to the equivalent Australian level specified in the eligibility requirements table.

⁴ These qualifications must have been completed within the last 10 years of the commencement date of further studies. Applicants with international qualifications will need to have their qualifications assessed by the Australian Psychology Society (APS). Visit **www.psychology.org.au**

⁵ You'll need to have achieved a distinction (70%) in your fourth year of psychology. Admission into the course is competitive and may require a higher overall average than the minimum requirement.

A fourth year of psychology study from any course accredited by the APAC, which may be a graduate diploma or a bachelor's honours degree⁵

| | |
|--------------------------------|---|
| | |
| High Credit (65%) ⁶ | 1 |

The equivalent of an honours degree course, our Master of Professional Psychology is designed to meet the requirements of the Australian Psychology Accreditation Council (APAC) and the Australian Health Practitioner Regulation Agency (AHPRA) for a generalist fifth year in psychology.

This course equips selected psychology graduates with the advanced psychotherapeutic skills required for general registration as a psychologist. It develops your professional capability to apply the theoretical, research, assessment and therapeutic skills involved in psychology.

Following graduation, you'll be able to undertake a year of supervised generalist practice, then progress to full registration as a psychologist. You'll gain professional experience through 300 hours of supervised professional experience activities through a mix of activities in the faculty's onsite clinic and off-campus clinical placement activities.

PROFESSIONAL ACCREDITATION

This course is accredited by the APAC as a fifth-year sequence in psychology.

ADDITIONAL SELECTION REQUIREMENTS

You'll also need to:

- complete a supplementary form that demonstrates evidence of suitability for work as a professional psychologist and includes referee reports (one academic and one professional) and relevant work experience (voluntary or paid)
- meet the English language requirements of the Psychology Board of Australia (PsyBA). Consult the PsyBA website for these requirements: www.psychologyboard.gov.au
- attend an interview (if short-listed).

PRE-ENROLMENT REQUIREMENTS

- Provisional registration with the PsyBA (before commencing study, and maintain such registration throughout the period of enrolment).

POST-ENROLMENT REQUIREMENTS

- Working with Children Check (before placement).

CAREER OPTIONS

- General registration as a psychologist (after one year of supervised practice outside of the course).
- Private practice, health and welfare services, and business environments.

Bachelor's degree (or equivalent) with a major in psychology from any course accredited by the APAC⁵

| | |
|--------------------------------|---|
| | |
| Distinction (70%) ⁷ | 1 |

Our Graduate Diploma of Professional Psychology is designed to meet the requirements of the Australian Psychology Accreditation Council (APAC) for a generalist fourth-year in psychology.

This course is suited to those who want to pursue advanced graduate study in psychology at master's or doctoral level, or to undertake supervised psychological practice.

By studying our Graduate Diploma of Professional Psychology, you're offered advanced study of psychology, research training and an introduction to psychological practice. You'll be able to choose an elective from topics including developmental psychology and wellbeing, or positive psychology in professional practice. After graduating, you can undertake further training and study needed for professional registration in psychology.

PROFESSIONAL ACCREDITATION

This course is accredited by the APAC as a fourth-year sequence in psychology.

CAREER OPTIONS

- General registration as a psychologist (after additional studies to complete the required pathway).
- Private practice, health and welfare services, and business environments.

¹ Part-time study may be available to international students studying onshore in Australia who hold specific visa categories. Please check your visa for confirmation.

² This is only applicable if you have not satisfied the English language requirement; you're required to complete a Monash approved English test such as an IELTS (Academic), Internet Based TOEFL or Pearson Test of English (Academic). No other English tests are accepted. Other rules apply to comply with the Psychology Board of Australia (PsyBA) registration standard and English language requirements. Further information is available at www.psychologyboard.gov.au

³ This is only applicable if you have not satisfied the English language requirement; you're required to complete a Monash approved English test such as an IELTS (Academic), Internet Based TOEFL or Pearson Test of English (Academic). Other English tests may also be accepted and are assessed when you apply to Monash.

⁴ In equivalent Monash University grading scale terms, a 100% scale where 50% is a pass. Your prior qualification/s must be accredited to the equivalent Australian level specified in the eligibility requirements table.

⁵ These qualifications must have been completed within the last 10 years of the commencement date of further studies. Those with international qualifications will need to have their qualifications assessed by the Australian Psychological Society (APS). Visit www.psychology.org.au

⁶ You'll need to have achieved a high credit (65%) in fourth-year psychology. Admission into the course is competitive and may require a higher overall average than the minimum requirement.

⁷ You'll need to have achieved a distinction (70%) in your third year of psychology.

Do you have an undergraduate degree in another discipline, and want a career as a global educator and teacher?

Our curriculum combines theory and professional experience, giving you the skills and professional values to become an effective educator. You can choose to specialise in early childhood, primary or secondary education – or a combination. Through engagement with the latest thinking and practices, you'll be able to effectively foster the learning of students with various ages and needs.

You'll complete a minimum of 60 days' teaching practice with opportunities in urban, rural, remote and international settings and schools.

PROFESSIONAL RECOGNITION

Specialisations in early childhood education are accredited by the Australian Children's Education and Care Quality Authority (ACECQA). All primary and secondary education specialisations are accredited by the Victorian Institute of Teaching (VIT) using the national accreditation standards.

SPECIALISATIONS

| SPECIALISATION | TEACH PUPILS AGED | CAMPUS | PROFESSIONAL EXPERIENCE |
|--|-------------------|----------------------------------|-------------------------|
| Early childhood education | 0-5 years | Clayton | 60 days |
| Early childhood and primary education ⁶ | 0-12 years | Clayton | 70 days |
| Primary education ⁶ | 5-12 years | Clayton ⁷ , Peninsula | 60 days |
| Primary and secondary education ⁸ | 5-18 years | Clayton | 60 days |
| Secondary education ^{9,10} | 12-18 years | Clayton | 60 days |

¹ Not all specialisations are offered at all campuses. Refer to the specialisations table to find the applicable campus.

² The Secondary Education specialisation is offered in 1.5 years accelerated mode and can only be studied full-time.

³ Part-time study may be available to international students studying onshore in Australia who hold specific visa categories. Please check your visa for confirmation.

⁴ This is only applicable if you have not satisfied the English language requirement; you're required to complete a Monash approved English test such as an IELTS (Academic), Internet Based TOEFL or Pearson Test of English (Academic). Other English tests may also be accepted and are assessed when you apply to Monash.

⁵ In equivalent Monash University grading scale terms, a 100% scale where 50% is a pass. Your prior qualification/s must be accredited to the equivalent Australian level specified in the eligibility requirements table. Admission into the course is competitive and may require a higher overall average than the minimum requirement.

⁶ If you're applying for the dual-sector early childhood and primary education specialisation, or the primary education specialisation, you must have at least one year of full-time equivalent study relevant to one or more learning areas of the primary school curriculum. Most undergraduate degrees cover one or more of these required learning areas, meeting this requirement.

⁷ The primary education specialisation at Clayton is available for full-time study only.

⁸ If you're applying for the specialisation in primary and secondary education, you need to have at least one year of full-time equivalent study relevant to one or more learning areas of the primary school curriculum and at least a major study in one secondary teaching area. Most undergraduate degrees cover one or more of the primary school required learning areas, meeting this requirement. See the faculty website for more information about secondary teaching areas, monash.edu/education/specialistareas.

⁹ This can also be studied as an accelerated course, where you'll be required to undertake more than the standard annual load of 48 credit points in year one in order to complete the course in 1.5 calendar years. The fee quoted is based on 48 credit points of study for one standard year. You'll therefore be required to pay a higher fee in year one where more than the 48 credit points is required.

¹⁰ If you're applying for the specialisation in secondary education, you need to have appropriate discipline studies to qualify for two teaching specialist areas or one double teaching specialist area with at least a major study in one secondary teaching area and a second teaching area comprising at least a minor study. See the faculty website for more information about secondary teaching areas, monash.edu/education/specialistareas.

¹¹ This requirement applies to students in all specialisations except early childhood education.

¹² These exit awards don't qualify graduates to be registered or employed as teachers.

SECONDARY TEACHING SPECIALIST AREAS

Become a specialist teacher in up to two secondary discipline areas based on your prior studies. For details visit monash.edu/education/specialistareas

ADDITIONAL REQUIREMENT

Applicants for all specialisations, except Early Childhood Education, must sit the Casper test. Casper is a requirement for many of the initial teacher education courses in Victoria. It's a non-cognitive online test designed to assess an applicant's personal and professional attributes. For further information on the test, visit monash.edu/education/takecasper

ENROLMENT CONSIDERATIONS

All students enrolled in Australian initial teacher education courses must 'achieve the standard' in the National Literacy and Numeracy Test prior to graduating¹¹.

POST-ENROLMENT REQUIREMENTS

To participate in professional experience you must:

- meet specific security clearances relevant to the stat/territory/country where the professional experience is undertaken
- meet specific immunisation requirements
- complete professional experience orientation provided by the faculty
- undergo a Working With Children Check.

ALTERNATIVE EXITS¹²

- Graduate Certificate of Educational Learning
- Graduate Diploma of Educational Learning.

CAREER OPTIONS

- Early childhood teacher
- Primary school teacher
- Secondary school teacher.

MASTER OF TESOL

COURSE CODE: D6005 **CRICOS CODE:** 079104F

PROFESSIONAL PLACEMENT: TEACHING OR OBSERVATION

CLAYTON (on campus, online)¹ **1, 1.5 OR 2 YEARS** (full time)²

FEBRUARY AND JULY **A\$38,100** (2023 fees p.a.)

Fees are per 48 credit points, which represents a standard full-time course load for a year.

ENGLISH TEST LEVEL³
LEVEL A (see page 82)

ENTRY REQUIREMENTS
ELIGIBILITY

| | ⁴ | ⁵ |
|--|--------------|--------------|
| Bachelor's degree (or equivalent) in any field | Credit (60%) | 2 |
| Bachelor's degree (or equivalent) in a related field ⁶ , OR | | |
| Bachelor's degree (or equivalent) in any field + two years of full-time equivalent relevant professional experience, OR | Credit (60%) | 1.5 |

This course is suitable for a wide range of educators, prospective educators and other professionals working in the field of English language teaching, and leads to a graduate qualification in TESOL (Teaching English to Speakers of Other Languages).

This course will assist you in understanding the connections between theory and practice, and the importance of developing strong evidence-based principles in English language teaching and learning.

The Master of TESOL has a professional placement in the final semester. You'll choose between a teaching or observation placement, to consolidate your learning and gain further understanding of work environments prior to graduating.

This course doesn't provide a recognised initial teaching qualification. Students seeking an initial teaching qualification should refer to the Master of Teaching course.

POST-ENROLMENT REQUIREMENT

Working with Children Check

ALTERNATIVE EXITS

- Graduate Certificate of Education Studies
- Graduate Diploma of Education Studies.

CAREER OPTIONS

- ESL educator in international settings
- ELICOS teacher, director of studies
- Curriculum designer.

1 The online offering of this course is available to domestic students, international students living and studying offshore, and holders of an Australian temporary visa (other than a student visa) that has a full study entitlement. It is NOT available to international students currently in Australia on a student visa.
 2 Part-time study may be available to international students studying onshore in Australia who hold specific visa categories. Please check your visa for confirmation.
 3 This is only applicable if you have not satisfied the English language requirement; you're required to complete a Monash approved English test such as an IELTS (Academic), Internet Based TOEFL or Pearson Test of English (Academic). Other English tests may also be accepted and are assessed when you apply to Monash.
 4 In equivalent Monash University grading scale terms, a 100% scale where 50% is a pass. Your prior qualification/s must be accredited to the equivalent Australian level specified in the eligibility requirements table.
 5 Even if you're eligible for a shorter course duration, you may elect to complete the longer duration.
 6 Related fields include TESOL, linguistics and language studies.

ENGINEERING RANKED NO. 44 IN THE WORLD Times Higher Education by subject, 2023

THE MASTER'S DEGREE YOU'RE AWARDED WILL REFLECT YOUR CHOSEN SPECIALISATION

COURSE CODE: E6014 **CRICOS CODE:** 104589A

WORK-INTEGRATED LEARNING: PROFESSIONAL DEVELOPMENT

| | |
|----------------------------|--|
| CLAYTON (on campus) | 1 YEAR (full time) ¹ |
| FEBRUARY AND JULY | A\$52,400 (2023 fees p.a.) |

Fees are per 48 credit points, which represents a standard full-time course load for a year.

ENGLISH TEST LEVEL²
LEVEL A (see page 82)

| ENTRY REQUIREMENTS | | |
|---|-------------------|---|
| ELIGIBILITY Four-year Bachelor of Engineering (or equivalent) in a discipline relating to the specialisation to be studied within the master's course as approved by the faculty ⁴ | High credit (65%) | 1 |

This one-year Master of Engineering will extend your technical knowledge in your chosen specialisation area and you'll be well-positioned to lead and deliver sustainable engineering solutions.

Learn to become a strategic thinker, ready to solve complex problems in a cross cultural environment. Advance your leadership capabilities, build the skills needed to engage with a diverse range of stakeholders and influence outcomes.

At Australia's top engineering school you'll have opportunities to apply your skills through real-world projects, student teams and internships, while gaining professional and industry experience that will set you apart.

Designed to foster innovative thinking, entrepreneurship and professional development, this master's program gives you the skills to take your career to the next level.

SPECIALISATIONS

- Biological engineering
- Civil engineering
- Electrical engineering
- Engineering management
- Materials engineering
- Mechanical engineering

CAREER OPTIONS

- Specialist engineer or consultant within your chosen professional field
- Engineering management role in private or public sector
- Entrepreneur or CEO of your own company.

ENGINEERING MANAGEMENT

Developed with Monash Business School (MBS), this new specialisation has three streams to choose from: entrepreneurship; project management; and contemporary management. You'll learn to empower teams, grow businesses and lead the way forward.

- 1 Part-time study may be available to international students studying onshore in Australia who hold specific visa categories. Please check your visa for confirmation.
- 2 This is only applicable if you have not satisfied the English language requirement; you're required to complete a Monash approved English test such as an IELTS (Academic), Internet Based TOEFL or Pearson Test of English (Academic). Other English tests may also be accepted and are assessed when you apply to Monash.
- 3 In equivalent Monash University grading scale terms, a 100% scale where 50% is a pass. Your prior qualification/s must be accredited to the equivalent Australian level specified in the eligibility requirements table.
- 4 The Engineering Management specialisation is available to applicants with an Australian Bachelor of Engineering (or equivalent) in any discipline. For other Master's specialisations, the prior qualification must be in a related discipline

Access our state-of-the-art facilities, including the Robotics Lab, design and build studios, Makerspace, and our new innovation ecosystem, the Monash Smart Manufacturing Hub, where you can work closely with industry on campus and develop skills for future engineering and technologies.

THE MASTER'S DEGREE YOU'RE AWARDED WILL REFLECT YOUR CHOSEN SPECIALISATION

COURSE CODE: E6011 **CRICOS CODE:** 102717C

WORK-INTEGRATED LEARNING: INDUSTRY EXPERIENCE, PROFESSIONAL DEVELOPMENT

CLAYTON (on campus) **2 OR 3 YEARS** (full time)¹

FEBRUARY AND JULY **A\$50,200** (2023 fees p.a.)

Fees are per 48 credit points, which represents a standard full-time course load for a year.

ENGLISH TEST LEVEL²
LEVEL A (see page 82)

ENTRY REQUIREMENTS ELIGIBILITY

| | | |
|--|-------------------|-------------------|
| Bachelor's degree (or equivalent) with prior studies in mathematics (including linear algebra and calculus), physics and/or chemistry as required by the specialisation chosen for admission | High credit (65%) | ³ 3 |
| Bachelor's degree (or equivalent) in engineering ⁵ | High credit (65%) | ⁴ 2 |

This course is for students who want to change careers and become an engineer, move into a different field of engineering or are seeking an internationally recognised engineering qualification to build on their undergraduate engineering studies.

Engineers are in demand to deliver sustainable solutions for society's global challenges: clean water, advances in medical technology, inclusive and sustainable industrialisation, resilient infrastructure, and high quality food production.

This master's is a two or three-year program, depending on your undergraduate degree, that provides the technical knowledge and hands-on experience to practice as a professional engineer in Australia and other Washington Accord countries.

At Australia's No. 1 ranked engineering school, you'll have access to some of the world's finest facilities, including the Makerspace and the latest interactive learning spaces in the new smart technology enabled Woodside Building for Technology and Design. Work closely with industry and develop job-ready skills in Monash's new innovation ecosystem, the Monash Smart Manufacturing Hub.

In this course, you'll specialise in engineering technical, research and professional units and undertake real-world projects, blending theory and practice. You'll be prepared for a successful career through continuous professional development and relevant industry experience in the Work-integrated Learning program. Gain practical experience and develop the professional skills and confidence to create positive change.

SPECIALISATIONS⁶

- Chemical engineering
- Civil engineering
- Electrical engineering
- Materials engineering
- Mechanical engineering

PROFESSIONAL ACCREDITATION

The Master of Professional Engineering has been designed to meet the stage one competencies for accreditation by Engineers Australia (EA). The accreditation process for full recognition by EA has commenced and currently has provisional accreditation. The master's degree will be an internationally recognised qualification which allows you to work as a professional engineer around the world.

CAREER OPTIONS

- Manager or contributor to complex projects for public, private or non-governmental organisations
- Consultant, entrepreneur or CEO of your own company
- Lead specialist engineer in your field/s of expertise.

DO YOU HAVE A SCIENCE-RELATED DEGREE?

You can now pursue a career in engineering at Monash if you have a degree in a STEM-field, such as science, mathematics or pharmacy.⁷ The three-year master's course gives you the technical skills and knowledge to become a globally accredited and in-demand engineer.

¹ Part-time study may be available to international students studying onshore in Australia who hold specific visa categories. Please check your visa for confirmation.

² This is only applicable if you have not satisfied the English language requirement; you're required to complete a Monash approved English test such as an IELTS (Academic), Internet Based TOEFL or Pearson Test of English (Academic). Other English tests may also be accepted and are assessed when you apply to Monash.

³ In equivalent Monash University grading scale terms, a 100% scale where 50% is a pass. Your prior qualification/s must be accredited to the equivalent Australian level specified in the eligibility requirements table.

⁴ Even if you're eligible for the short course duration, you may elect to complete the longer duration.

⁵ Either a three or four-year engineering degree in a discipline as approved by the faculty to be relating to the specialisation within the master's course. You may also be considered if you hold a three-year engineering technologist degree that is equivalent to the first three years of a related engineering degree accredited under the Washington Accord.

⁶ For more information regarding specialisation requirements, visit monash.edu/study.

⁷ You must meet the eligibility requirements. For more information, visit monash.edu/study.

ARTIFICIAL INTELLIGENCE

MASTER OF ARTIFICIAL INTELLIGENCE

The potential of AI is infinite. It can help predict the path of bushfires, detect early-stage skin cancers and counteract false and polarising information on social media. From a business perspective, AI can also inform decisions and optimise operations to drive better outcomes.

Monash is the only university among the prestigious Group of Eight to offer a comprehensive Master of AI. This course will equip you with the skills and knowledge to achieve innovative outcomes. Under the guidance of internationally-recognised experts, you'll have an opportunity to apply your knowledge to real-world challenges to influence a range of industries including healthcare, agriculture and manufacturing.

ALTERNATIVE EXITS

- Graduate Certificate of Artificial Intelligence
- Graduate Diploma of Artificial Intelligence

CAREER OPTIONS

- AI researcher
- AI specialist
- Data analyst
- Robotics engineer.

The proliferation of mobiles and other pervasive devices has caused security risks to surge – and in turn, the demand for cybersecurity experts.

The Master of Cybersecurity develops your ability to design, implement, assess and manage cybersecurity systems to protect sensitive data and communication networks, even if you don't have a background in the discipline.

In your final semesters, you can choose to complete an industry experience project or research thesis. Additionally, you can apply for a scholarship place over summer in the highly regarded Monash Industry Team Initiative.

ALTERNATIVE EXITS

- Graduate Certificate of Cybersecurity
- Graduate Diploma of Cybersecurity

CAREER OPTIONS

- Blockchain developer
- Cybercrime investigator
- Digital forensics analyst
- AI security specialist
- Network security administrator.

Accredited by the Australian Computing Society.

DATA SCIENCE

MASTER OF DATA SCIENCE

COURSE CODE: C6004 CRICOS CODE: 085349A

Data scientists play a major role in solving real-world business problems. From data curation and management to processing and analysis, data scientists help organisations harness information.

Our Master of Data Science prepares you for a career in the field, giving you skills in data management, analytics, data analytics, big-data management and processing.

In this course you'll cover statistical and exploratory analysis, data formats and languages, processing of massive data sets, and management of data and its effects in an organisation and the community.

ALTERNATIVE EXITS

- Graduate Certificate of Data Science
- Graduate Diploma of Data Science

CAREER OPTIONS

- Chief data officer
- Data analyst
- Data architect
- Data engineer
- Data scientist
- Quantitative analyst.

¹ Part-time study may be available to international students studying onshore in Australia who hold specific visa categories. Please check your visa for confirmation.

² This is only applicable if you have not satisfied the English language requirement; you're required to complete a Monash approved English test such as an IELTS (Academic), Internet Based TOEFL or Pearson Test of English (Academic). Other English tests may also be accepted and are assessed when you apply to Monash.

The Master of Information Technology provides the knowledge and skills to solve real-world problems with the latest technology.

This course features core studies in IT project management and software engineering, and offers a wide range of elective choices spanning data management technology, mobile and distributed systems, machine learning, cloud computing and cybersecurity.

This course also lets you complete an industry experience project with a driven business mentor or take the lead on a research project – a stepping stone to a PhD.

ALTERNATIVE EXITS

- Graduate Certificate of Information Technology
- Graduate Diploma of Information Technology

CAREER OPTIONS

- Software engineer
- Data architect
- Enterprise data architect
- Systems analyst
- App developer
- Solutions architect
- Chief technology officer.

Accredited by the Australian Computing Society.

¹ Part-time study may be available to international students studying onshore in Australia who hold specific visa categories. Please check your visa for confirmation.

² This is only applicable if you have not satisfied the English language requirement; you're required to complete a Monash approved English test such as an IELTS (Academic), Internet Based TOEFL or Pearson Test of English (Academic). |  MONASH LAW CHAMBERS (on campus) |  1 YEAR (full time) ¹ |
|  JANUARY, FEBRUARY, MAY, JULY AND AUGUST |  A\$48,600 (2023 fees p.a.) |

Fees are per 48 credit points, which represents a standard full-time course load for a year.

ENGLISH TEST LEVEL²

LEVEL A (see page 82)

ENTRY REQUIREMENTS ELIGIBILITY

| | |
|---|---|
| Bachelor's degree (or equivalent) in law from a non-Australian jurisdiction | 1 |
|---|---|

Do you already have a law qualification from a non-Australian jurisdiction?

If so, the Graduate Diploma of Australian Law can help prepare you to satisfy the academic requirements needed for admission in Victoria.

The course comprises three components: an introduction to the Australian legal system; core law units required for admission to practise in Victoria; and law elective units. The number of credit points and selection of core units will depend on the jurisdiction in which you earned your existing law qualification.

ADDITIONAL SELECTION REQUIREMENTS

Applicants must have a letter from the Victorian Legal Admissions Board (VLAB) stipulating which areas of law are required to meet the academic eligibility requirements for admission to practice in Victoria. The letter from VLAB must be dated within 24 months of submitting your application for study.

JURIS DOCTOR

RANKED NO.43 IN THE WORLD
QS World University Rankings by Subject 2023

LEVEL C (see page 82)

ENTRY REQUIREMENTS ELIGIBILITY³

| | |
|--|--------------|
| Bachelor's degree (or equivalent) in any field, OR | Credit (60%) |
| Bachelor's degree (or equivalent) in any field + three years' professional experience + a personal statement | 3 |
| An equivalent qualification and experience approved by the faculty | |

This degree satisfies the academic requirements for admission to practise as an Australian lawyer.

Our Juris Doctor (JD) is an intensive, graduate-entry law degree designed for non-law graduates. It develops advanced professional skills in problem-solving, critical thinking, research, communication, collaboration, self-management, ethical awareness and professional judgement.

The JD recognises the specific needs of graduate entrants and teaches the skills available only from one of Australia's leading law schools. Small class sizes and innovative teaching promote interactivity and in-depth learning.

CLINICAL EDUCATION EXPERIENCE

Monash Law now offers a guaranteed clinical education experience for all students who wish to incorporate a practical component credited towards their Monash Law degree.

ALTERNATIVE EXITS

- Graduate Certificate of Legal Studies
- Graduate Diploma of Legal Studies.

¹ Part-time study may be available to international students studying onshore in Australia who hold specific visa categories. Please check your visa for confirmation.

² This is only applicable if you have not satisfied the English language requirement; you're required to complete a Monash approved English test such as an IELTS (Academic), Internet Based TOEFL or Pearson Test of English (Academic). Other English tests may also be accepted and are assessed when you apply to Monash.

³ Applicants who have not completed any formal study in the last eight years are required to submit a current curriculum vitae and a completed Monash JD personal statement. Additional information and advice to applicants can be found on the Juris Doctor webpage. monash.edu/law/future-students/jd/home

⁴ In equivalent Monash University grading scale terms, a 100% scale where 50% is a pass. Your prior qualification/s must be accredited to the equivalent Australian level specified in the eligibility requirements table.

LAWS

RANKED NO.43 IN THE WORLD
QS World University Rankings by Subject 2023

THE MASTER'S DEGREE YOU'RE AWARDED WILL REFLECT YOUR CHOSEN SPECIALISATION

COURSE CODE: L6004 **CRICOS CODE:** 0100563

-  **MONASH LAW CHAMBERS**
(on campus)
-  **1, 1.5 OR 2 YEARS** (full time)¹
-  **JANUARY, FEBRUARY, MAY, JULY AND AUGUST**
-  **AS\$48,600** (2023 fees p.a.)

Fees are per 48 credit points, which represents a standard full-time course load for a year.

ENGLISH TEST LEVEL² LEVEL A (see page 82)

ENTRY REQUIREMENTS ELIGIBILITY

| | | |
|--|--------------|-----|
| Bachelor's degree (or equivalent) in law from a non-Australian jurisdiction + a letter of assessment from the Victorian Legal Admissions Board (VLAB) ⁵ | | 2 |
| Bachelor's degree (or equivalent) in Law | Credit (60%) | 1.5 |
| Bachelor's degree (or equivalent) in law + a graduate diploma in law (or equivalent), OR | Credit (60%) | 1 |
| Bachelor's degree (or equivalent) in law + one year of relevant professional work experience or other learning ⁶ approved by the faculty, OR | | |
| A JD or a bachelor's (hons) degree (or equivalent) in law | | |

Our Master of Laws is designed for law graduates wanting to develop in-depth knowledge of a particular legal area, or to advance their professional expertise in a current area of practice, or to enhance your capacity to undertake independent research. You'll gain advanced professional skills and knowledge of law developments, practice and scholarship of one or more areas of law.

SPECIALISATIONS

- Commercial and corporate law
- Criminal law and forensics
- Dispute resolution
- Global society and human rights
- Health law and community
- Labour and employment law
- Public sector governance and regulation
- Technology and innovation
- Transnational economic regulation.

ADDITIONAL SELECTION CRITERIA

You'll be assessed on your entire academic record, with a credit average (or equivalent) preferred. As a general rule, those who don't have a credit average will need to have at least two years of relevant work experience, although the required period may be shorter where the work experience has been supplemented by other relevant learning.

ALTERNATIVE EXITS

- Graduate Certificate of Laws
- Graduate Diploma of Australian Law.

¹ Part-time study may be available to international students studying onshore in Australia who hold specific visa categories. Please check your visa for confirmation.

² This is only applicable if you have not satisfied the English language requirement; you're required to complete a Monash approved English test such as an IELTS (Academic), Internet Based TOEFL or Pearson Test of English (Academic). Other English tests may also be accepted and are assessed when you apply to Monash.

³ In equivalent Monash University grading scale terms, a 100% scale where 50% is a pass. Your prior qualification/s must be accredited to the equivalent Australian level specified in the eligibility requirements table.

⁴ Even if you're eligible for a shorter course duration, you may elect to complete the longer duration.

⁵ You'll need to supply a letter from the VLAB stipulating which areas of law are required to meet the academic eligibility requirements for admission to practice in Victoria. The letter from VLAB must be dated within 24 months of submitting your application for study.

⁶ For the purposes of satisfying these requirements, other learning may include, but is not confined to, learning in the context of other non-law degrees.

Are you looking for a graduate pathway into the study of law? The graduate diploma in law is ideal for law graduates wanting to acquire further legal expertise, and adds value in the workplace as well as providing the opportunity to hone legal knowledge and skills.

The Graduate Diploma in Law enables graduates of law to develop advanced knowledge and skills for legal or professional practice or higher learning, and is a pathway for entry to a masters degree.

ALTERNATIVE EXIT

Graduate Certificate of Laws.

¹ Part-time study may be available to international students studying onshore in Australia who hold specific visa categories. Please check your visa for confirmation.

² This is only applicable if you have not satisfied the English language requirement; you're required to complete a Monash approved English test such as an IELTS (Academic), Internet Based TOEFL or Pearson Test of English (Academic). Other English tests may also be accepted and are assessed when you apply to Monash.

The Monash Master of Legal Studies is designed to equip non-lawyers with the legal skills and knowledge to make better managerial and commercial decisions in order to lead your organisation effectively. This course provides you with the legal knowledge that will give you a competitive edge in your chosen career. You can choose to focus on one of nine specialised areas.

SPECIALISATIONS

- Commercial and corporate law
- Criminal law and forensics
- Dispute resolution
- Global society and human rights
- Health law and community
- Labour and employment law
- Public sector governance and regulation
- Technology and innovation
- Transnational economic regulation.

ALTERNATIVE EXITS

- Graduate Certificate of Legal Studies
- Graduate Certificate of Legal Systems and Services.

| A minimum of three years relevant work experience approved by the faculty. | |

The Graduate Certificate of Legal Studies is designed to equip non-lawyers with the legal skills and knowledge they need to make better managerial and commercial decisions and to lead their organisations effectively. You'll receive a theoretical and practical grounding in a variety of areas in law.

This course provides you with the legal knowledge that will give you a competitive edge in your chosen career. The Graduate Certificate of Legal Studies is specifically designed to help non-lawyers take their career further. It does this by providing an in-depth grounding in the law that allows better informed decisions.

You can complete the qualification in just six months and you may also be able to use the units as credit towards a Monash Master of Legal Studies.

GRADUATE DIPLOMA OF LEGAL STUDIES

0.5

The Graduate Certificate of Legal Systems and Services is designed for professionals seeking to pivot their commercial, policy or administration career to the legal sector without becoming lawyers.

This prepares non-lawyers for working in the rapidly changing legal and regulatory landscape and upskill those already working in law-adjacent fields such as senior administrators in courts, law firms and regulatory agencies.

You'll receive a theoretical and practical grounding in the areas of law relevant to legal systems and services.

¹ Part-time study may be available to international students studying onshore in Australia who hold specific visa categories. Please check your visa for confirmation.

² This is only applicable if you have not satisfied the English language requirement; you're required to complete a Monash approved English test such as an IELTS (Academic), Internet Based TOEFL or Pearson Test of English (Academic). Other English tests may also be accepted and are assessed when you apply to Monash.

BIOMEDICAL AND HEALTH SCIENCE

MASTER OF BIOMEDICAL AND HEALTH SCIENCE

COURSE CODE: M6003 CRICOS CODE: 085118E

📍 CLAYTON (on campus) ⌚ 1 OR 2 YEARS (full time)
➔ FEBRUARY AND JULY 💰 \$45,800 (2023 fees p.a.)

Fees are per 48 credit points, which represents a standard full-time course load for a year.

ENGLISH TEST LEVEL²
LEVEL B (see page 82)

The Master of Biotechnology integrates biotechnology and entrepreneurship through a range of multidisciplinary coursework, research and work-integrated units in modern areas of studies that pave the way to a myriad of employment prospects.

This new course integrates biotechnology and entrepreneurship, and equips you with the skills and knowledge to work in one of Victoria's fastest growing sectors.

In addition to the industry placement program and research project, there are a range of coursework electives in interdisciplinary fields of pioneering developments in biotechnology research and enterprise.

ALTERNATIVE EXITS

- Graduate Certificate of Biotechnology
- Graduate Diploma of Biotechnology

CAREER OPPORTUNITIES

Our graduates can pursue work in a range of areas, including:

- Biotechnology companies and startups
- Medical device companies
- Medical or pharmaceutical sales
- Patents offices
- Pharmaceutical companies
- Regenerative medicine
- Regulatory agencies.

1 Part-time study may be available to international students studying onshore in Australia who hold specific visa categories. Please check your visa for confirmation.

2 This is only applicable if you have not satisfied the English language requirement; you're required to complete a Monash approved English test such as an IELTS (Academic), Internet Based TOEFL or Pearson Test of English (Academic). Other English tests may also be accepted and are assessed when you apply to Monash.

3 In equivalent Monash University grading scale terms, a 100% scale where 50% is a pass. Your prior qualification/s must be accredited to the equivalent Australian level specified in the eligibility requirements table.

4 Even if you're eligible for a shorter course duration, you may elect to complete the longer duration.

5 Related fields: **Biomedical Sciences** (anatomy, biochemistry, bioengineering, bioinformatics, biomedical engineering, biotechnology, clinical medicine, dental science, developmental biology, dietetics, genetics, immunology, medicine, microbiology, molecular biology, nutrition, pharmacology, pharmacy, physiology, veterinary science); **Life Sciences** (biology, zoology); **Allied Health** (physiotherapy, occupational therapy).

6 Where an applicant has the equivalent of a three-year Australian bachelor's degree in a non-related discipline, the selection panel will also consider relevant and significant work experience as equivalent.

7 Related fields include: biomedical science, science/applied science with a major in (biochemistry, biotechnology, developmental biology, human biology, marine biology, human pathology, genetics, pharmacology, immunology, microbiology, molecular biology, physiology and zoology), nutrition sciences, dietetics, veterinary science, medical engineering, pharmacy, bioengineering, biotechnology, life science, clinical medicine, dental science/dentistry, or bioinformatics.

CLINICAL EMBRYOLOGY

MASTER OF CLINICAL EMBRYOLOGY

COURSE CODE: M6010 CRICOS CODE: 028955G

📍 CLAYTON¹ (on campus)

🕒 1 YEAR (full time)^{2,3}

➔ FEBRUARY

💰 A\$71,850 (2023 fees p.a.)

This is the equivalent fee for this intensive 72-credit-point course, combining three semesters of full-time study (1.5 years) into 12 months.

ENGLISH TEST LEVEL⁵

LEVEL A (see page 82)

ENTRY REQUIREMENTS

ELIGIBILITY⁶

| | | |
|--|-------------------------------|---|
| Bachelor's (hons) degree (or equivalent) in a related field in science or biomedicine | Second class honours or above | 1 |
| Bachelor's degree (or equivalent) in a related discipline in medicine or veterinary science | Credit (60%) | |
| Bachelor's degree (or equivalent) + a minimum of one year of full-time equivalent relevant professional experience in embryology or reproductive biology | Pass (50%) | |
| Bachelor's degree (or equivalent) and a Graduate Diploma in Reproductive Science from Monash University ⁹ | Distinction (70%) | |

Monash's reputation as a world leader in this field has been long-established. The intensive training in this Master of Clinical Embryology will give you the knowledge and practical skills to contribute to human infertility clinical services.

Through this internationally renowned course, your studies will include the foundations of mammalian embryology, a detailed assessment of all infertility treatment strategies, and the theoretical basis behind embryo production, embryo selection and cryopreservation, with a focus on all current and future technologies associated with assisted reproductive technology.

ADDITIONAL SELECTION REQUIREMENTS

All applications are assessed on academic merit and relevant experience. You'll also need to provide:

- a curriculum vitae including work experience and two referees and/or work references where applicable
- a statement of purpose (under 200 words) outlining why you wish to join this course.
- meet inherent requirements¹⁴.

ALTERNATIVE EXIT

Graduate Diploma of Clinical Embryology

CAREER OPPORTUNITIES

Our course is the longest-running in the Asia Pacific region. We've received global recognition for producing high-calibre embryologists. As a result, Monash graduates are highly sought after by IVF clinics and are employed as embryologists and lab managers around the world.

The only course of its kind in Victoria, our Master of Clinical Research develops the analytical and communication skills necessary to work in the broad domain of clinical research and practice.

Through this program, you'll develop a detailed understanding of biostatistics, epidemiology, data management, clinical trials, clinical measurement, ethical practice, systematic reviews and meta-analysis, and critical appraisal of the scientific literature for application in research and clinical practice.

Taught by some of Australia's leading clinical academics and with flexible content delivery, our curriculum is designed to help you balance the demands of a busy workflow with the need to engage in further professional development.

SPECIALISATIONS

- Clinical research
- Translational medicine.

ALTERNATIVE EXITS

- Graduate Certificate of Clinical Research
- Graduate Certificate of Clinical Research (Translational Medicine)
- Graduate Diploma of Clinical Research
- Graduate Diploma of Clinical Research (Translational Medicine).

1 This course will be taught at the Monash Medical Centre and requires some off-campus site visits for on-campus students. Off-campus students may be required to attend some on-campus workshops.

2 This is a 72-point-credit course and is taught intensively. Full-time students are required to overload.

3 Part-time study may be available to international students studying onshore in Australia who hold specific visa categories. Please check your visa for confirmation.

4 The July intake is only available to Translational Medicine.

5 This is only applicable if you have not satisfied the English language requirement; you're required to complete a Monash approved English test such as an IELTS (Academic), Internet Based TOEFL or Pearson Test of English (Academic). Other English tests may also be accepted and are assessed when you apply to Monash.

6 The Master of Clinical Embryology is a high-demand course. There's a quota on the number of successful applicants. Applicants meeting the minimum academic requirements aren't guaranteed entry.

7 In equivalent Monash University grading scale terms, a 100% scale where 50% is a pass. Your prior qualification/s must be accredited to the equivalent Australian level specified in the eligibility requirements table.

8 Even if you're eligible for a shorter course duration, you may elect to complete the longer duration.

9 Or equivalent qualification from another institution approved by the faculty.

10 Related fields include medical, nursing, allied health, other health related degree e.g. chiropractic, psychology, public health, environmental health, paramedic, imaging (radiology, nuclear medicine), biomedical engineering, dietetics/nutrition, pharmacy, social work, medical science/biomedical science/immunology, health science, laboratory science, and science.

11 For relevant work experience, you'll need to provide a statement from an employer to substantiate your period of employment.

12 Or an equivalent GPA as determined by the faculty.

13 Or a satisfactory substitute that the faculty considers to be equivalent.

14 More information on the inherent requirements can be found at monash.edu/study/inherent

ADVANCED HEALTH CARE PRACTICE

Take a deep dive into the intersection of biostatistics, health data and machine learning with this cross-Faculty course that focuses on the role of data analytics in driving improvements to health outcomes and efficiencies to health service providers and planners. The field of Health Data Analytics is experiencing an employment boom, and is filled with diverse and well-remunerated opportunities.

The COVID-19 pandemic and growing exposure to machine learning and statistical models in everyday life has highlighted the possibilities offered by big data and technology to health. Health Data Analysts transform healthcare by helping health stakeholders get the most out of mass data. This cross-disciplinary course provides knowledge and skills that will help you apply quantitative skills to some of healthcare's biggest challenges.

ALTERNATIVE EXIT

Graduate Diploma of Health Data Analytics.

ENTRY REQUIREMENTS
ELIGIBILITY 

Successfully completed (or be in the final year of completing) a degree with significant and broad biomedical science content from an internationally recognised university with a minimum grade-point-average of 6.0 out of 7.0³ 4

Our graduate-entry medical program is designed as an integrated, interdisciplinary curriculum. It will prepare you to graduate with the knowledge, skills and attributes of a beginning medical practitioner. You'll see the discoveries of our renowned researchers put into clinical practice and benefit from our links with the largest healthcare provider network in Australia, which includes the Monash Medical Centre, The Alfred (Melbourne's major casualty hospital), Eastern Health, and Victorian health services in rural, regional and outer metropolitan Melbourne.

PROFESSIONAL ACCREDITATION

This course is professionally accredited by The Australian Medical Council.

ADDITIONAL SELECTION REQUIREMENTS

You'll be initially ranked on your grade point average (GPA). If you're shortlisted, you'll be invited to attend an interview as part of the selection process.

Final ranking for selection consists of two components; GPA (40%) and interview performance (60%).

Note: applicants aren't required to undertake the GAMSAT.

POST-ENROLMENT REQUIREMENTS

Upon enrolment you'll be asked to:

- comply with the mandatory immunisation requirements in readiness for clinical/fieldwork placements
- obtain a Police Check (annual requirement)
- obtain a Working with Children Check
- obtain a current Level 2 First Aid certificate (by end of the first semester) – highly recommended.

¹ You'll complete your first year of study at the Monash School of Rural Health on the Churchill campus of Federation University in Gippsland. From second-year onwards, you'll be on clinical placement.

² This is only applicable if you have not satisfied the English language requirement; you're required to complete a Monash approved English test such as an IELTS (Academic), Internet Based TOEFL or Pearson Test of English (Academic). Other English tests may also be accepted and are assessed when you apply to Monash.

³ In equivalent Monash University grading scale terms, a 100% scale where 50% is a pass. Your prior qualification/s must be accredited to the equivalent Australian level specified in the eligibility requirements table.

(on campus)¹  **1, 1.5 OR 2 YEARS** (full time)²

 **FEBRUARY AND JULY**  **A\$38,800** (2023 fees p.a.)

Fees are per 48 credit points, which represents a standard full-time course load for a year.

ENGLISH TEST LEVEL³
LEVEL B (see page 82)

ENTRY REQUIREMENTS  
ELIGIBILITY

For Healthcare in disasters, Advanced nursing studies, Education in healthcare, Leadership and management in healthcare, Trauma nursing specialisations:

| | | |
|--|--------------|-----|
| Bachelor's degree in nursing (or equivalent) | Credit (60%) | 2 |
| Bachelor's degree in nursing (or equivalent) + a minimum of two years' full-time equivalent relevant professional experience in nursing ⁶ | Credit (60%) | 1.5 |
| Bachelor's (hons) degree (or equivalent) in nursing | Credit (60%) | 1 |

For Advanced midwifery specialisation:

| | | |
|--|--------------|-----|
| Bachelor's degree or graduate diploma (or equivalent) in Midwifery | Credit (60%) | 2 |
| Bachelor's degree or graduate diploma (or equivalent) in Midwifery + a minimum of two years' full-time equivalent relevant professional experience in Midwifery ⁶ | Credit (60%) | 1.5 |
| Bachelor's (hons) degree in Midwifery (or equivalent) | Credit (60%) | 1 |

The Master of Advanced Nursing prepares you for leadership roles in management and education, disaster management and leadership, trauma nursing and advanced midwifery.

You'll develop advanced-practice knowledge and leadership in specialist practice, including skills to plan, implement, coordinate and evaluate healthcare, as well as the ability to formulate policy for a diverse and multicultural society.

The program has flexible teaching delivery options, and offers a range of individual career pathways, including nursing, education or management positions within industry or government.

Most specialisations can be taken by coursework, or a combination of coursework and research.

SPECIALISATIONS

- Advanced midwifery (Peninsula)
- Healthcare in disasters (Peninsula)
- Advanced nursing studies (Clayton, Peninsula)
- Education in healthcare (Peninsula)
- Leadership and management in healthcare (Clayton)
- Trauma nursing (Clayton, online)⁷

POST-ENROLMENT REQUIREMENTS

- Working with Children check
- Vaccination and infectious disease screening tests prior to clinical placement (mandatory compliance).

ALTERNATIVE EXITS

- Graduate Certificate of Advanced Nursing
- Graduate Diploma of Advanced Nursing

ADVANCED MIDWIFERY

- Graduate Certificate of Advanced Midwifery
- Graduate Diploma of Advanced Midwifery.

¹ Students studying in the on-campus mode attend both the Clayton and the Peninsula campuses and some travel between campuses is expected.

² Part-time study may be available to international students studying onshore in Australia who hold specific visa categories. Please check your visa for confirmation.

³ This is only applicable if you have not satisfied the English language requirement; you're required to complete a Monash approved English test such as an IELTS (Academic), Internet Based TOEFL or Pearson Test of English (Academic). Other English tests may also be accepted and are assessed when you apply to Monash.

⁴ In equivalent Monash University grading scale terms, a 100% scale where 50% is a pass. Your prior qualification/s must be accredited to the equivalent Australian level specified in the eligibility requirements table.

⁵ Even if you're eligible for a shorter course duration, you may elect to complete the longer duration.

⁶ You'll need to provide certified evidence of your current registration in the country where you're registered as a nurse or midwife.

⁷ Studying this specialisation online is only available to domestic students, international students living and studying offshore, and holders of an Australia temporary visa (other than a student visa) that has a full study entitlement. It is not available to international students currently in Australia on a student visa.

NURSING PRACTICE

RANKED TOP 15 IN THE WORLD
QS World University Rankings by Subject 2023

MASTER OF NURSING PRACTICE

COURSE CODE: M6016 CRICOS CODE: 068373J

 CLAYTON (on campus)¹  2 YEARS (full time)
 FEBRUARY AND JULY  **AS\$41,000** (2023 fees p.a.)

Fees are per 48 credit points, which represents a standard full-time course load for a year.

ENGLISH TEST LEVEL³
LEVEL D (see page 82)

ENTRY REQUIREMENTS
ELIGIBILITY⁴

| | | |
|--|--------------|---|
| Bachelor's degree (or equivalent) excluding a Bachelor of Nursing ^{7,8} | Credit (60%) | 2 |
|--|--------------|---|

From the very beginning of your course, you'll be immersed in an intensive program where you'll develop your clinical experience and skills in an environment that reflects what modern-day healthcare looks, feels and sounds like. These clinical learning environments also use high-fidelity mannequins that react to the treatment you give them, using the same equipment you'd be expected to use in your hospital/clinical placements. Clinical placements will be conducted in metropolitan and regional Victoria, where you'll put classroom concepts into practice on the wards and really start to explore the science and art of nursing practice.

PROFESSIONAL RECOGNITION

Successful completion of the course will lead to eligibility for registration as a registered nurse with the Nursing and Midwifery Board of Australia (NMBA) provided that you've also met the current NMBA Registration standard: English language skills. Registration with the NMBA is a legal requirement for practicing as a registered nurse in Australia.

ADDITIONAL SELECTION REQUIREMENTS

In addition to meeting the Monash English requirement, applicants must demonstrate English language proficiency either by providing a written declaration that English is their primary language or evidence that they have achieved the minimum English language test results as specified in the NMBA English language skills registration. For more information, visit monash.edu/study/course/M6016

POST-ENROLMENT REQUIREMENTS

Upon enrolment you'll be asked to:

- comply with the mandatory immunisation requirements in readiness for clinical/fieldwork placements
- obtain a Police Check (annual requirement)
- obtain a Working with Children Check
- obtain a National Disability Insurance Scheme (NDIS) Worker Screening
- meet inherent requirements¹².

NUTRITION AND DIETETICS

MASTER OF NUTRITION AND DIETETICS

COURSE CODE: M6002 CRICOS CODE: 110244J

 CLAYTON (on campus)¹  1.5 OR 2 YEARS (full time)
 FEBRUARY AND JULY²  **AS\$49,900** (2023 fees p.a.)

Fees are per 48 credit points, which represents a standard full-time course load for a year.

ENGLISH TEST LEVEL³
LEVEL D (see page 82)

ENTRY REQUIREMENTS
ELIGIBILITY⁴

| | | |
|--|-------------------|-----|
| Bachelor's degree (or equivalent) in a related field ⁹ with specified prerequisites ¹⁰ | Distinction (70%) | 2 |
| Bachelor's degree (or equivalent) in nutrition science ¹¹ with specified prerequisites | Credit (60%) | 1.5 |

This course integrates academic teaching and learning with clinical, population health, food service, research and management experience, and is carried out in both academic and professional practice placement settings. You'll complete supervised placements in both clinical and community settings, gaining a breadth of professional experience.

You'll learn through simulated patient scenarios, hands-on food activities, and by working in Monash's on-site nutrition clinic.

PROFESSIONAL ACCREDITATION

This course has been accredited by Dietitians Australia.

POST-ENROLMENT REQUIREMENTS

Upon enrolment you'll be asked to:

- comply with the mandatory immunisation requirements in readiness for clinical/fieldwork placements
- obtain a Police Check (annual requirement)
- obtain a Working with Children Check
- obtain a National Disability Insurance Scheme (NDIS) Worker Screening
- meet inherent requirements¹².

ALTERNATIVE EXIT

Graduate Diploma of Health Studies

CAREER OPTIONS

- Consultancy or private practice
- Food industry
- Food service and management
- Patient care.

1 This course requires attendance at off-campus practical placements which may occur in a range of locations.

2 The February intake is only available to the 1.5-year program. The July intake is only available to the two-year program.

3 This is only applicable if you have not satisfied the English language requirement; you're required to complete a Monash approved English test such as an IELTS (Academic), Internet Based TOEFL or Pearson Test of English (Academic). Other English tests may also be accepted and are assessed when you apply to Monash. For applicants that otherwise meet the Monash requirements for English-speaking background or education, the list of accepted countries is limited to: Australia, New Zealand, Canada, Republic of Ireland, South Africa, United Kingdom, United States of America.

4 **Master of Nursing Practice:** There are limited places available in this course. The entry score is only indicative. **Master of Nutrition and Dietetics:** There are limited places in this course.

5 In equivalent Monash University grading scale terms, a 100% scale where 50% is a pass. Your prior qualification/s must be accredited to the equivalent Australian level specified in the eligibility requirements table.

6 Even if you're eligible for a shorter course duration, you may elect to complete the longer duration.

7 Applicants who are already registered nurses in Australia aren't eligible for admission to this course.

8 You'll need to provide evidence of previous tertiary-level study of a minimum of one six-credit-point unit in human anatomy and physiology (or a related area) from any recognised tertiary institution or the Monash Human Biology short course, which has been assessed as equivalent to this requirement. For further details, visit monash.edu/humanbiology

9 Related fields include biomedical science, science, health sciences, nutrition, food science and exercise science.

10 Specified prerequisites are four units of chemistry/biochemistry, four units of biology/human physiology, at least one human nutrition and one research skills unit in the undergraduate degree.

11 In addition, your undergraduate nutrition science degree will need to be assessed as providing equivalent content and assessment as the master's semester one units which include nutrition and chronic disease, current public health nutrition practice, health education and promotion, nutrition across the lifespan, food regulation in Australia, cultural competency and professional development as a dietitian.

12 For more information on the inherent requirements, please visit our website monash.edu/study/inherent

OCCUPATIONAL AND ENVIRONMENTAL HEALTH

MASTER OF OCCUPATIONAL AND ENVIRONMENTAL HEALTH

COURSE CODE: M6026 **CRICOS CODE:** 028957E

ALFRED HOSPITAL (on campus)¹ 1.5 YEARS (full time)²

FEBRUARY A\$46,900 (2023 fees p.a.)

Fees are per 48 credit points, which represents a standard full-time course load for a year.

ENGLISH TEST LEVEL⁴
LEVEL A (see page 82)

ENTRY REQUIREMENTS
ELIGIBILITY

| | | |
|--|-------------------------|-----|
| Bachelor's degree (or equivalent) in a related field | Pass (50%) ⁵ | 1.5 |
|--|-------------------------|-----|

You'll learn to systematically control related hazards and exposures within a broad range of workplace and community environments.

You'll be equipped to take responsibility for high-level independent judgements, and initiate, implement and evaluate risk management interventions within varied occupational and environmental contexts.

This course is particularly suited to medical practitioners, nurses, allied health personnel, scientists, and occupational health and safety managers. It's offered by off-campus learning, however compulsory block attendance is required each semester.

PROFESSIONAL ACCREDITATION

This course is professionally accredited by the Australian OHS Education Accreditation Board.

ADDITIONAL SELECTION REQUIREMENTS

You'll need to submit:

- a curriculum vitae showing relevant industry experience
- a statement of purpose (250-300 words max.) outlining reasons for undertaking the course.

ALTERNATIVE EXITS

- Graduate Certificate of Occupational Health
- Graduate Diploma of Occupational and Environmental Health.

GRADUATE DIPLOMA OF OCCUPATIONAL AND ENVIRONMENTAL HEALTH

COURSE CODE: M5018 **CRICOS CODE:** 037854D

ALFRED HOSPITAL (on campus)³ 1 YEAR (full time)²

| Bachelor's degree (or equivalent) in a related field | 1 |
|--|---|

We recognise that medical practitioners, nurses, allied health personnel, scientists and OHS managers need to develop adaptable and responsible skills as OHS and environmental health practitioners.

This course will give you the opportunity to gain the skills and knowledge necessary to responsibly provide preventive health services to both reduce the health impacts of disease and injury, and assist to systematically address hazards arising from workplaces and within communities.

PROFESSIONAL ACCREDITATION

This course is professionally accredited by the Australian OHS Education Accreditation Board.

ADDITIONAL SELECTION REQUIREMENTS

You'll need to submit:

- a curriculum vitae citing relevant work experience
- a statement of purpose (250-300 words max.) outlining reasons for undertaking the course.

ALTERNATIVE EXIT

Graduate Certificate of Occupational Health.

1 All students are required to attend a number of compulsory blocks of on campus/on-site study days.

2 Part-time study may be available to international students studying onshore in Australia who hold specific visa categories. Please check your visa for confirmation.

3 This course is only available to international students in 'on-campus' mode. Please note that 'on-campus' mode comprises a mix of online learning and on-site teaching. For most units, the majority of contact hours are facilitated through the University's online learning platform, with additional face-to-face contact during designated study days at Public Health and Preventive Medicine at the Alfred Research Alliance.

4 This is only applicable if you have not satisfied the English language requirement; you're required to complete a Monash approved English test such as an IELTS (Academic), Internet Based TOEFL or Pearson Test of English (Academic). Other English tests may also be accepted and are assessed when you apply to Monash.

5 In equivalent Monash University grading scale terms, a 100% scale where 50% is a pass. Your prior qualification/s must be accredited to the equivalent Australian level specified in the eligibility requirements table.

LEVEL C (see page 82)

ENTRY REQUIREMENTS

ELIGIBILITY³

Bachelor's degree (or equivalent) + either:

- a minimum of at least one six-credit-point unit of study in human anatomy/physiology or a related area from any recognised tertiary institution, OR
- Monash Human Biology short course⁵, OR
- BMA1901 Human Structure and Function as a single-unit enrolment at Monash

| | |
|----------------------|---|
| High Credit (65%) | 2 |
|----------------------|---|

PROFESSIONAL ACCREDITATION

The Master of Occupational Therapy Practice is accredited by the Occupational Therapy Council (Australia and New Zealand) Ltd (OTC) and the World Federation of Occupational Therapists. This accreditation enables graduates to work worldwide subject to registration requirements of that country⁶.

PRE-ENROLMENT REQUIREMENTS

Upon enrolment you'll be asked to:

- comply with the mandatory immunisation requirements in readiness for clinical/fieldwork placements
- obtain a Police Check (annual requirement)
- obtain a Working with Children Check
- obtain a National Disability Insurance Scheme (NDIS) Worker Screening
- meet inherent requirements⁷.

ALTERNATIVE EXIT

Graduate Diploma of Health Studies.

Become an occupational therapist in just two years with our accelerated learning program.

This course offers 1000 hours of fieldwork education to meet the World Federation of Occupational Therapists' minimum standards for the education of occupational therapists.

Our Master of Occupational Therapy Practice is an integrated curriculum focused on scenario-based learning.

Working collaboratively with one of our partners, you'll also complete an extensive practice-based project in the community, and build professional skills in communication and project management.

¹ This course runs on a term, rather than semester, basis and commences in early July before the official start of Monash's second semester later in the month.

² This is only applicable if you have not satisfied the English language requirement; you're required to complete a Monash approved English test such as an IELTS (Academic), Internet Based TOEFL or Pearson Test of English (Academic). Other English tests may also be accepted and are assessed when you apply to Monash.

³ We recommend that you submit your application and documentation as soon as possible so that your application can be considered as there are limited places in this course. The entry score is only indicative and meeting the minimum entry requirements and course specific prerequisites does not guarantee selection. You'll be ranked on academic merit, and selected based on published entry requirements and your entire academic record. Applicants who are already registered occupational therapists in Australia or overseas aren't eligible to be considered for this course. See monash.edu/study/course/M6017 for more details.

⁴ In equivalent Monash University grading scale terms, a 100% scale where 50% is a pass. Your prior qualification/s must be accredited to the equivalent Australian level specified in the eligibility requirements table.

⁵ For further information, visit monash.edu/humanbiology

⁶ International students should note that an IELTS of 7 is required to register to practice in Australia.

⁷ For more information on Inherent requirements, please visit our website at monash.edu/study/courses/admissions-transparency/inherent-requirements-for-courses

This three-year integrated program will provide you with the knowledge, skills and clinical practice experience required to work as a physiotherapist, with a particular focus on the development of leadership skills.

Building on an undergraduate degree in foundational sciences, and learning from expert physiotherapists and researchers, the Doctor of Physiotherapy will prepare you to work in public and private hospitals, private practice, sports, aged care and community health, both locally and beyond.

PROFESSIONAL ACCREDITATION

The Doctor of Physiotherapy course is an approved program of study, accredited by the Australian Physiotherapy Council (APC) on behalf of the Physiotherapy Registration board⁸.

PRE-ENROLMENT REQUIREMENTS

Upon enrolment you'll be asked to:

- obtain a Police Check (annual requirement)
- obtain a Working with Children Check
- comply with the mandatory immunisation requirements in readiness for clinical/fieldwork placements
- obtain a National Disability Insurance Scheme (NDIS) Worker Screening check.
- meet inherent requirements⁹.

ALTERNATIVE EXIT

Graduate Diploma of Health Studies

CAREER OPTIONS

Physiotherapists may work independently or as part of a team of health care professionals in a range of settings such as: public and private hospitals, health centres, sports medicine clinics, maternity hospitals, rehabilitation centres, aged care facilities and in private practices, as well as in areas concerning health promotion, education, management and research.

Get ready for clinical practice and beyond. Equip yourself with the only doctoral level podiatry degree in Victoria and help fill Australia's growing demand for podiatrists.

You can help meet Australia's high demand for podiatry graduates with our Doctor of Podiatric Medicine degree. Graduate with an entry to practice qualification and the ability to deliver evidence-based care to people with complex health needs. Start by building your foundational knowledge and skills before developing your clinical skills through clinical placements and simulations. In your final year, you will pursue your area of passion in an independent research project and develop the skills needed to lead a business.

PRE-ENROLMENT REQUIREMENTS

Upon enrolment you'll be asked to:

- obtain a Police Check (annual requirement)
- obtain a Working with Children Check
- obtain a National Disability Insurance Scheme (NDIS) Worker Screening check
- comply with the mandatory immunisation requirements in readiness for clinical/fieldwork placements
- meet inherent requirements⁹.

CAREER OPTIONS

After completing your degree, you'll be eligible for independent practice and independent prescribing. Whether you want to work in a major city or a rural town, podiatrists have the flexibility to work in a diverse range of settings, including:

- Footwear industry
- Medical podiatry
- Orthotics
- Private practice
- Sports podiatry.

1 The clinical component of this course requires you to travel to a variety of health services and agencies, which may include a rural placement.

2 This is only applicable if you have not satisfied the English language requirement; you're required to complete a Monash approved English test such as an IELTS (Academic), Internet Based TOEFL or Pearson Test of English (Academic). Other English tests may also be accepted and are assessed when you apply to Monash.

3 There are also limited places available in this course. The entry score is only indicative.

4 In equivalent Monash University grading scale terms, a 100% scale where 50% is a pass. Your prior qualification/s must be accredited to the equivalent Australian level specified in the eligibility requirements table.

5 You must have completed your undergraduate degree within the last 10 years.

6 Related fields **must** include human anatomy, human physiology **and** biostatistics (example units: BMS2011 Human anatomy, BMS2031 Human physiology, BMS1042 Biostatistics).

7 Related fields **must** include human anatomy **and** pharmacology, for example BMS2011 (Human anatomy) and PHA3011 (Pharmacology).

8 Full accreditation is expected in 2023, when the first cohort of DPT students complete our program, in-line with the APC accreditation guidelines.

9 For more information about inherent requirements, visit our website monash.edu/study/courses/admissions-transparency/inherent-requirements-for-courses

Your prior qualification/s must be accredited to the equivalent Australian level specified in the eligibility requirements table. There are limited places available in this course. The entry score is only indicative.

6 Examples of suitable discipline majors within the Bachelor of Arts or Bachelor of Social Sciences degrees that would satisfy this requirement are, but are not limited to: anthropology, community development, counselling, criminology, economics: with a health or social focus, geography with a human/social focus, Indigenous studies, international relations, philosophy, political science, psychological sciences, psychology, and sociology. Examples of suitable degrees that would satisfy this requirement are, but are not limited to: education, health science, medicine, medical radiation science, midwifery, nursing, occupational therapy, paramedicine, physiotherapy, psychology, public health.

7 Allied health includes: optometry, speech pathology, occupational therapy, physiotherapy, radiography/medical imaging, radiation therapy, medical ultrasound, paramedicine, dietetics, chiropractic, osteopathy, psychology, podiatry.

8 Or equivalent qualification approved by the faculty.

9 Related fields include science, biomedical science, engineering or information technology.

10 For more information on the inherent requirements, please visit our website monash.edu/study/courses/admissions-transparency/inherent-requirements-for-courses

PHARMACEUTICAL SCIENCE

RANKED NO.2 IN THE WORLD

QS World University Rankings by Subject 2023

MASTER OF PHARMACEUTICAL SCIENCE

COURSE CODE: P6005 **CRICOS CODE:** 105950C

| | |
|---------------------------------------|---|
| PARKVILLE (on campus) | 1, 1.5 OR 2 YEARS (full time) ¹ |
| FEBRUARY AND JULY ² | A\$48,500 (2023 fees p.a.) |

Fees are per 48 credit points, which represents a standard full-time course load for a year.

ENGLISH TEST LEVEL³

LEVEL A (see page 82)

ENTRY REQUIREMENTS

ELIGIBILITY

| | | |
|--|----------------------|---|
| Bachelor's degree (or equivalent) in science, biomedical science or engineering ⁵ | Credit (60%) | 2 |
| Bachelor's degree (or equivalent) in pharmaceutical science | | |
| Bachelor's (hons) degree (or equivalent) in pharmaceutical science, OR | Distinction (70%) | 1 |
| Bachelor's (hons) double degree (or equivalent) in engineering and pharmaceutical science | | |

Brought to you by the world No.2 for Pharmacy and Pharmacology⁷, the Master of Pharmaceutical Science will equip you with the knowledge and skills that you need for a career in the pharmaceutical sector, as well as in related industries such as cosmetics, paints and coatings, and food manufacturing.

The Master of Pharmaceutical Science offers an alternative qualification to a PhD, the traditional postgraduate pathway to employment in the sector. Where a PhD focuses on the discovery of new knowledge and the formal training to be a scientist, the Master of Pharmaceutical Science offers students a breadth of expertise, plus industry knowledge and experience.

Our innovative teaching approach will see you engaging in teamwork as well as self-directed learning. The course has been designed in consultation with major employers to ensure that the course content aligns with areas in the sector where there are skills gaps, and will culminate in an extended industrial or research placement, offering students valuable real-world experience.

Please note that completion of the Master of Pharmaceutical Science is not a pathway towards provisional or full registration as a pharmacist in Australia. The course is not an accredited program of study for pharmacist registration in Australia.

CAREER OPTIONS

- Pharmaceutical or biomedical scientist
- Product developer or formulator in industries such as skincare and cosmetics, paints and coatings, food and beverage
- Various roles in pharmaceutical companies.

¹ Part-time study may be available to international students studying onshore in Australia who hold specific visa categories. Please check your visa for confirmation.

² Please note that the February intake is only available to the 1 and 2-year programs. The July intake is only available to the 1.5-year program.

³ This is only applicable if you have not satisfied the English language requirement; you're required to complete a Monash approved English test such as an IELTS (Academic), Internet Based TOEFL or Pearson Test of English (Academic). Other English tests may also be accepted and are assessed when you apply to Monash.

⁴ In equivalent Monash University grading scale terms, a 100% scale where 50% is a pass. Your prior qualification/s must be accredited to the equivalent Australian level specified in the eligibility requirements table.

⁵ Even if you're eligible for a shorter course duration, you may elect to complete the longer duration.

⁶ You must have studied an appropriate engineering discipline e.g. chemical, biomedical or material engineering.

⁷ QS University Rankings by Subject, 2023.

ENVIRONMENT AND SUSTAINABILITY

MASTER OF ENVIRONMENT AND SUSTAINABILITY

Humanity is developing at a rate that's giving rise to widespread environmental, economic and social challenges.

If you're future-conscious and want to transform society through sustainable solutions, this is your chance to learn the skills you'll need. This course will give you the training, language and tools to be a leader in a rapidly growing field.

Get hands-on, real-world experience through an internship, or an interdisciplinary industry or research project or thesis to help drive innovation, and be taught by experts from multiple disciplines and sectors who are leading the environment and sustainability agenda in Australia and internationally.

SPECIALISATIONS

- Corporate environmental and sustainability management
- Environment and governance
- Environmental security
- International development and environment
- Leadership for sustainable development

ALTERNATIVE EXITS

- Graduate Certificate of Environment and Sustainability
- Graduate Diploma of Environment and Sustainability.

| Bachelor's (hons) degree (or equivalent) in food science or food engineering ⁵ | Credit (60%) | 1 |

This degree recognises the urgent need to address the future of human food supply in the face of global population and environmental pressures, and the dependence of human welfare and geopolitical stability on food supply adequacy and accessibility.

The Master of Food Science and Agribusiness is a forward-thinking, interdisciplinary degree, involving the faculties of Science, Engineering, Medicine, Nursing and Health Sciences, and Business, as well as the Monash Food Innovation Centre.

The Master of Food Science and Agribusiness integrates the knowledge needed to recognise and address these future global challenges.

ALTERNATIVE EXITS

- Graduate Certificate of Food Science and Agribusiness
- Graduate Diploma of Food Science and Agribusiness.

GENOME ANALYTICS

MASTER OF GENOME ANALYTICS

| Bachelor's degree (or equivalent) in a related field ^{6,7} | Credit (60%) | 1.5 |

With continued improvements in DNA sequencing technology, genome-based diagnosis and health management, the healthcare system stands at the gateway to a future where diseases are diagnosed early and precise treatments provided. However, in the absence of enough specialist genome analysts, we cannot translate and expand the discoveries from genome sequencing to the healthcare system, and ultimately improve health.

At Monash, we'll train you in specific technical and professional skills so that you're equipped to help the world take the next crucial steps in diagnostics and genomic medicine.

ALTERNATIVE EXITS

- Graduate Certificate of Genome Analytics
- Graduate Diploma of Genome Analytics.

¹ Part-time study may be available to international students studying onshore in Australia who hold specific visa categories. Please check your visa for confirmation.

⁵ Even if you're eligible for a shorter course duration, you may elect to complete the longer duration.

⁶ Or equivalent qualification and experience approved by the faculty leading the specialisation.

⁷ You must have knowledge of composition and nomenclature of matter; physical, chemical, electrochemical properties of matter; drivers of molecular interactions and stability; quantifying chemical reactions; principles of chemical analysis.

⁸ Related fields include chemistry, chemical engineering, biomedical science, materials science, biochemistry, or biotechnology (with at least 12 points or equivalent of second level chemistry).

⁹ High credit (65%) average over four units in mathematics of which at least two units are at level 2.

¹⁰ High credit (65%) average in over eight units in mathematics.

¹¹ A high credit (65%) average is required in the science discipline you intend for your master's.

ENTRY REQUIREMENTS

When you apply to Monash University for a graduate degree by coursework, you must satisfy all of the following requirements:

1. Minimum age requirements

You must be at least 17 years of age to enrol in a Monash University course. Some exemptions may apply. For further information, visit monash.edu/admissions/age-requirements

2. Academic and additional entry requirements

All Monash graduate courses require you to have successfully completed a minimum of an Australian bachelor degree (or equivalent) and satisfy the academic entry requirements. Some graduate courses may also have additional and/or special requirements. Refer to the course specific pages to locate these requirements.

3. English entry requirements

All Monash University graduate courses require you to satisfy English entry requirements. Different English entry levels apply to graduate courses, as outlined in this guide.

English entry requirements can be met in one of the following ways:

Language of instruction

You can meet the English entry requirements if you've completed studies at an institution where English is the language of instruction, communication and assessment for all aspects of study for the whole of the educational institution, by satisfactorily completing half a year of full-time study (equivalent to 24 Monash-credit points) at Australian VET Diploma (AQF level 5) or higher (or equivalent) within three years prior to the Monash course commencement date (other time limitation periods may apply).

You may be required to submit documentary evidence in the form of an official letter from the institution at which the study was completed. This document must be written and signed by the institution's registrar (or other authorised person) of the education institution to the satisfaction of the Monash University Academic Board.

English tests

If you have not met English entry requirements as outlined above, Monash accepts the following English tests as satisfying English entry requirements, provided it has been completed within three years of the Monash course commencing date (other guidelines apply to selected Monash courses where a two-year time limit applies):

- IELTS (Academic): www.ielts.org
- TOEFL (internet based): www.ets.org
- Pearson Test of English (Academic): www.pearsonpte.com
- Cambridge Certificate in Advanced English (CAE) and Cambridge Certificate of Proficiency in English (CPE): www.cambridgeenglish.org

Other English tests may also be accepted and are assessed when you apply to Monash.

If you have completed several measures of English proficiency over a period of time, the highest valid measure will be accepted as long as it has been taken within the time limitations as specified above.

Monash University reserves the right to ask students to undertake a Monash approved English test to meet English course requirements.

For more information regarding English entry requirements, refer to the Admission to Coursework Courses and Units Procedure available at <https://publicpolicydms.monash.edu/Monash/documents/1935750>

Please note that all entry requirements for Monash University are subject to change.

FEES

We're committed to providing you with an ever-evolving, modern, student experience where you can take charge of your studies while being guided by highly qualified educators who are informed by, and engaged with, industry and the community.

We're investing in innovative learning environments to deliver collaborative, contemporary and flexible learning opportunities. We embrace the opportunities offered by technology and innovation, and embed them in our teaching, in order to prepare you for any career you pursue, including those that aren't yet created.

Our blended learning environment – physical, digital and virtual – prepares you for the workplace, and makes your time at Monash both satisfying and transformative. This underlines our philosophy that the Monash experience extends far beyond university.

In setting our fees, we take into account various factors, including the Consumer Price Index, teaching costs, market trends, demand for expertise, and competitor pricing. We acknowledge that gaining an internationally recognised qualification comes at a cost, but we ensure that the price of our degree programs mirror the true cost of delivering a premium educational experience where you'll learn from some of the finest minds in the world.

Tuition fees

To study at Monash University, you'll need to pay tuition fees to the University. As an international student, you'll be charged full fees. Tuition fees vary depending on the course and the year of commencement. All tuition fees and course durations specified in this guide are in Australian dollars and only apply to courses studied at Australian campuses. The tuition fees quoted are for 48 credit points and are applicable to courses commencing in 2023. Tuition fees for courses commencing in 2024 will be different.

Monash University reserves the right to adjust the annual tuition fees in future years of your course. Any adjustment will be applied on the first day of January each year for teaching periods with a census date thereafter.

monash.edu/scholarships-fees

Overseas Student Health Cover (OSHC)

It's a condition of the Student Visa (subclass 500) that you must hold Overseas Student Health Cover (OSHC) for the duration of your stay in Australia. Monash University requires all commencing international students to purchase OSHC for the duration of their visa. If you're accompanied by immediate family to Australia as dependants on your student visa, you'll also need to purchase the visa-length OSHC for them.

Your Confirmation of Enrolment (CoE), for student visa purposes, will only be issued:

- once you've accepted your course offer along with payment for OSHC; or
- provided proof of having a valid visa-length OSHC; or
- you've submitted approved documentation for exemption from payment of OSHC; or
- nominated for Monash to purchase OSHC on your behalf with Monash's preferred OSHC provider.

monash.edu/fees/oshc

MONASH ENGLISH TEST LEVELS

Each Monash course has an assigned English test level that applies to Monash-approved English tests where the entry scores for each level are specified below.

| English test levels ¹ | Academic IELTS | | | | | Internet-Based TOEFL | | | | | Pearson Test of English (Academic) | | | | |
|----------------------------------|--------------------|-----------|---------|----------|---------|----------------------|-----------|---------|----------|---------|------------------------------------|-----------|---------|----------|---------|

W - Writing, R - Reading, L - Listening, S - Speaking

Monash University English entry requirements for other Monash-approved English tests can be located at: monashcollege.edu.au/courses/english

¹ Monash English isn't accepted for entry into all Monash University courses. Please check your destination degree entry requirements in your offer letter. If you need more help with your English language entry requirements, you can take a Monash English course.

HELPING YOU GET INTO MONASH

To succeed at Monash, you'll need excellent English language skills.

At Monash College, we're dedicated to preparing students for success at Monash University. By completing an English course at Monash, you'll gain fluency in English, and confidence in the academic skills required at Monash at a graduate level.

We offer tailored English language programs designed to meet the specific requirements of the Monash course you're aiming to enter. When you apply, we'll assess your current skills and place you in the best program for your level and destination course.

English language courses

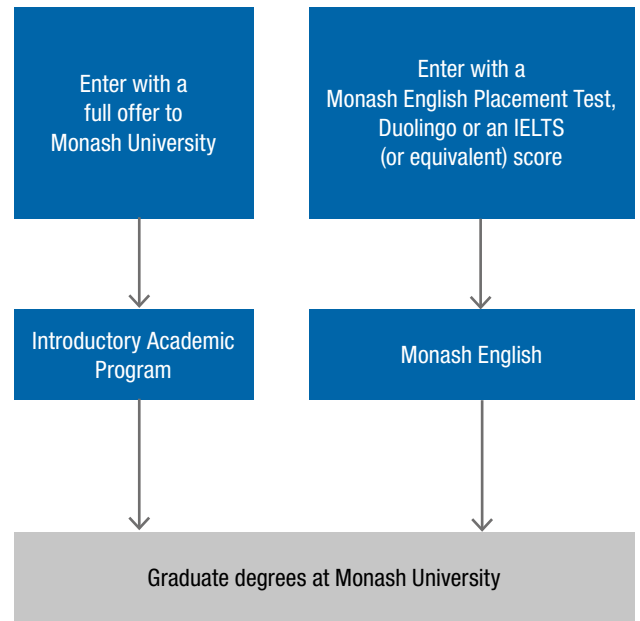

- **Monash English (ME)** – this course will develop the English language and academic skills required for pursuing a foundation year, diplomas, undergraduate, graduate and higher degrees of research courses at Monash – without the need to sit for an IELTS test. There are multiple entry and exit points allowing you to align yourself with our destination programs and their enrolment and intake dates.
- **Introductory Academic Program (IAP)** – this course introduces you to the self-directed study style you'll need at Monash University. Classes focus on developing your academic reading and writing skills, critical thinking and research literacy, giving you the best start at university. A full offer to Monash University is required for entry.

For entry requirements, detailed course information and intake dates, visit monashcollege.edu.au/courses

The benefits of English preparation at Monash

- 1 Be confident in the Monash teaching and learning style before you commence your degree.
- 2 Benefit from our student-centric teaching style, giving you access to your tutors for immediate and personalised feedback.
- 3 Be better-prepared for your Monash studies by learning academic skills essential to all degrees such as:
 - how to write essays and academic reports
 - how to reference your sources
 - how to deliver presentations.
- 4 Study alongside like-minded students who have the same goal as you – to study at one of the world's top universities.
- 5 Live in Melbourne while you study, and immerse yourself in the culture and lifestyle. You'll improve your academic English by attending class, and your general English by practising during everyday life.

Choose your English pathway

APPLICATION PROCESS FOR INTERNATIONAL STUDENTS

BEFORE YOU APPLY

Use monash.edu/study to check:

- the international entry requirements
- additional entry requirements – for example, details of relevant work experience
- special course requirements
- fees
- closing dates
- when courses start.

When should you apply?

Apply as early as possible. Some courses may close a few months or a year before the start of the course, while others have quotas. Aim to have your online application submitted as early as possible. This allows time for your application to be processed and can help to ensure that you secure a place if your preferred course has limited places. Applying early also gives you time to get your student visa, which can take up to six months for some nationalities and countries.

HOW TO APPLY

STEP 1

Apply

To apply to Monash University lodge your application online and use the step-by-step guide: monash.edu/admissions/apply/online

With your online application, please provide official:

- academic documentation, including academic transcripts and graduation certificate (both in its original language and the official English translation (if applicable))
- grading scales indicating the pass mark and graduation requirements (if applicable),
- evidence of meeting the English language requirements (if applicable), and
- a copy of your passport.

Alternatively if you are yet to complete your qualification or haven't received your final academic documents, please provide your current transcript and indicate the qualification you are studying in your Monash application, and we may be able to make you a conditional offer. If you're applying for a course that has additional selection requirements, please also provide the necessary documentation with your online application.

You'll be required to provide original or certified academic documentation (or other supporting documents) upon request. For further information on certifying documents, visit monash.edu/study/certifying-documents

Need help with your application?

 Chat with Monash

If you're applying through a Monash agent, please contact them for assistance. Some agents may charge a fee for additional services, so please be aware of any additional fees before you make an appointment. Please ensure that your agent is an authorised Monash agent by visiting monash.edu/study/agents-database

STEP 2

Your application is assessed

When your application is received, Monash University will assess your application according to University entry requirements.

If you are applying for a student visa, other than assessing your application against the course entry requirements, Monash University is obliged to check that you're genuinely seeking temporary entry to Australia to study. If the University forms the opinion that you're not a Genuine Temporary Entrant (GTE) (as specified on Department of Home Affairs Genuine temporary entrant requirement for student visa application), it may refuse to assess your application, withdraw an offer of a place, or cancel your confirmation of enrolment.

The University reserves the right to request additional information and conduct a face to face interview in relation to a GTE check.

Under certain circumstances, you may be referred to the nearest Monash registered agent to assist you with your Monash application, GTE assessment and visa arrangement.

If your application is successful, you'll receive an offer in the form of an International Student Course Agreement (ISCA). In the ISCA, instructions will be supplied on how to accept your offer, including the fees and Overseas Student Health Cover (OSHC) you need to pay.

If we're not able to make you a full offer in the first instance, you may receive a conditional offer. A conditional offer means you must submit additional information and meet the requirements specified in the ISCA. Usually the additional information we need is documentation (such as, official final transcript, graduation certificate or an English test result) to see if you meet the specific entry requirements for the course you've applied for. All of these will be explained in the ISCA. If you are required to provide additional information, please submit the documentation to us as soon as possible, or contact us if you need any help. If you're not successful for your first preference, your application will be considered for your next preference.

Defer your studies

If you decide to delay your course commencement date, you have the option to apply to defer your studies. Monash generally allows deferment of study up to a maximum of twelve months, or longer in exceptional circumstances. You can send your deferral request to mu.documents@monash.edu.

Other deferral guidelines apply, refer to: monash.edu/defer

STEP 3

Accepting your offer

To accept your offer, you need to follow the instructions in your ISCA. You must complete, sign and return all pages in Part A of your ISCA along with payment and a photocopy of the personal details page of your passport to Central Admissions before the offer lapse date. Your payment may include OSHC (as specified in your ISCA) which covers the entire duration of your student visa for yourself and any family members accompanying you to Australia (if applicable).

When making your payment, it should be noted that:

- Monash University doesn't accept cash;
- dishonoured bank drafts may incur additional bank fees, and
- you may need to notify your bank of large deductions on your account.

If you are paying by bank draft, it will need to be mailed to Central Admissions. Please ensure you include your full name and Monash student ID on the back of the bank draft.

STEP 4

We send you a Confirmation of Enrolment (CoE) and enrolment package

Once you've accepted your full ISCA or packaged ISCA you'll receive a CoE and an invitation to set up your electronic Monash account and to enrol online.

You'll need the CoE to apply for a student visa. See below information on how to arrange your student visa.

You need to plan your course and enrol early so that you can get the best possible start. Information about enrolment process and course-specific enrolment and arrival dates are available at monash.edu/get-started

Following this, you'll receive a series of emails with useful information and other resources to help with your transition to Monash.

STEP 5

Arrange your student visa

The Department of Home Affairs (DHA) is responsible for issuing visas for entry to Australia. In general, as an international student you'll need a student visa to study at Monash, and under a student visa, you may only enrol in a Commonwealth Register of Institutions and Courses for Overseas Students (CRICOS) registered course.

You're advised not to commence the visa application process until you've been issued with your CoE. You must keep in mind that your student visa application may take up to six months or more, depending on your nationality and country of residence. When applying for a student visa, you will need to meet all core visa criteria, such as the GTE requirement, good character and health criteria. Financial capacity and English language proficiency documentation may also be required.

Further information can be located at:

- monash.edu/study/visa-requirements
- monash.edu/connect/student-visa

International students under 18

If you're under 18 when you start your course at Monash University, you need to have your caregiver and accommodation arrangements approved before applying for your student visa. If you later make changes to these arrangements, make sure to get them approved to comply with your visa conditions.

You need to show that you'll be living either:

- with a parent, legal custodian or eligible relative over 21, or
- in a Monash-approved caregiver and accommodation arrangement.

For full details, refer to: monash.edu/students/under-18

STEP 6

Preparing to arrive

Be ready for your time at Monash University and prepare in advance by:

- Participating in a pre-arrival briefing
- Booking your airport reception
- Considering your accommodation options
- Attending Orientation Week

For further information visit:

monash.edu/study/preparing-to-arrive

Complete your checklist

There are heaps of things you can do before you even start your Monash course to get yourself ready for your Monash journey.

Use the student checklist to ensure you have completed essential tasks before you start your Monash course at:
