# Edith Cowan is an Australian icon

ECU is the only Australian university named after a woman – and what a woman she was!

Edith Cowan (OBE) achieved so much in her life, and in a world that didn't pay attention to the opinions of women.

The first woman elected to an Australian Parliament, Edith believed that education was fundamental to tackling social issues and was the key to growth, change and improvement.

She influenced the course of education in Australia, paving the way for many people to access education they could only previously dream of.

Like our university, Edith also believed strongly in the values of inclusion and equity. She fought hard to improve conditions for women, children, families, the poor, the under-educated and the elderly.

We recognise and respect the significance of Aboriginal and Torres Strait Islander peoples' communities, cultures and histories.

We also acknowledge and respect the Noongar people as the traditional custodians of the land on which our campuses are located.

Joondalup Campus features award-winning architecture, cafés, a bar, an outdoor cinema, a lake and loads of trees and green spaces for study.

Here, you can study business, law, engineering, psychology, nursing, medical and health sciences, cybersecurity and other science-related courses and teacher education.

# Mount Lawley Campus

Located in the thriving cultural hub of Mount Lawley and close to Perth's Central Business District (CBD), you can't help but be inspired by the artistic vibe at this campus.

Here, you'll find one of the world's leading performing arts academies, the Western Australian Academy of Performing Arts. Plus an array of arts and humanities courses.

The campus is also home to Kurongkurl Katitjin, ECU's Centre for Indigenous Australian Education and Research.

## **ECU South West**

# Frequently asked questions

## Why do I have to choose units before I apply?

We assess you for your units at the same time we assess you for your course entry. This saves you a lot of time, particularly when units have prerequisites.

# Can I choose units from across different ECU Schools?

You can. Lots of our students are keen to get a taste of different ECU Schools. This could include three or four Schools if you like.

## What do you mean by "unit"?

A unit refers to the different subject/courses/classes you enrol in. You would enrol in 3-4 units in one semester or 6-8 units in two semesters.

### What is a unit prerequisite?

A prerequisite is an entry requirement. You may have met standard English and academic entry for the Study Abroad program, but you will also have to meet entry requirements for certain units.

# Do I need to chat with my university back home about the units I choose?

Absolutely. They will be able to tell you if the ECU units ou wish to study will count as credit towards your degree. Unfortunately, we cannot confirm this.

# Is there an application deadline for Study Abroad?

Please keep an eye on the Important Dates page, which lists the recommended application dates www.ecu.edu.au/future-students/applying/important-dates

# Could the units I study during Study Abroad count as credit towards an ECU degree?

It is possible. It will all come down to how well the units you have studied in Study Abroad align with your chosen ECU degree. Check out Credit and Recognition of Prior Learning (CRPL) www.ecu.edu.au/my-uni-start/get-started/applying-for-credit-and-recognition-of-prior-learning

#### Do I need health cover?

Yes, you need Overseas Student Health Cover (OSHC). It is compulsory if you plan to study on a Student Visa.

Medibank is ECU's preferred provider, but you can opt for any Government Registered Provider. Your offer letter will tell you more.

# Is there anywhere I can find information on what certain ECU systems OR acronyms mean?

We know it can be difficult getting used to study at a new university, including the names of the different systems and the study language. Please take a moment to look at our Uni-speak Glossary www.ecu.edu.au/ my-uni-start/glossary-uni-speak

### What is My Uni Start?

My Uni Start is your one-stop place to accept your offer, activate your account, enrol in your units, book orientation and everything in between. Check out My Uni Start today www.ecu.edu.au/my-uni-start/overview

# What kind of support is available once I become an ECU student?

The Student Hub is your place.

We have Hubs available on all three campuses, with each one dedicated to supporting our current students with matters relating to their studies.

#### Got another question?

If you have any further questions, jump online to chat with one of our students www.ecu.edu.au/degrees/international/ask-a-student
